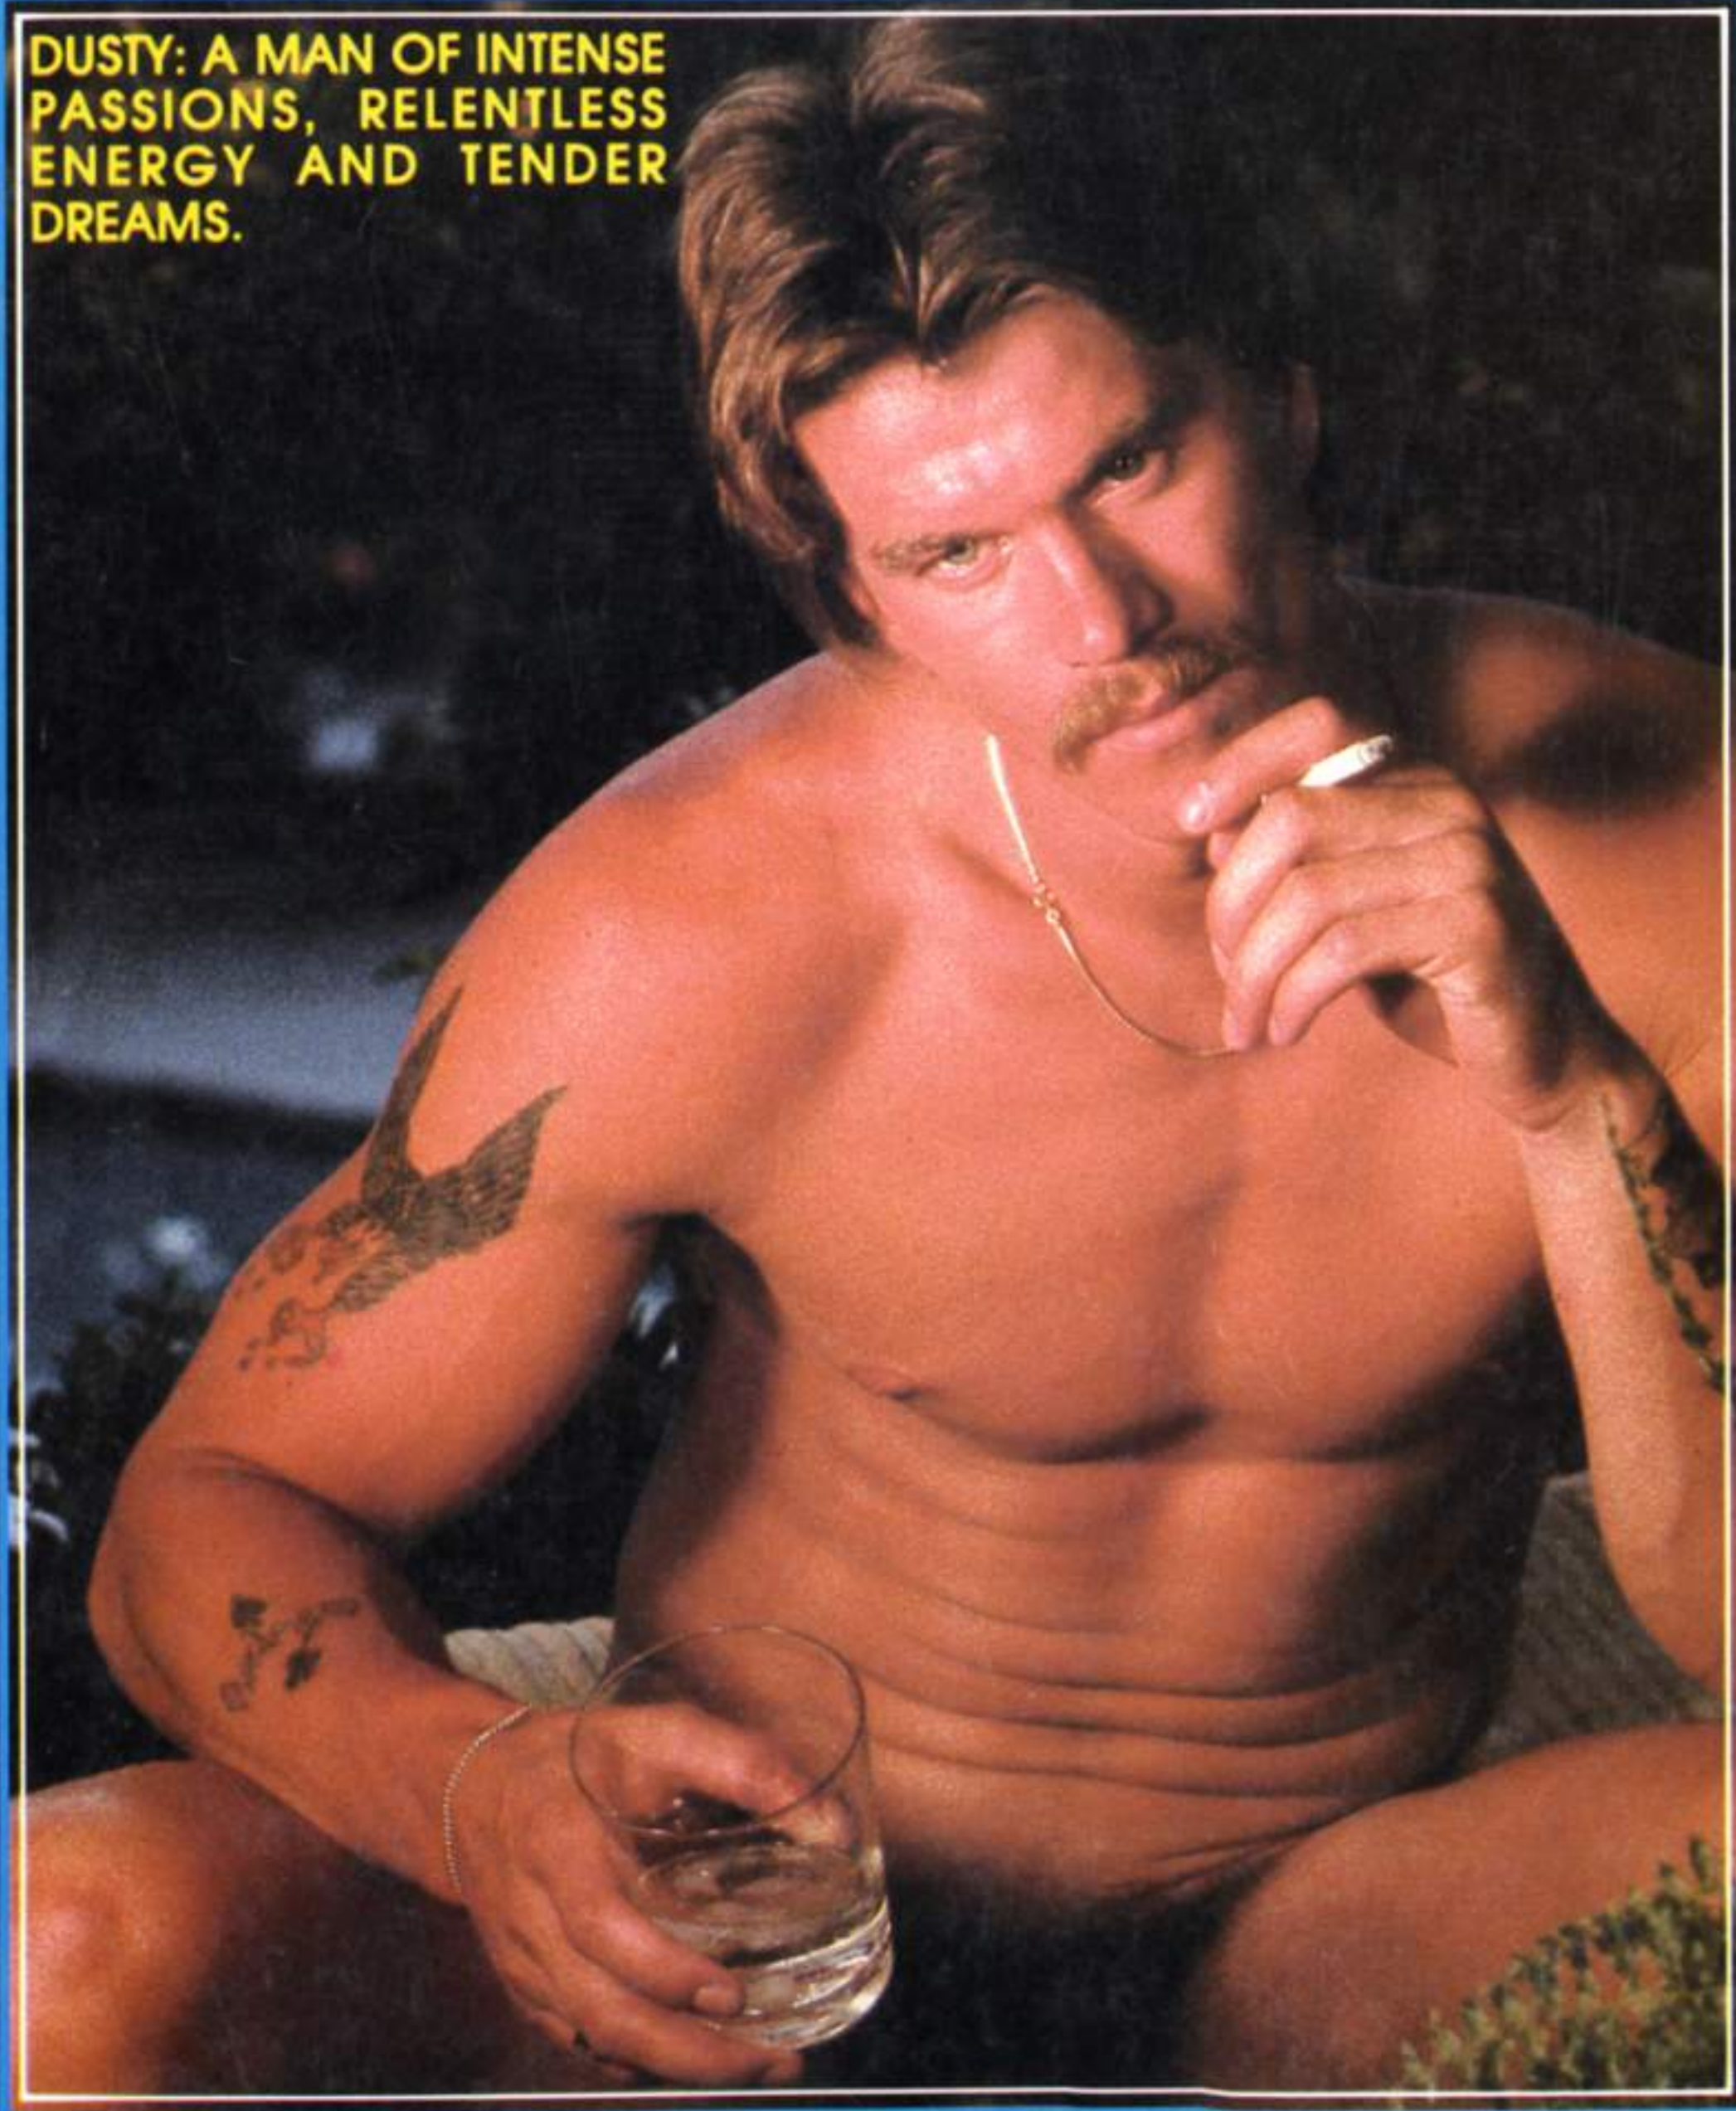
DUSTY: A MAN OF INTENSE PASSIONS, RELENTLESS ENERGY AND TENDER DREAMS.



DUSTY

VOLUME 4 NUMBER 5 AUTUMN 1978

EDITORIAL

Dusty is truly a "man's man," a man of action and a man of energetic passion. His love of athletics shows in his perfectly muscled body, and it was with those strong limbs that he won over a dozen marathon races, from coast to coast. Although he appears tough and invulnerable on the outside, inside he's a man of gentle and sincere feelings. In fact, one of his quieter hobbies is writing poetry, and he's had several published in major magazines. He's just as proud of those successes as he is of the trophies he's won for sports. Weekends, you'll find him at the beach, surfing, jogging, maintaining his tan or making new friends.

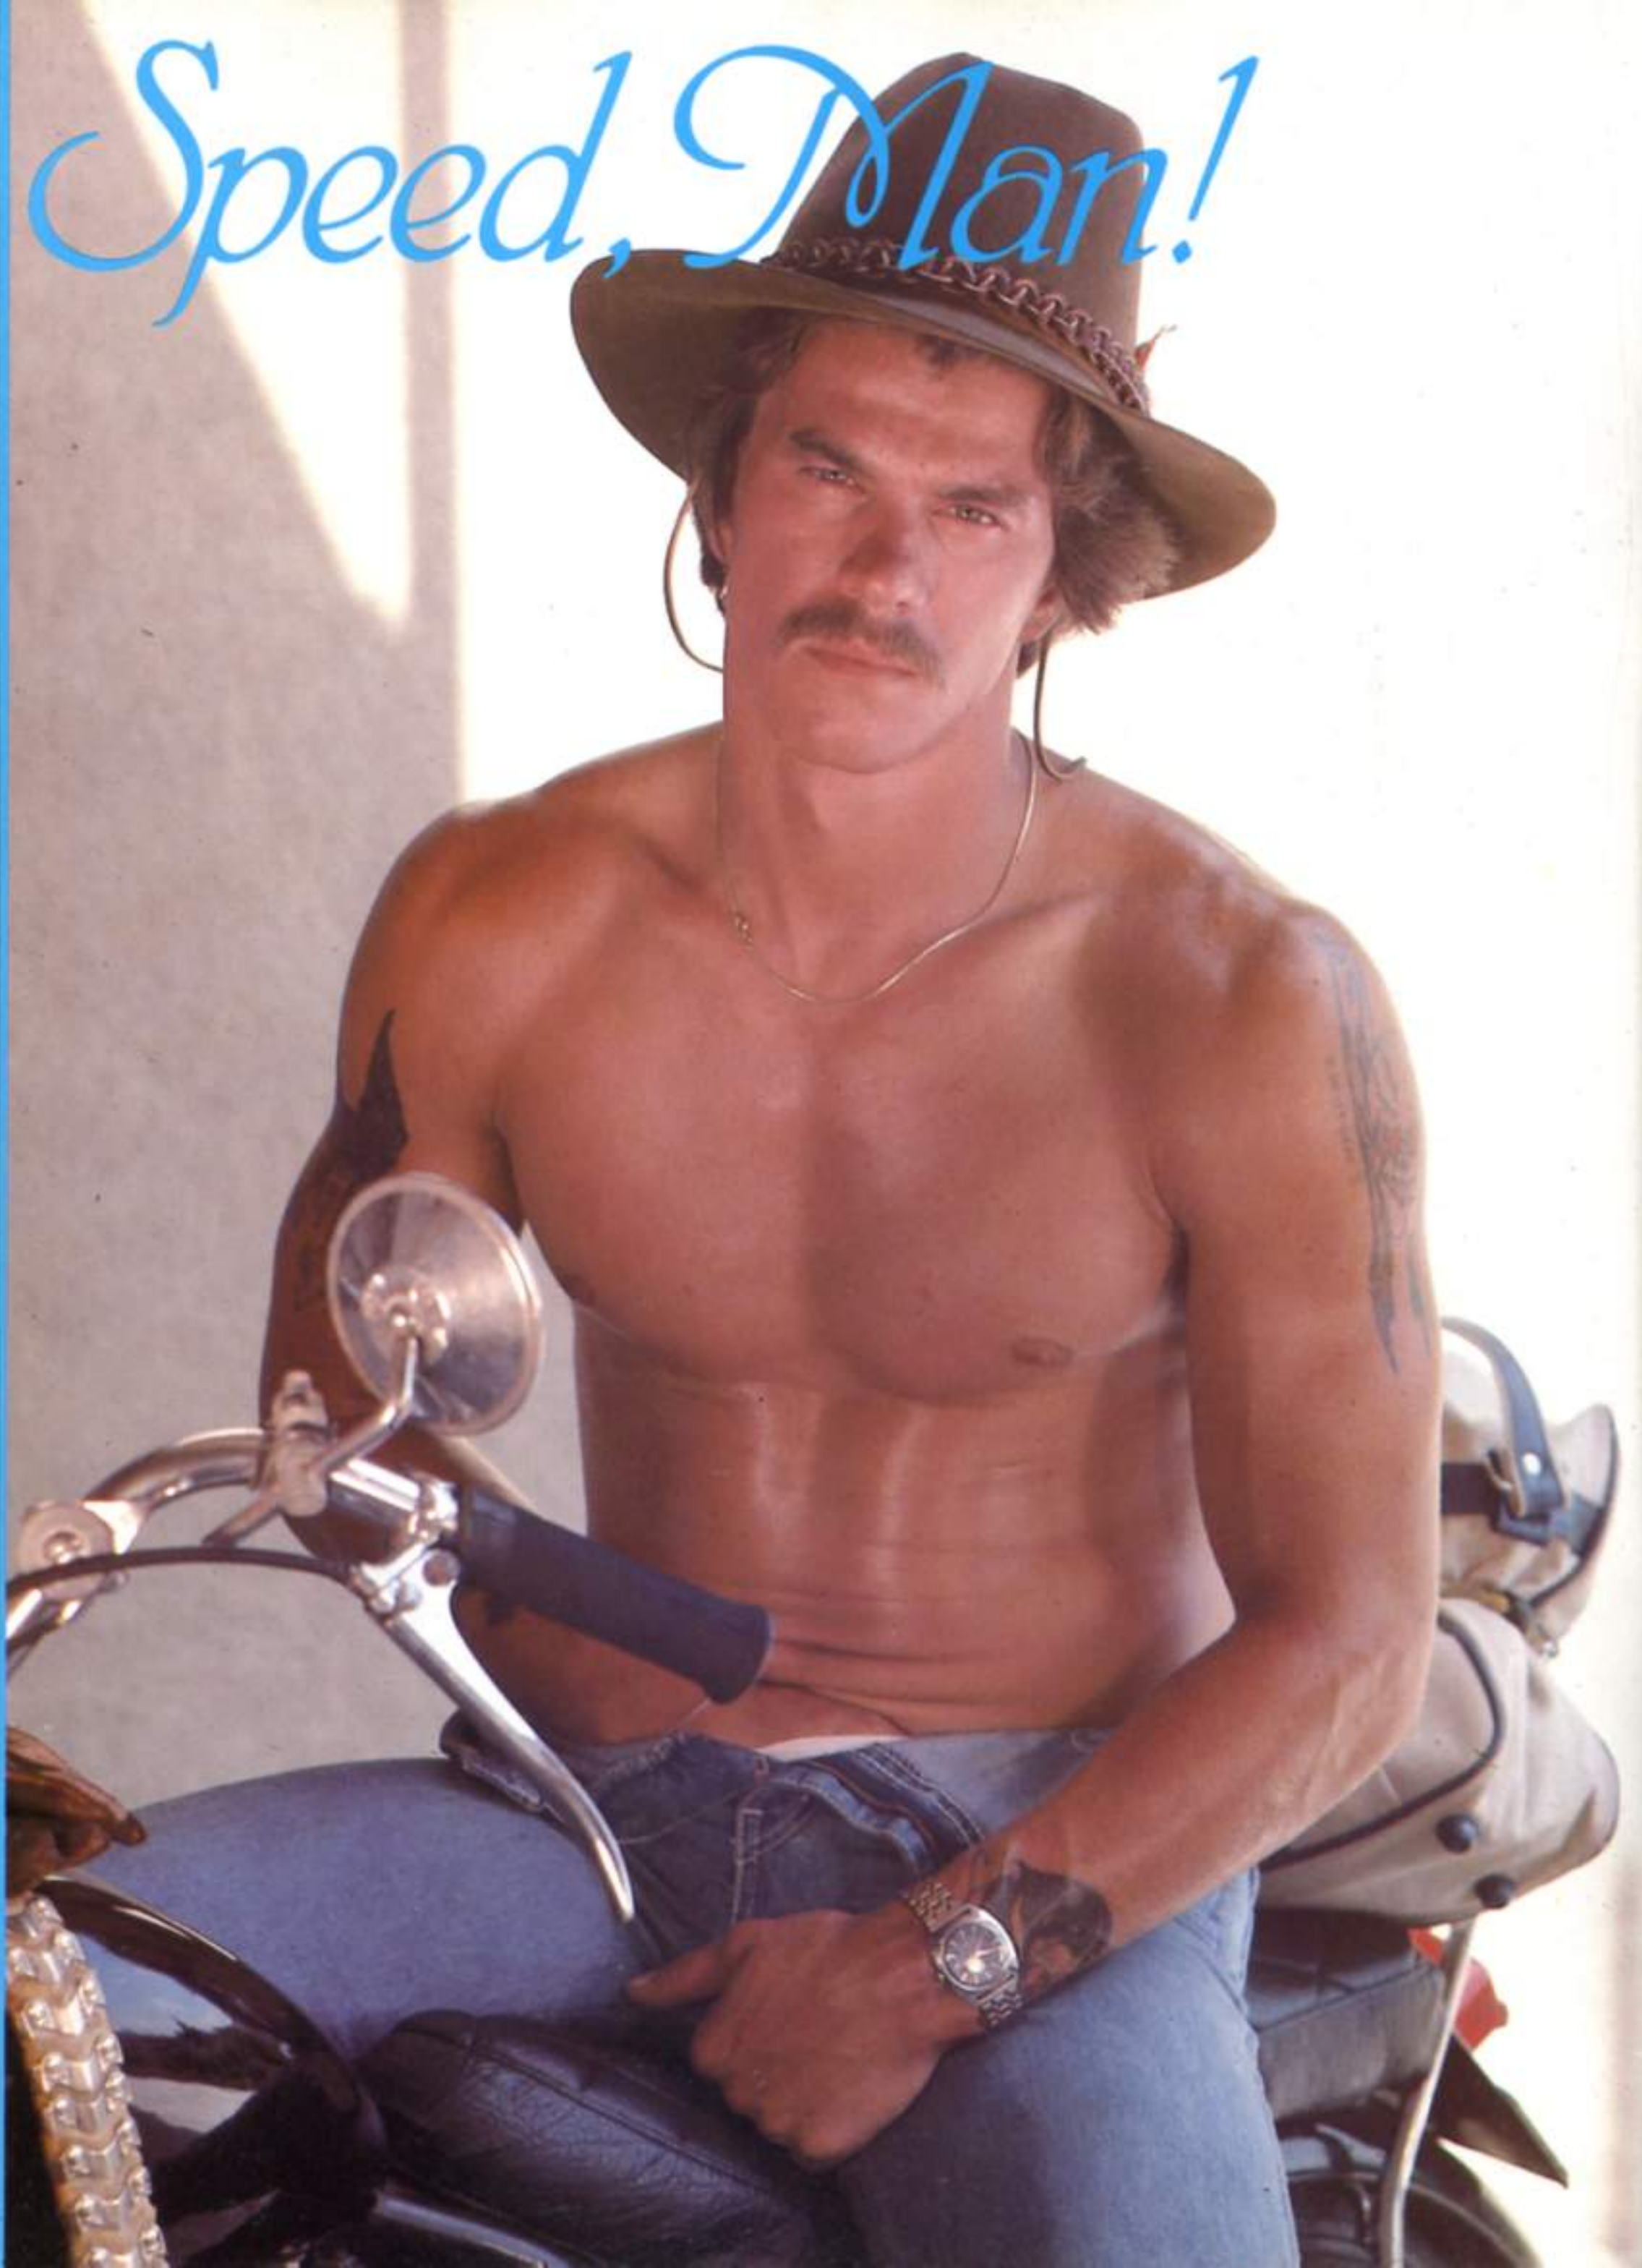
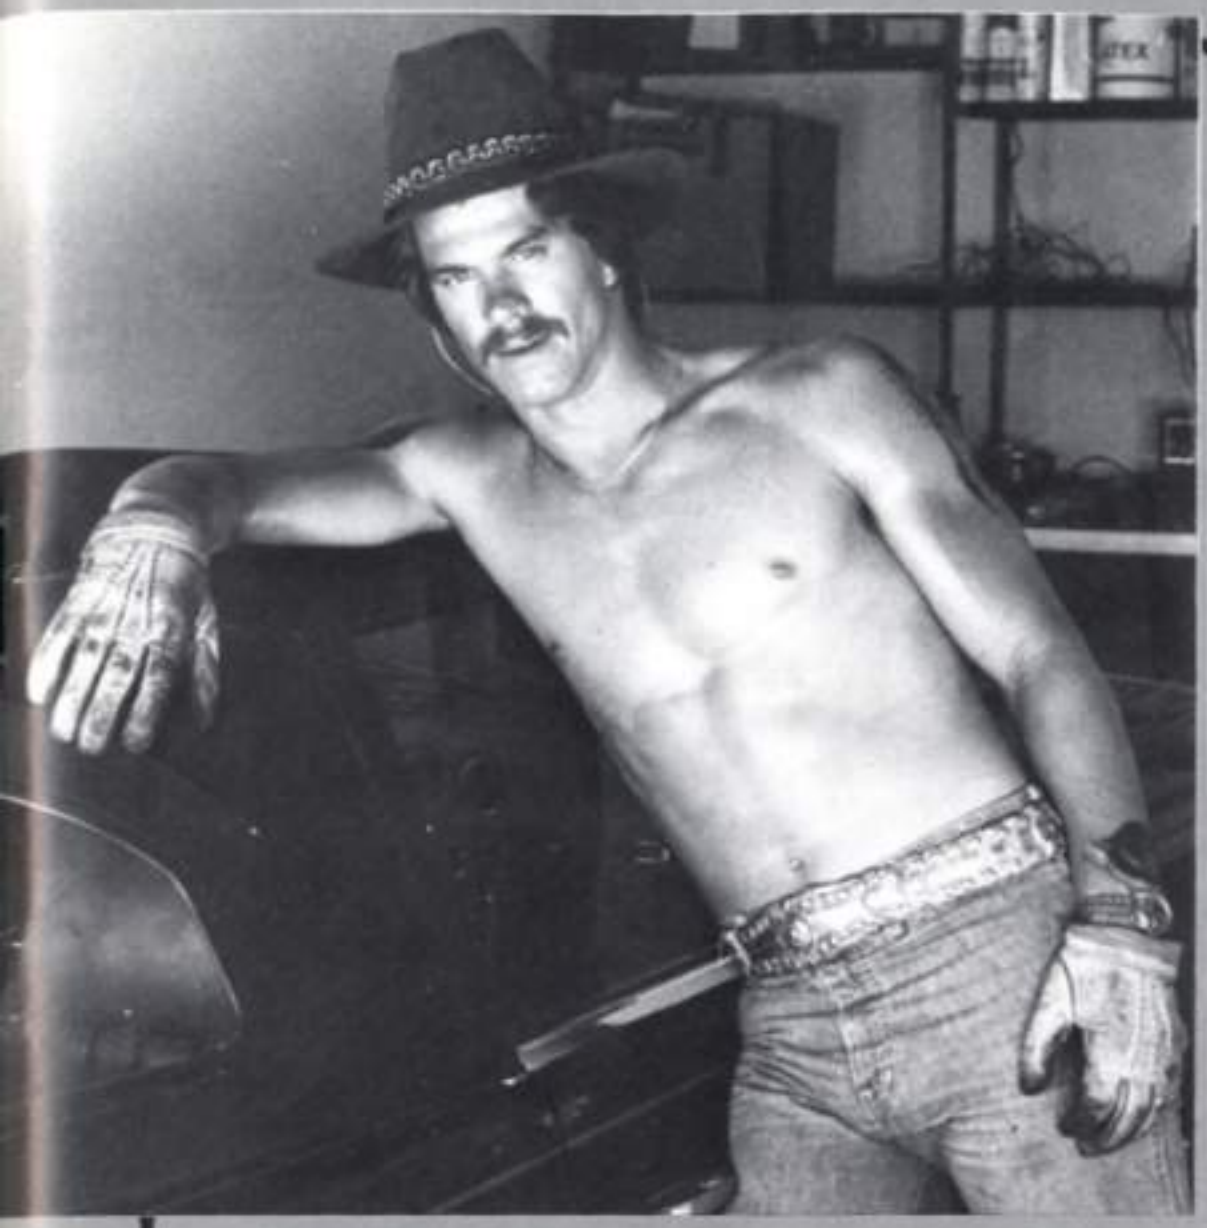
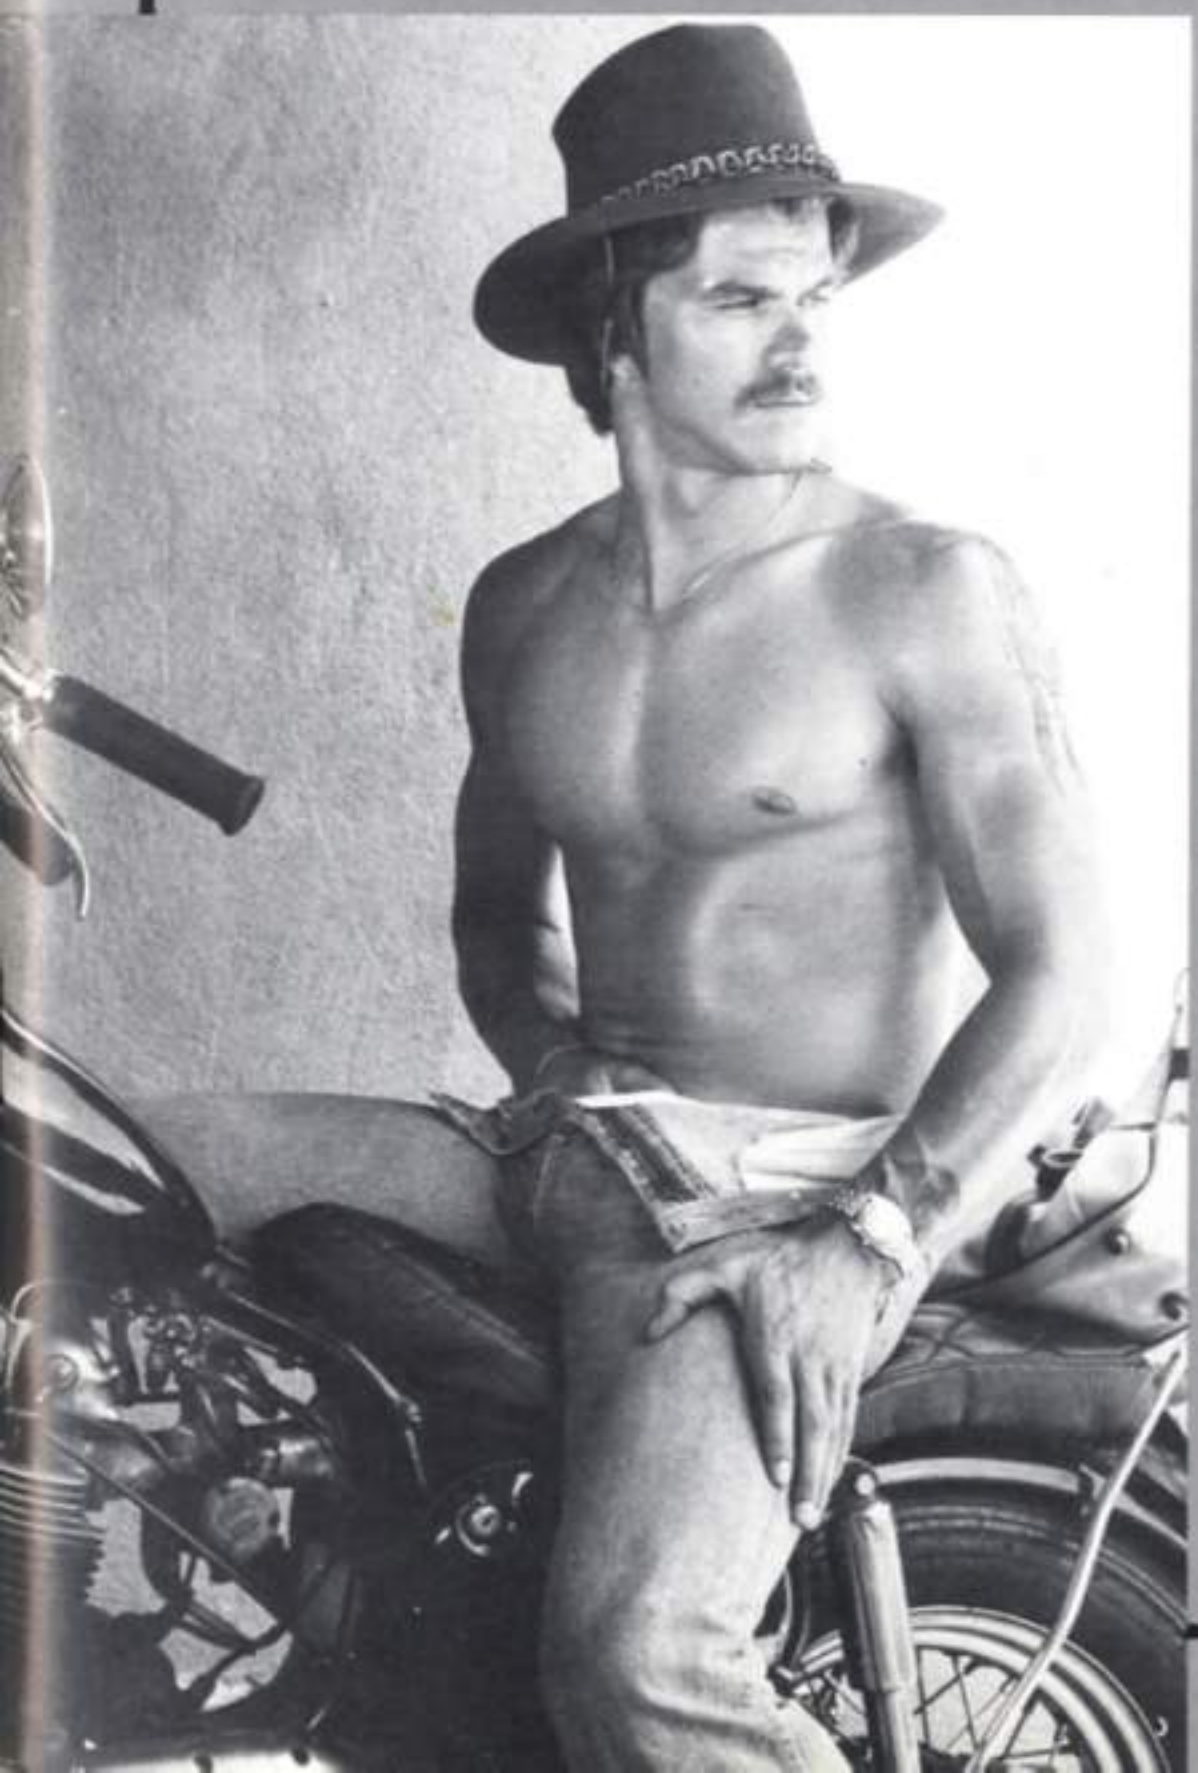
Speed, Man!





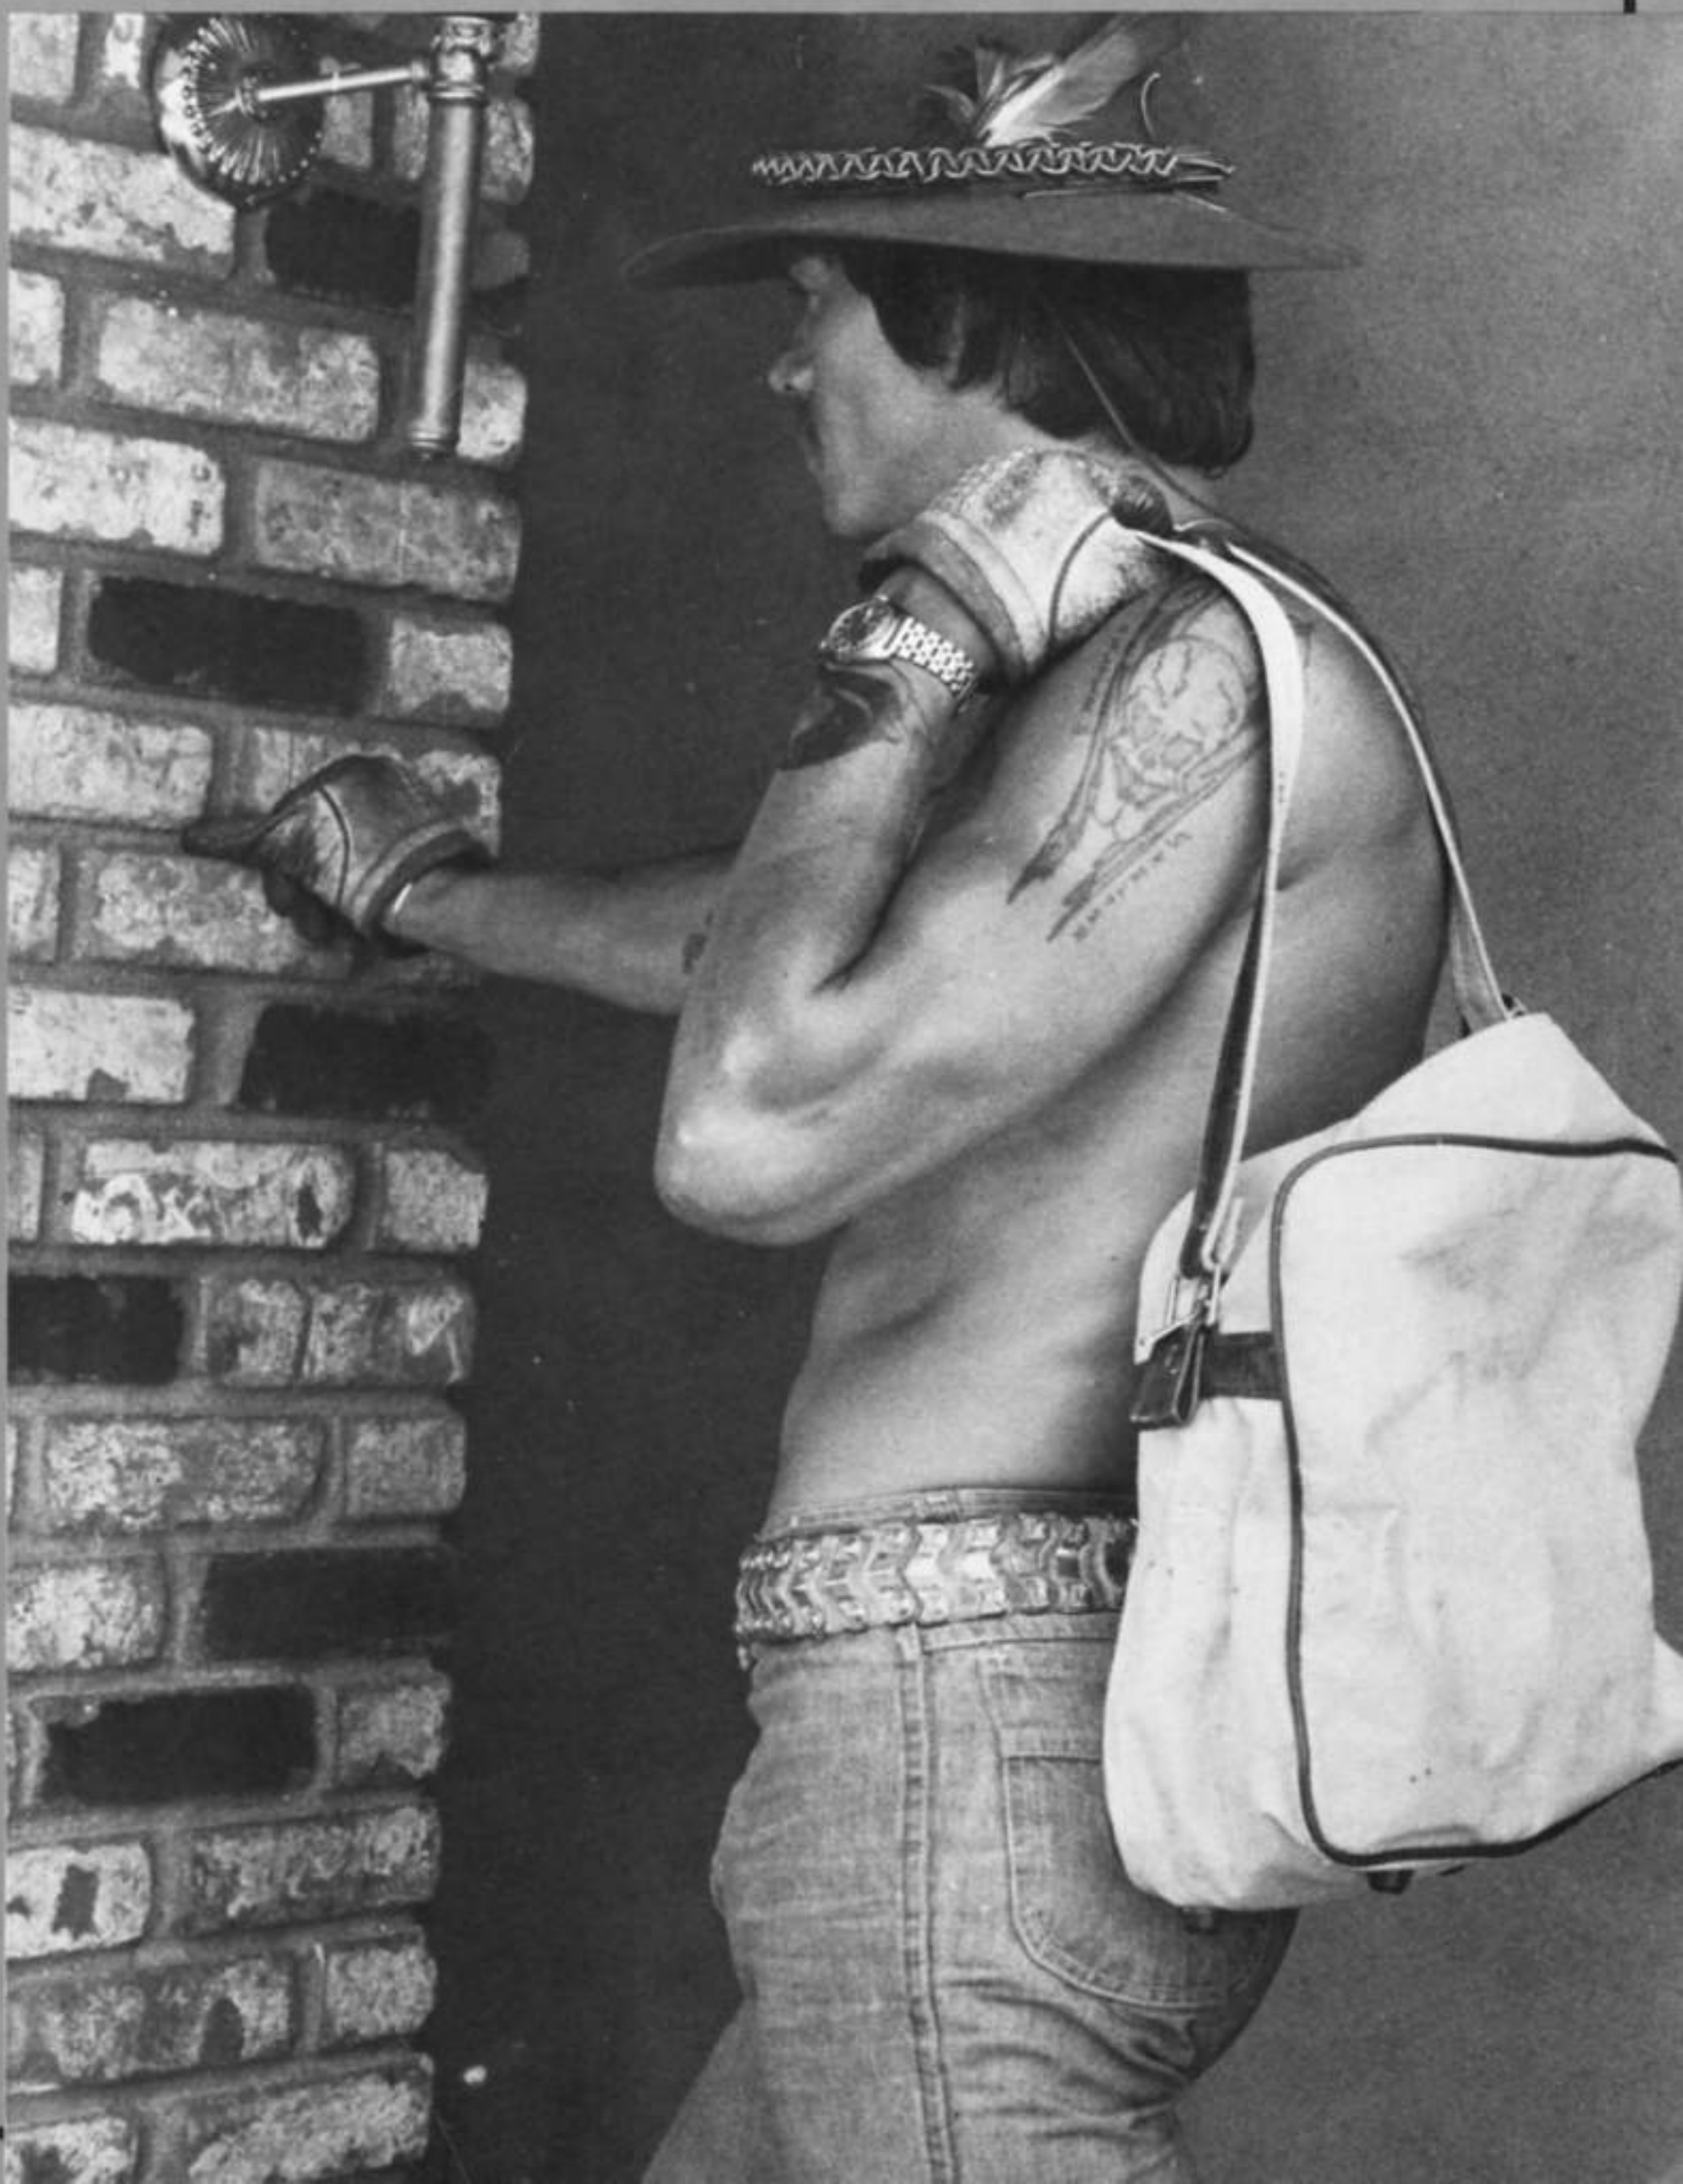


Dusty likes a good machine, with power and speed. A cycle with guts and lots of shiny chrome.

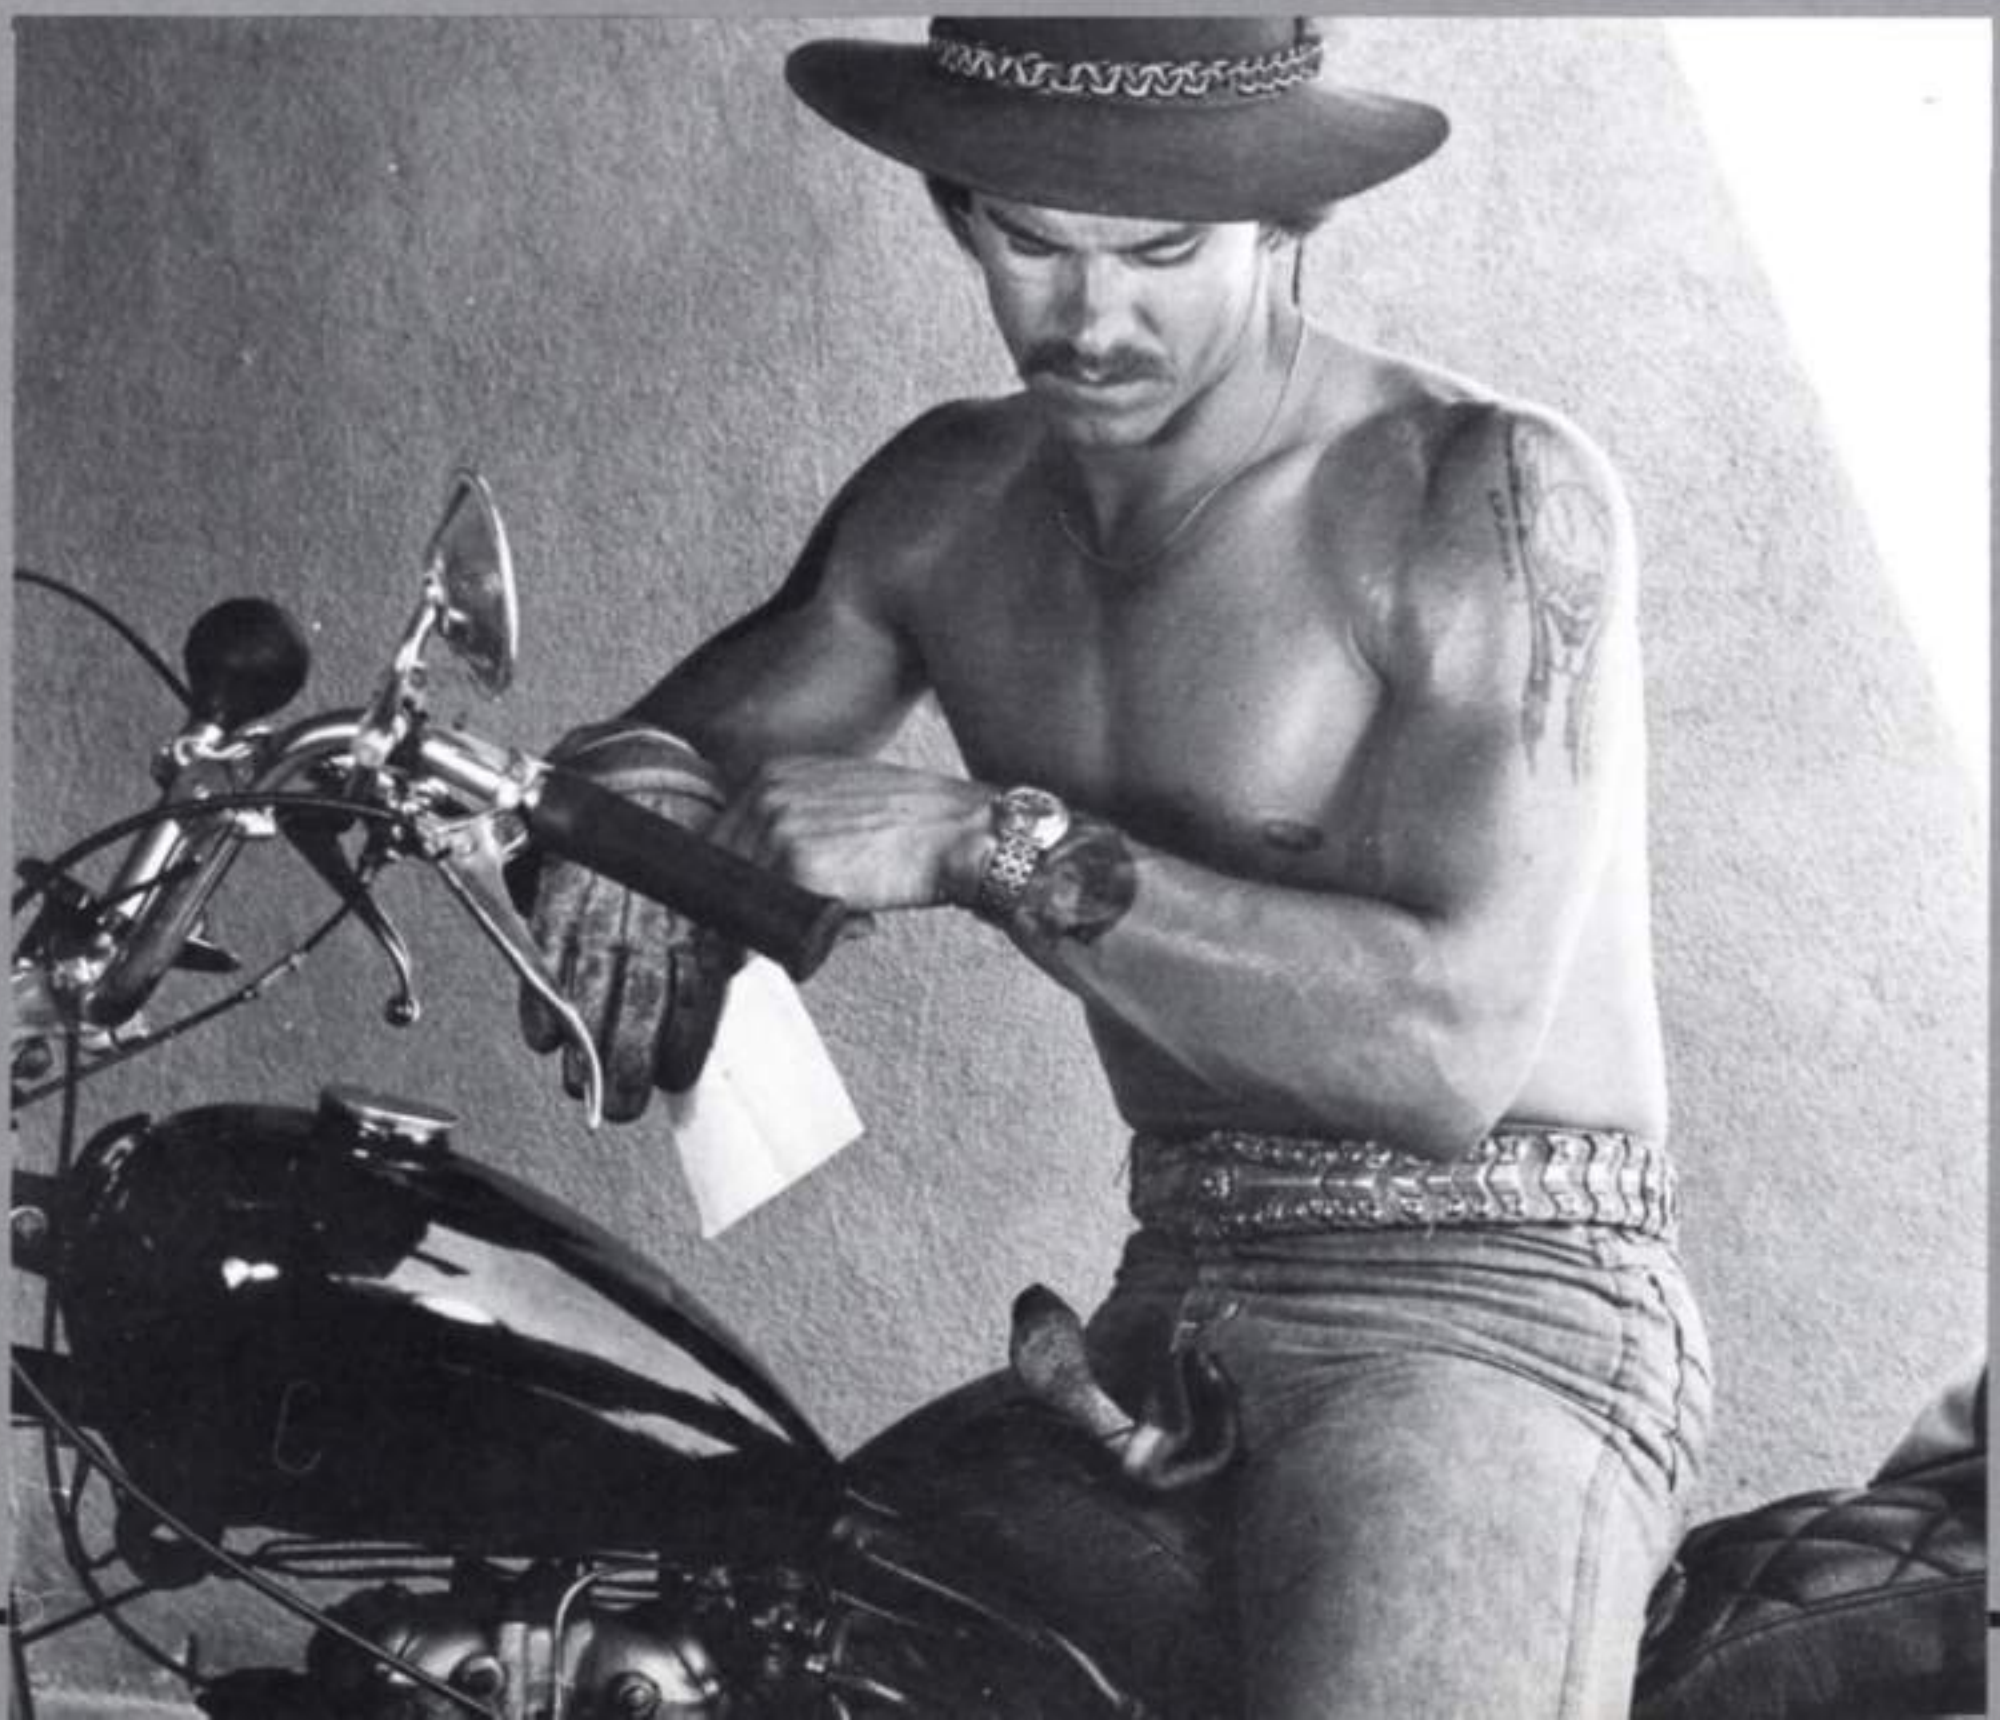
A clean, mean machine, that's his bag. Makes his own motor run fast, run sleek.

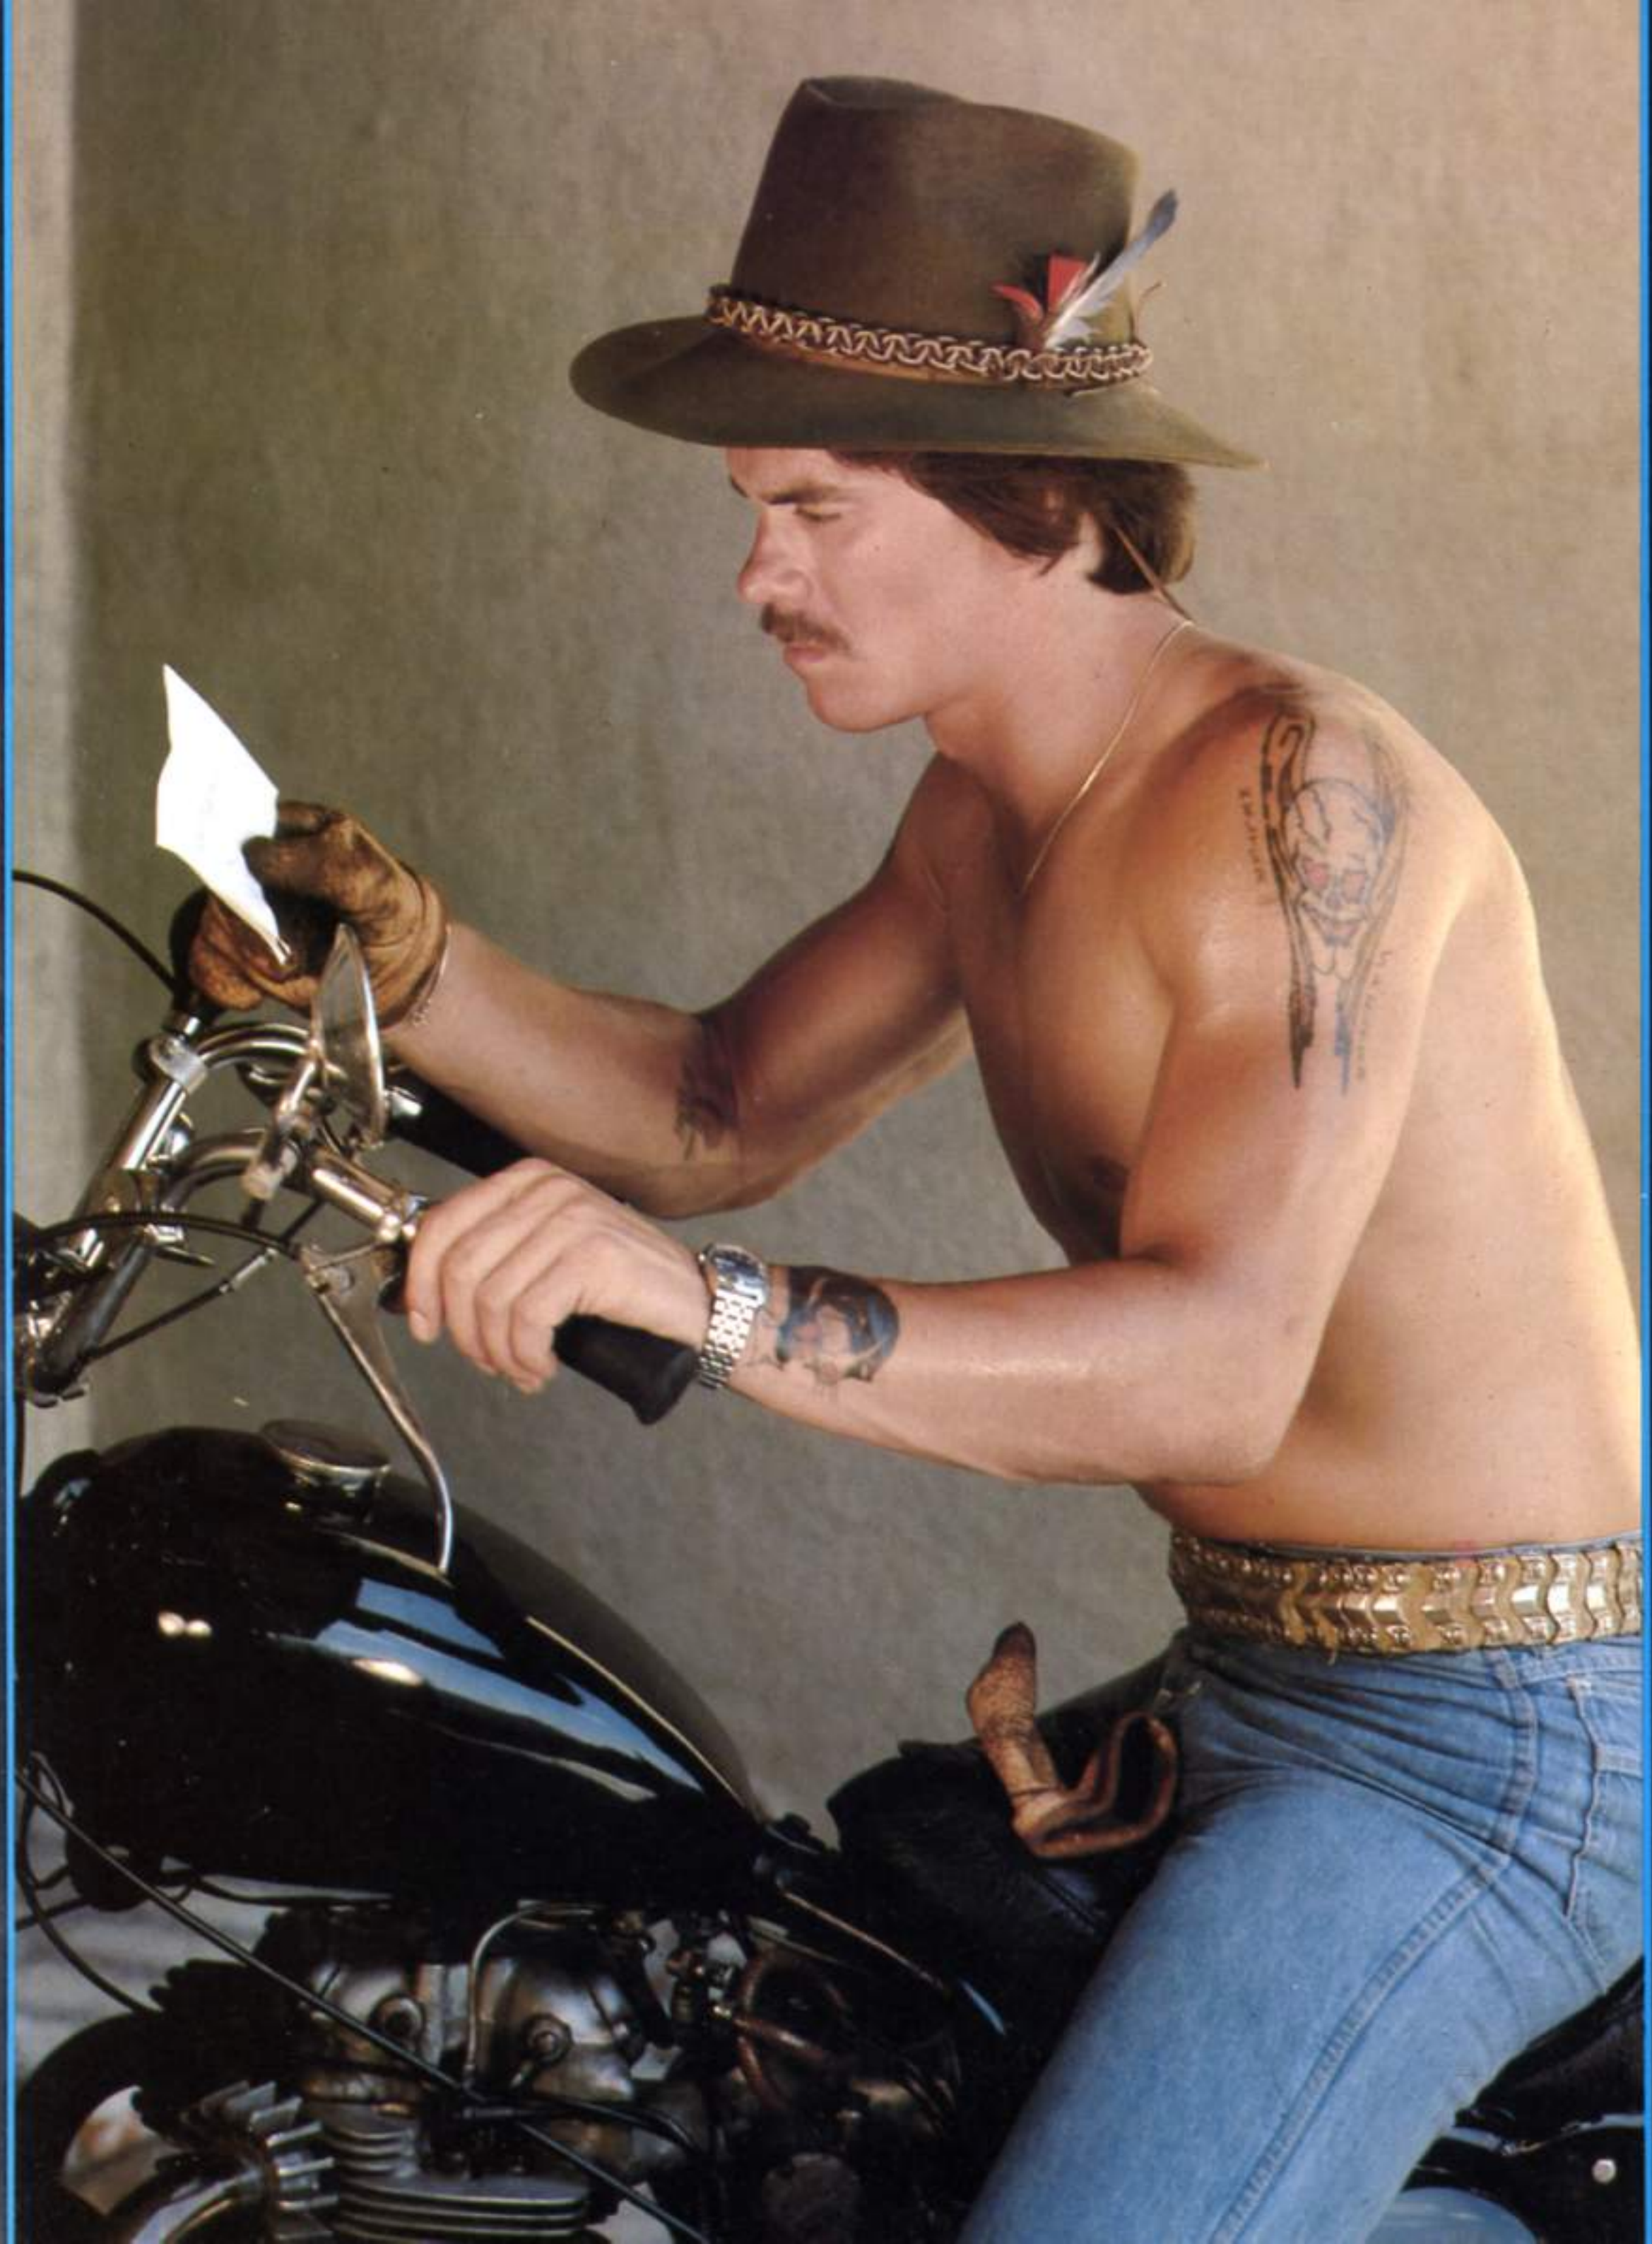
Dusty is a man who likes to use his hands . . . there's talent in those fingers, man! He works his own power tool the best. Does a fine job on himself. Oh, listen to that engine *purrrrr* . . . all greased up and ready to fire! Just put it in gear, step on the gas and fly away to never-never land.

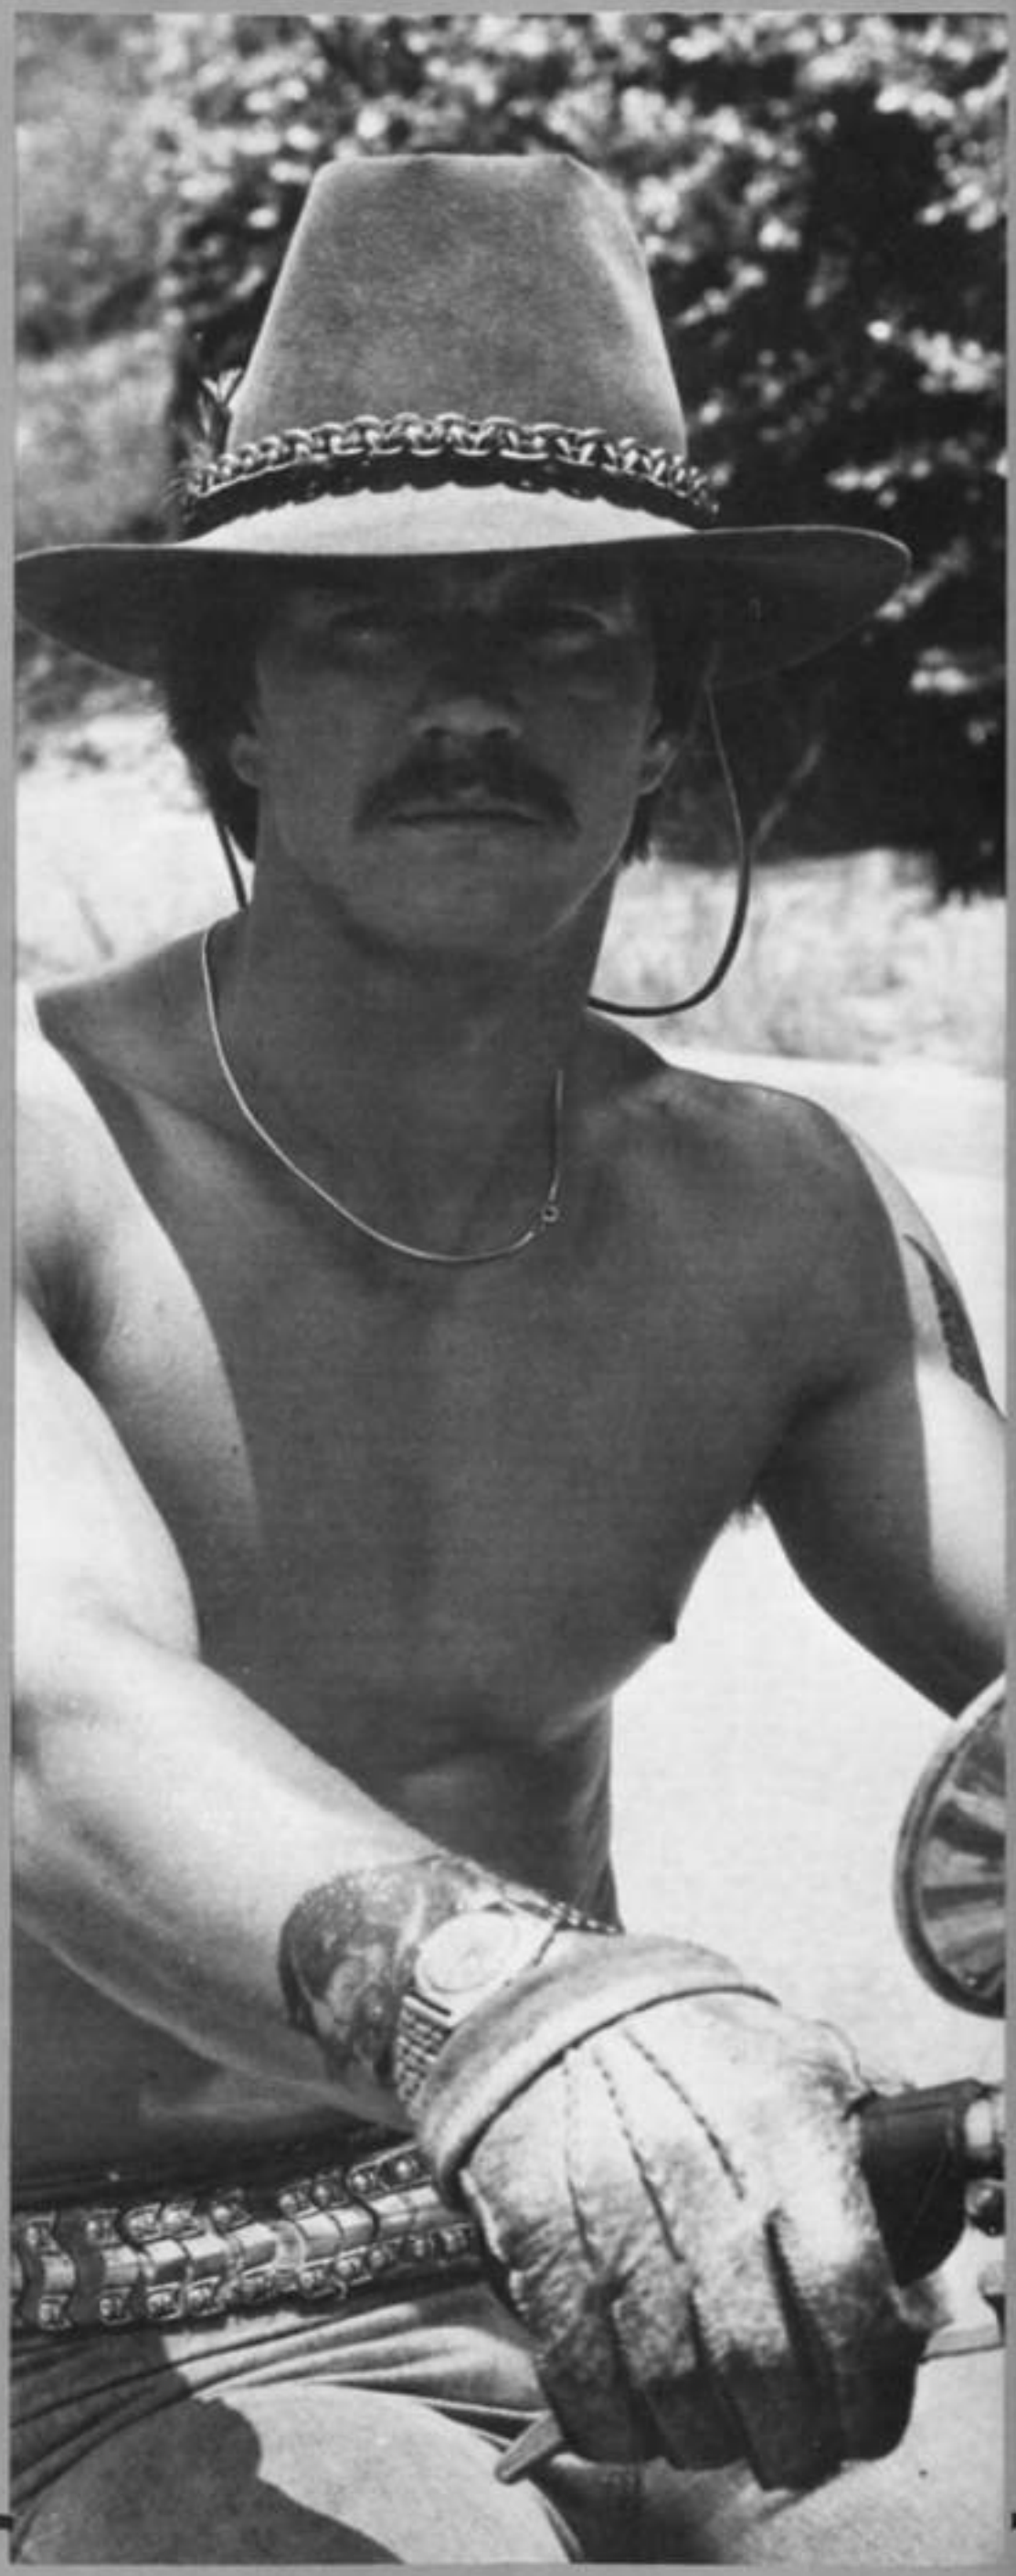
Dusty's passions are strong and pure. He goes after what he wants with energy and determination, and he doesn't take "no" for an answer to any of his desires.



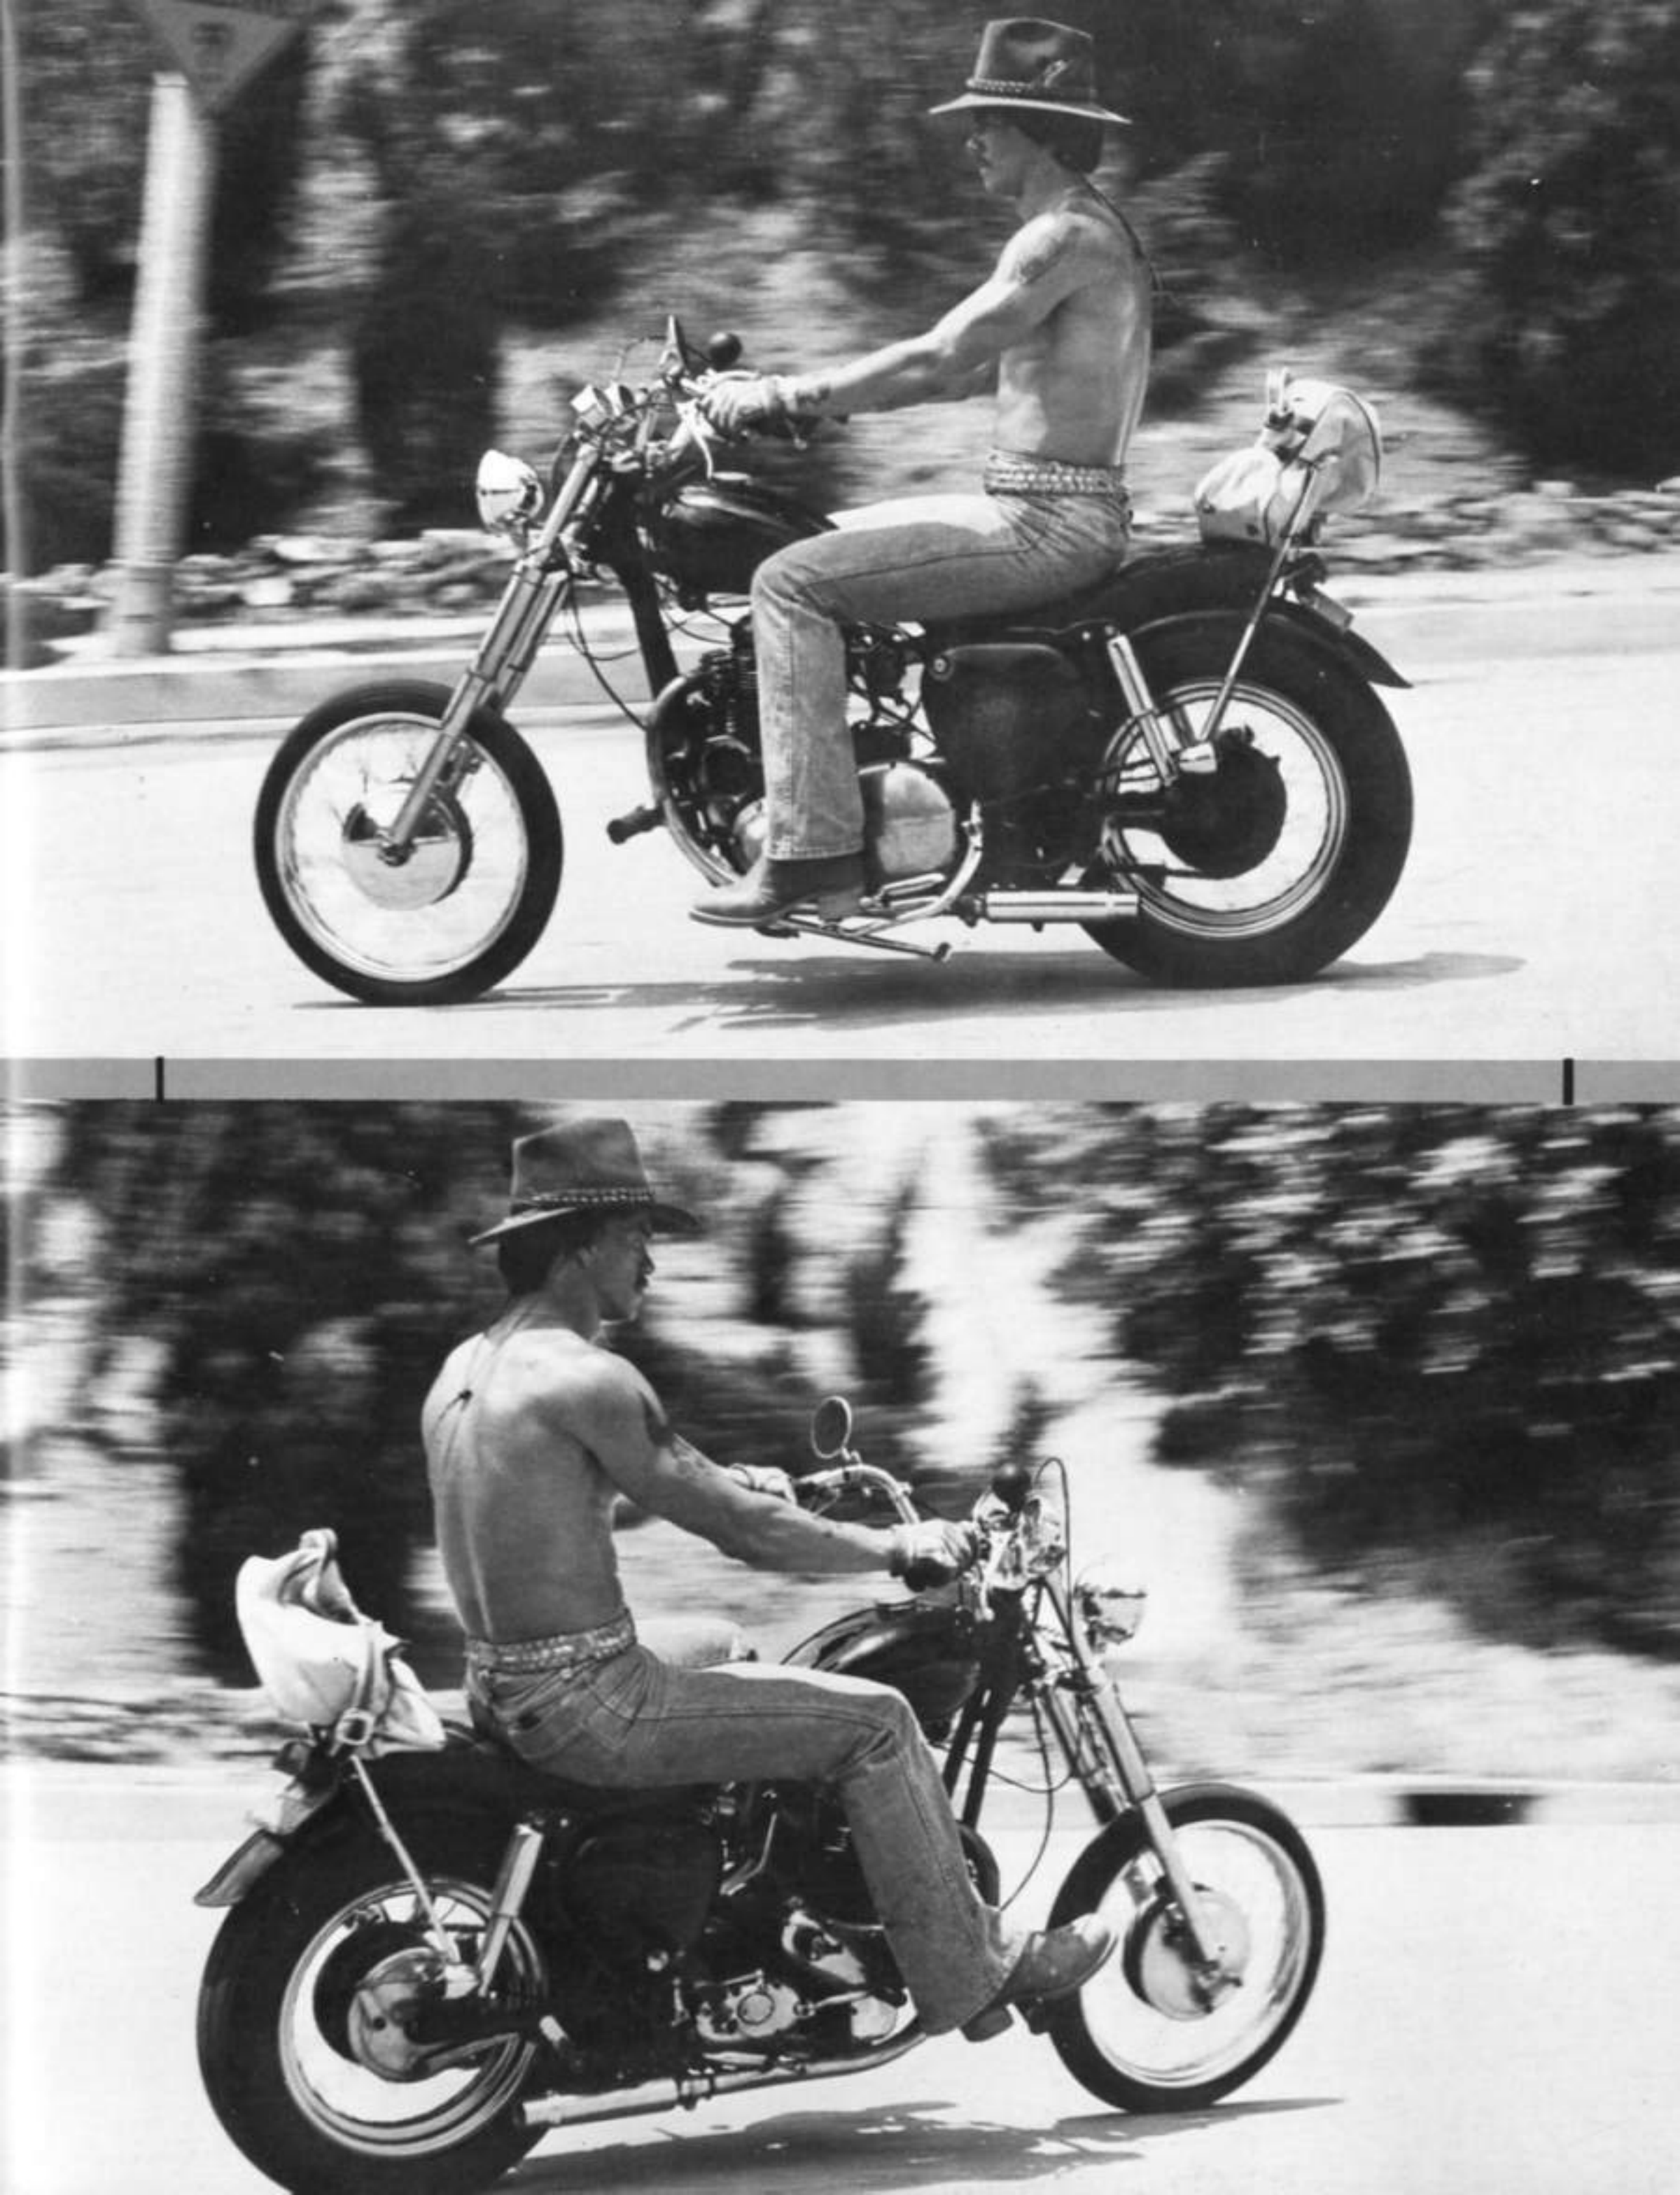
After being cooped up for two years in the Navy, Dusty has a lot of living to catch up on. Not a moment to lose. Take it all, take it now, that's the motto he lives by.



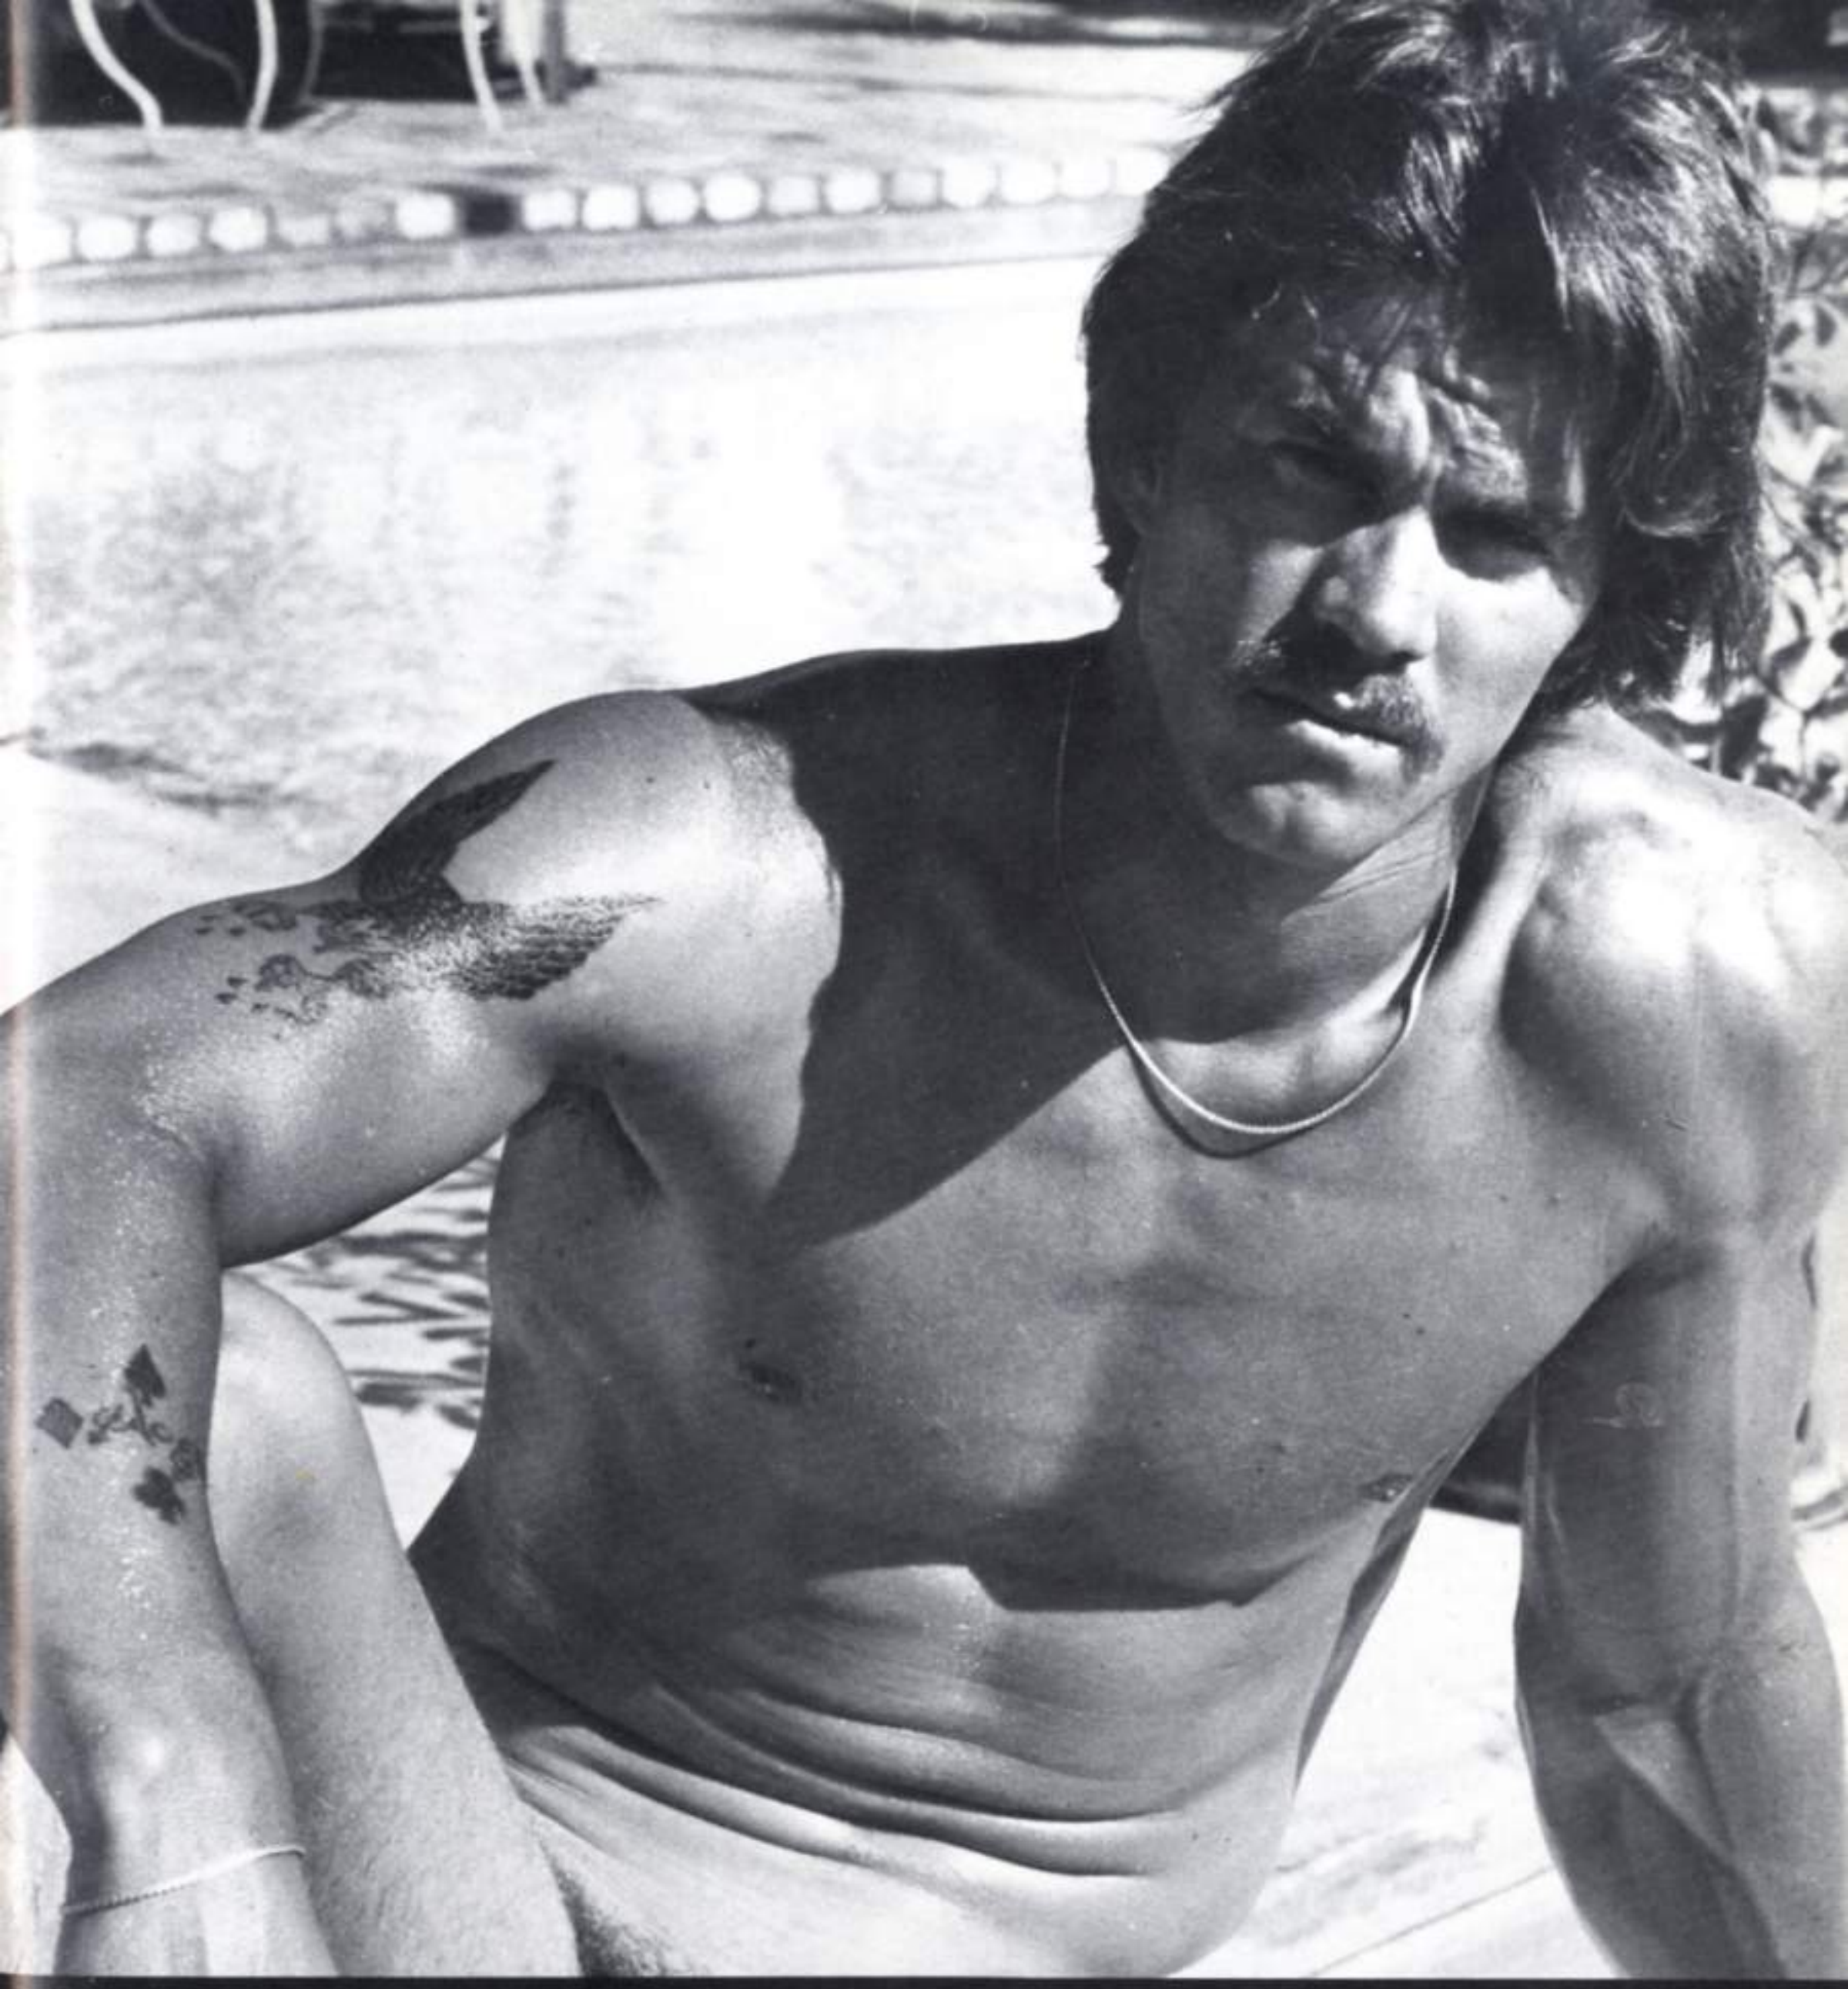




And so it's the power and speed of a motorcycle he craves, his legs wrapped around the hot pipes and the wind at his back.



BROWN BABY



His body is a work of art, brown and lean, his skin slick and smooth, his muscles strong and sinewy. Under that tough and rugged exterior, though, lives a man of tender dreams.

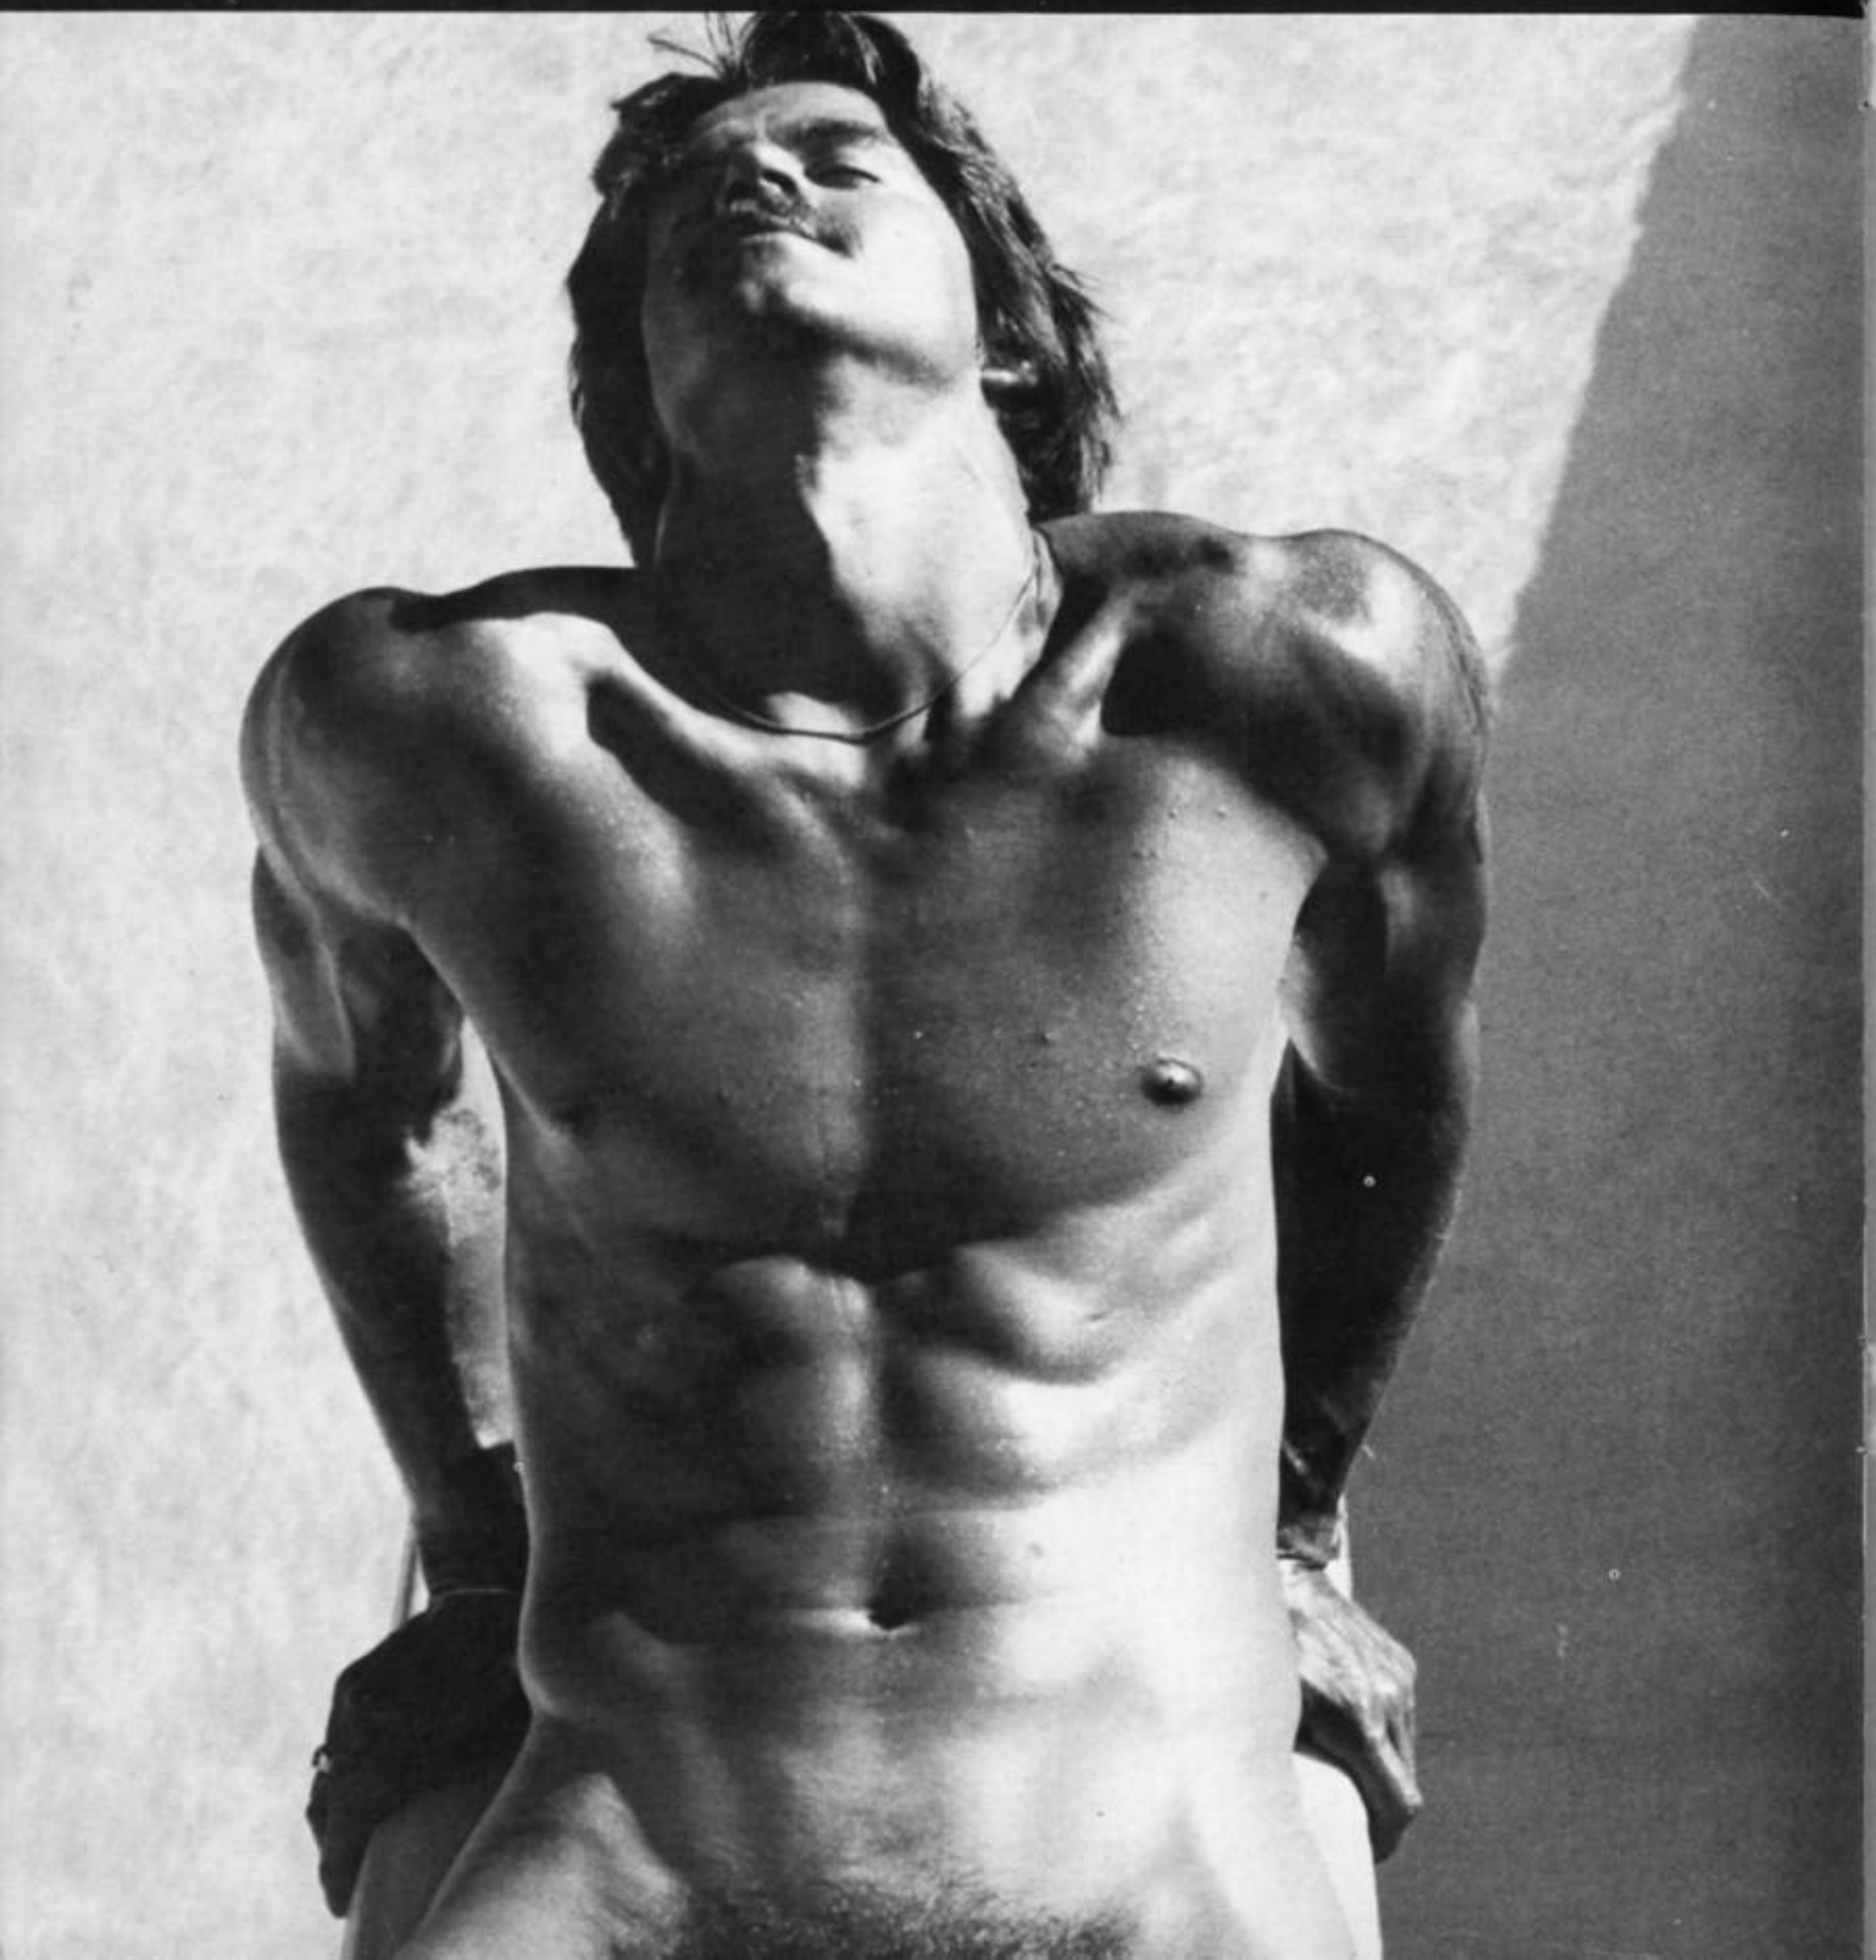
Doug Wilkes

Dusty stretches his body so that the muscles ripple beneath his sun-warmed skin. His flesh is covered by a fine sheen of sweat and his curly pubes glisten enticingly in the noonday heat. Ah, life!

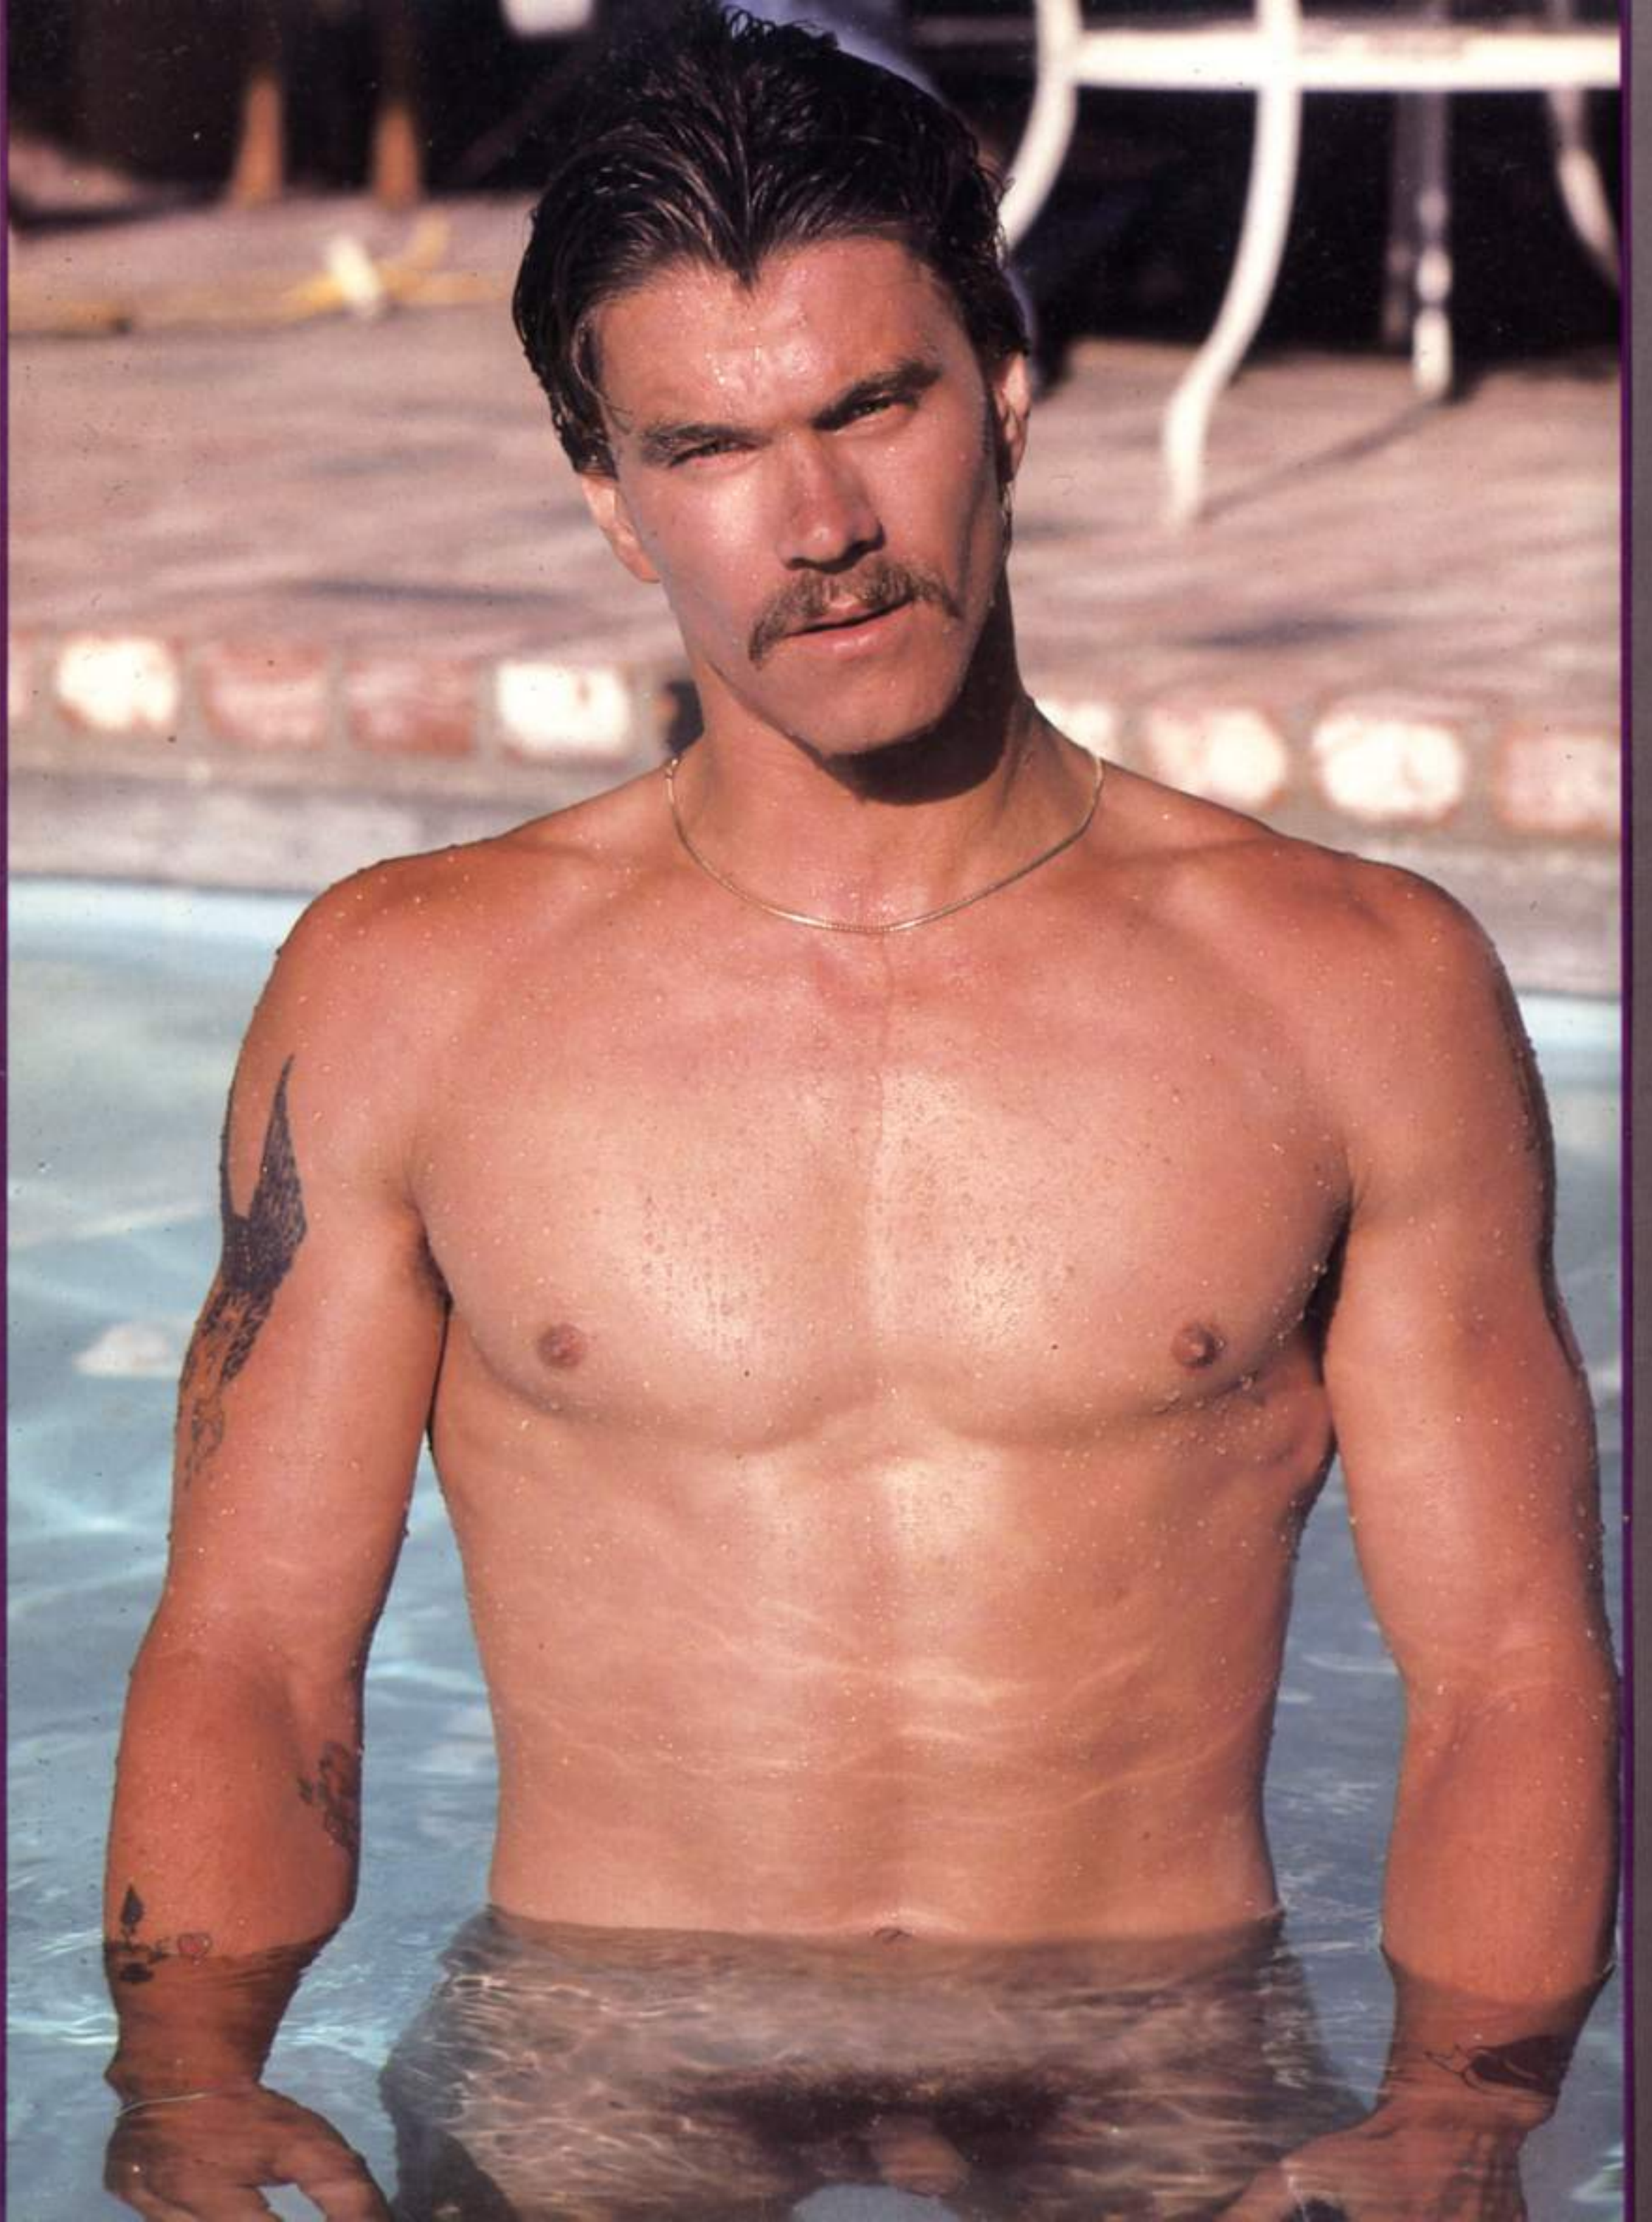
HOTEL CALIFORNIA

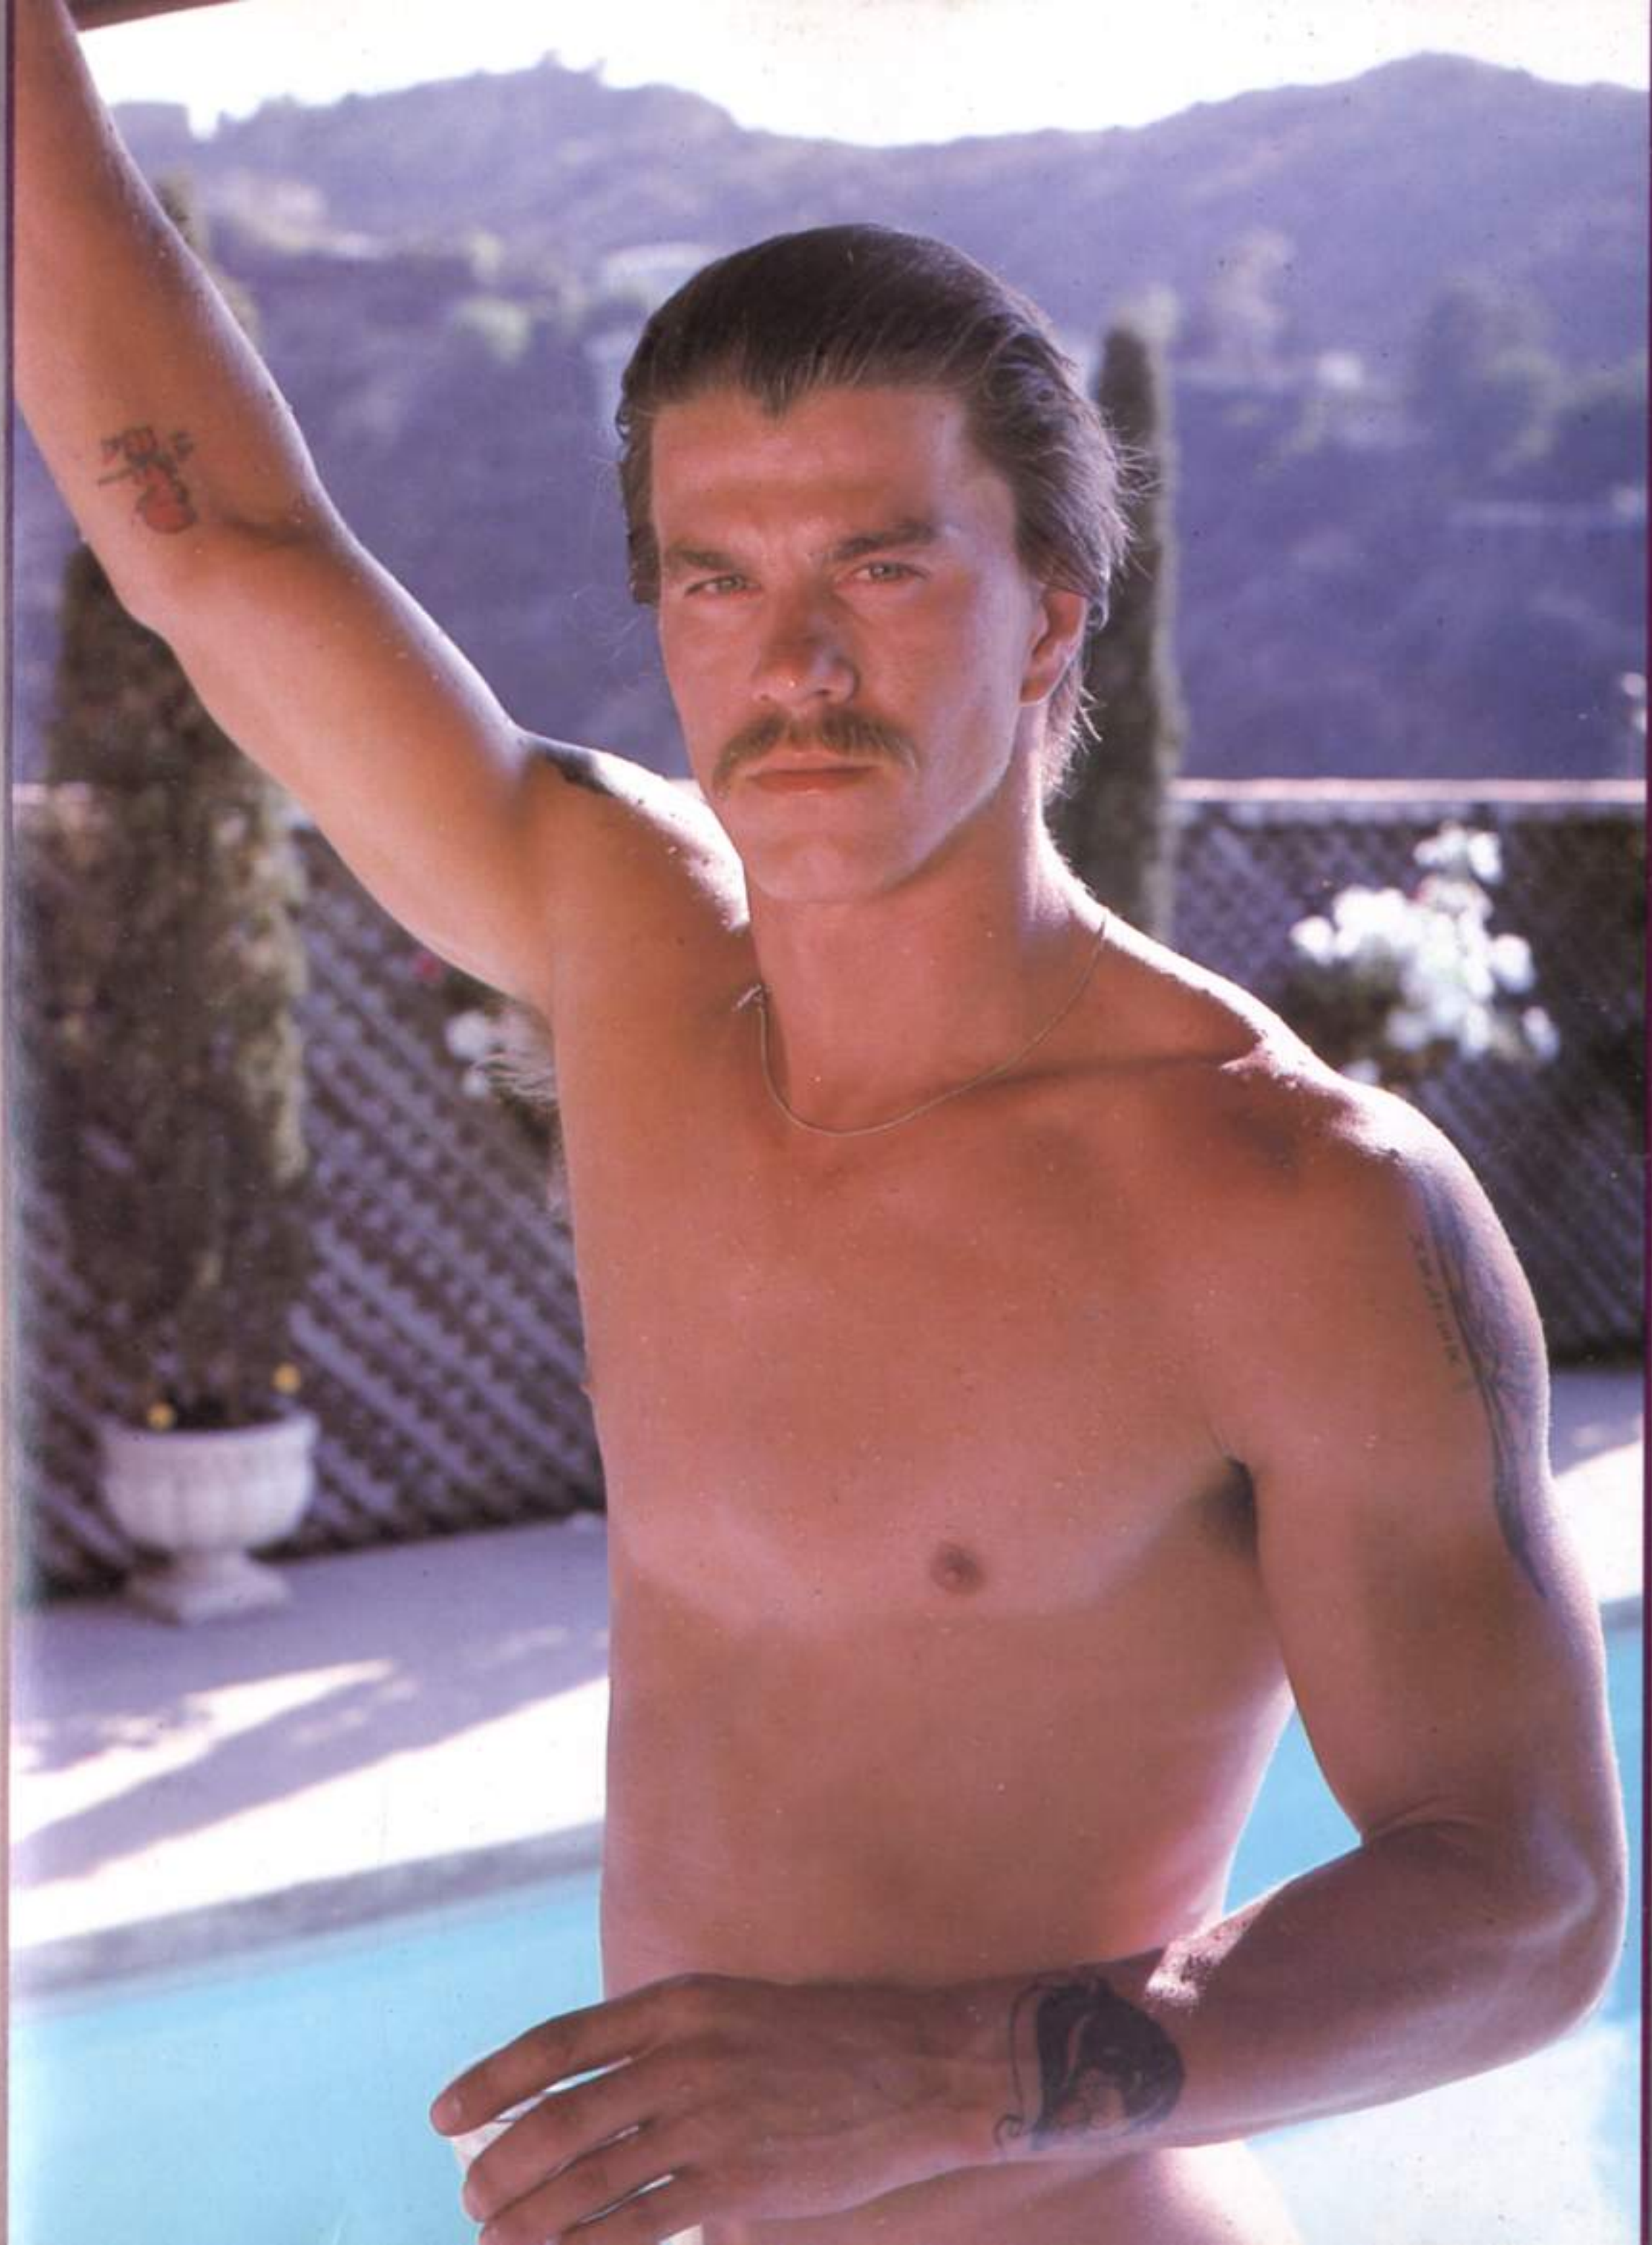
He keeps his body in top condition, ready for anything. He loves to feast on sashumi and salads and raw nuts . . . *all* kinds of raw nuts, to satisfy *all* his lusty appetites.



COOL PLUNGE

Yaba-daba-doo! Dusty flies through the air with the greatest of ease before whompering into cool, clean water.

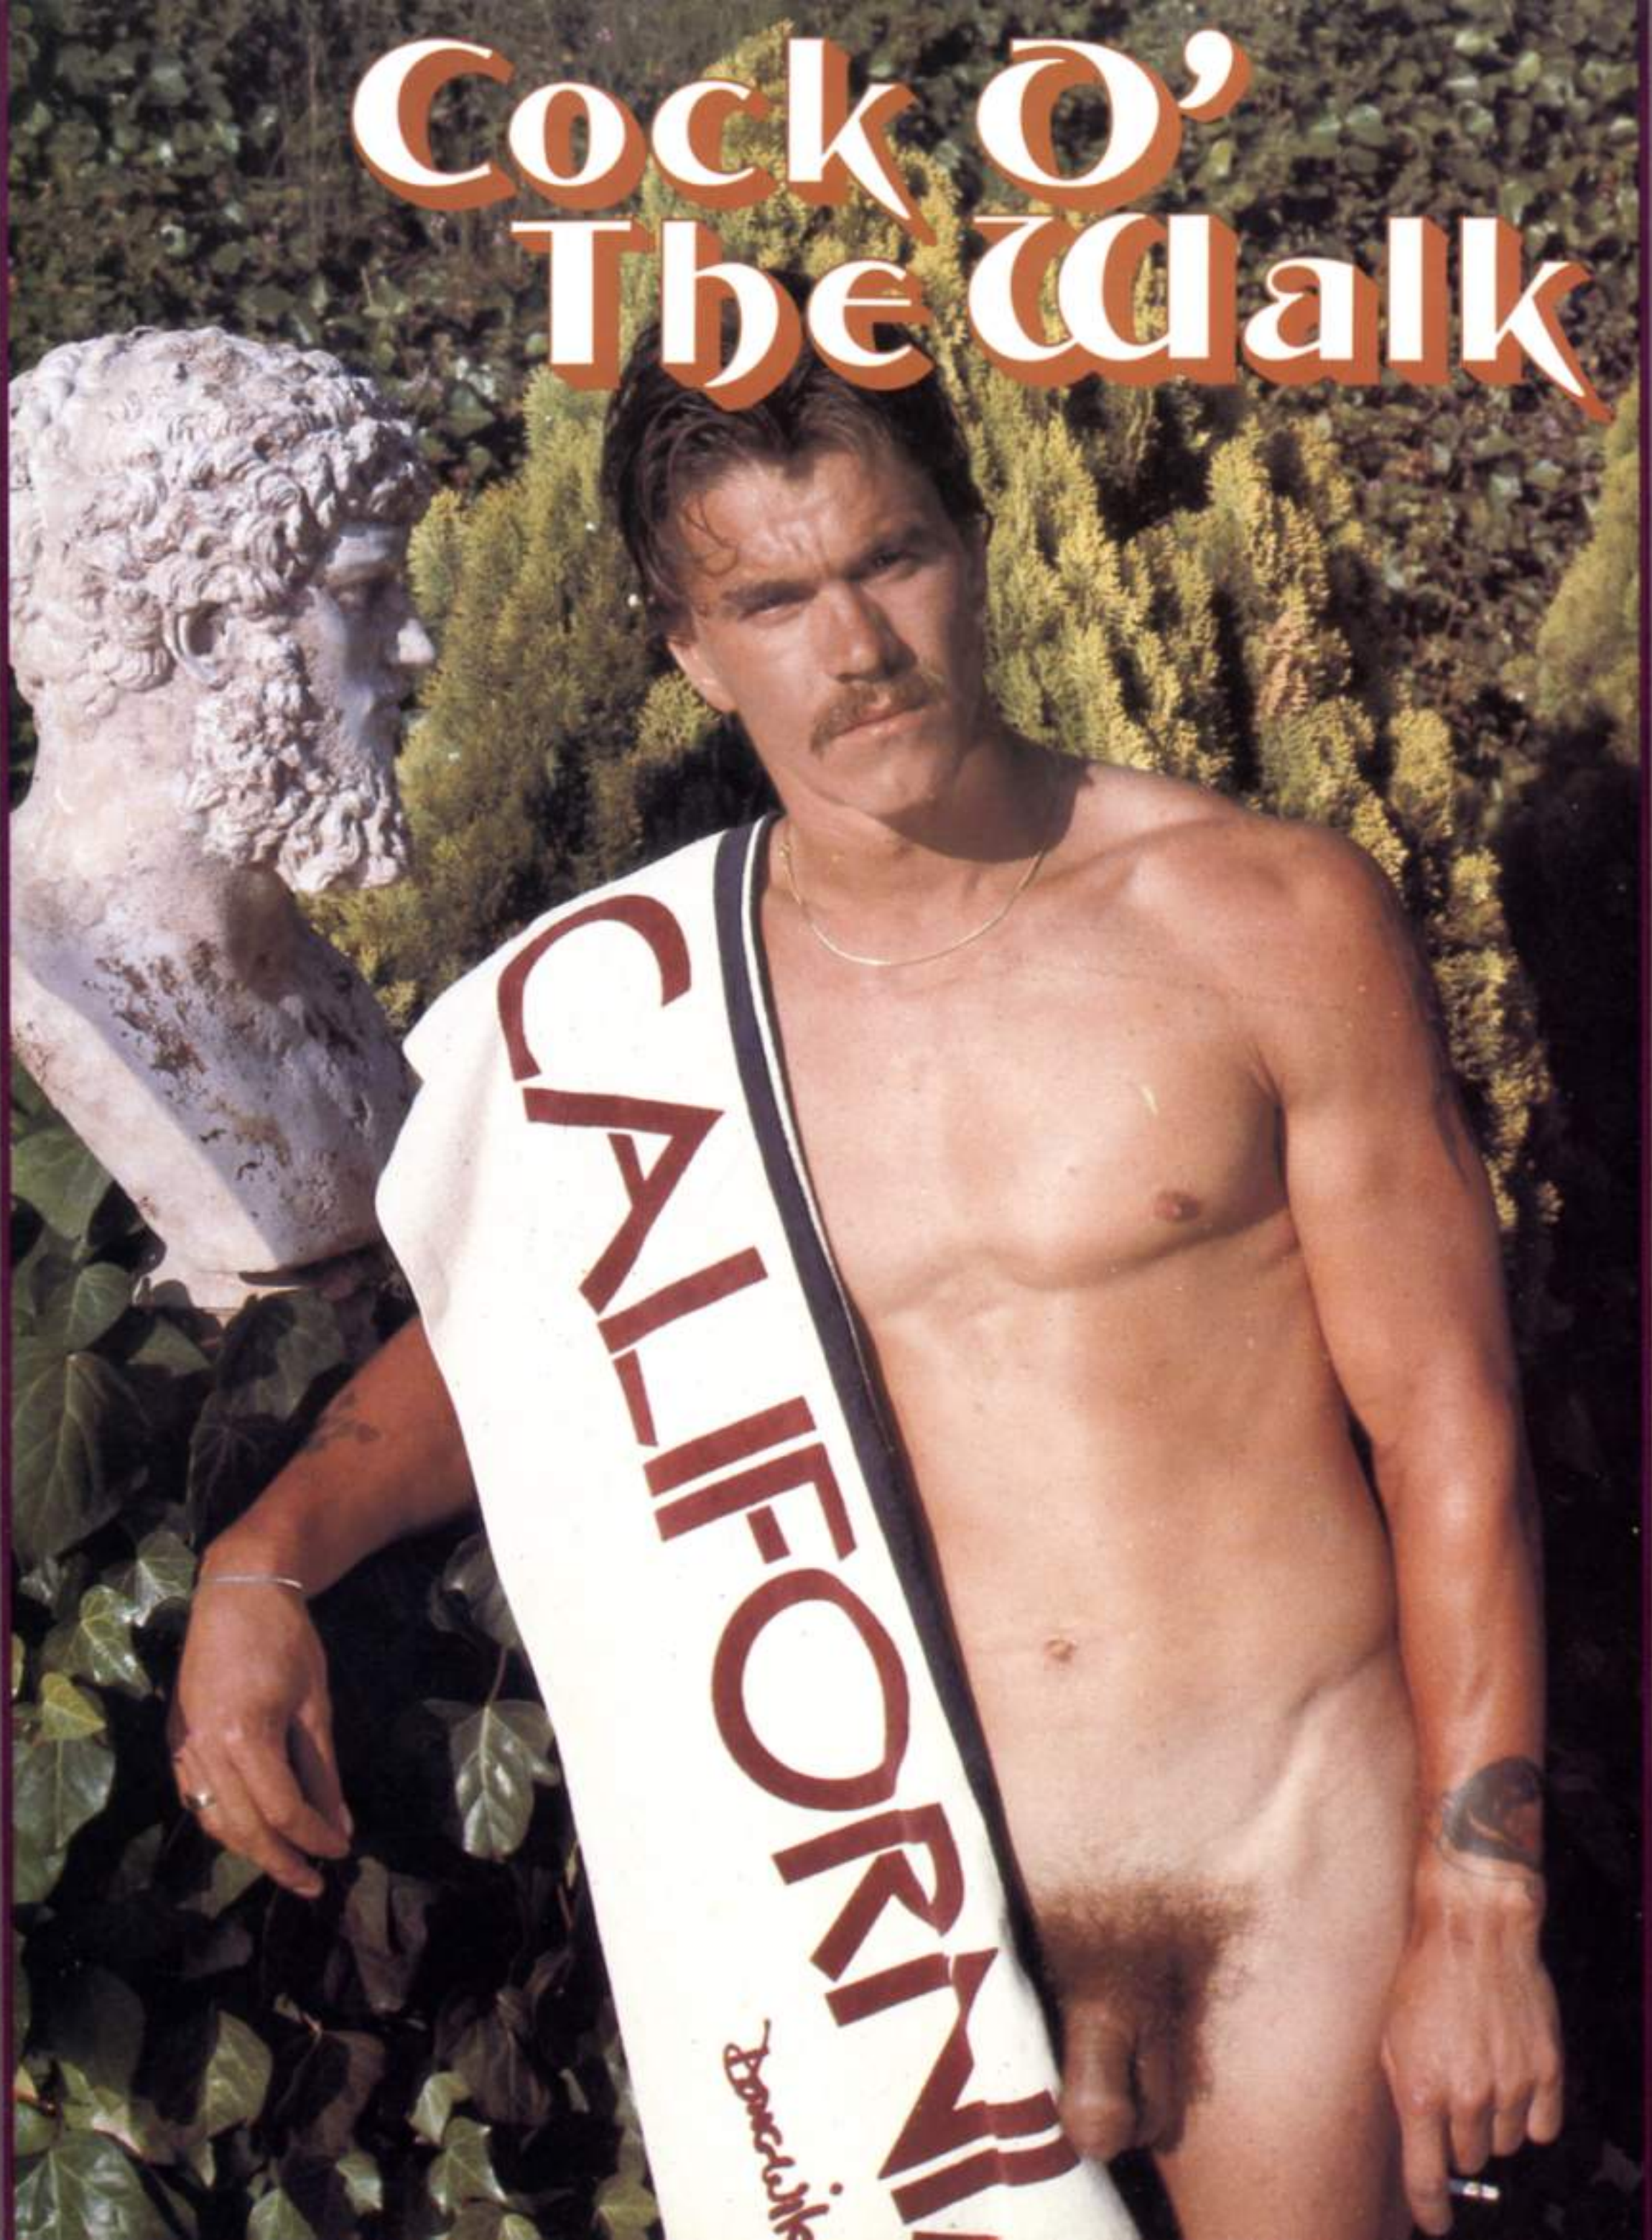




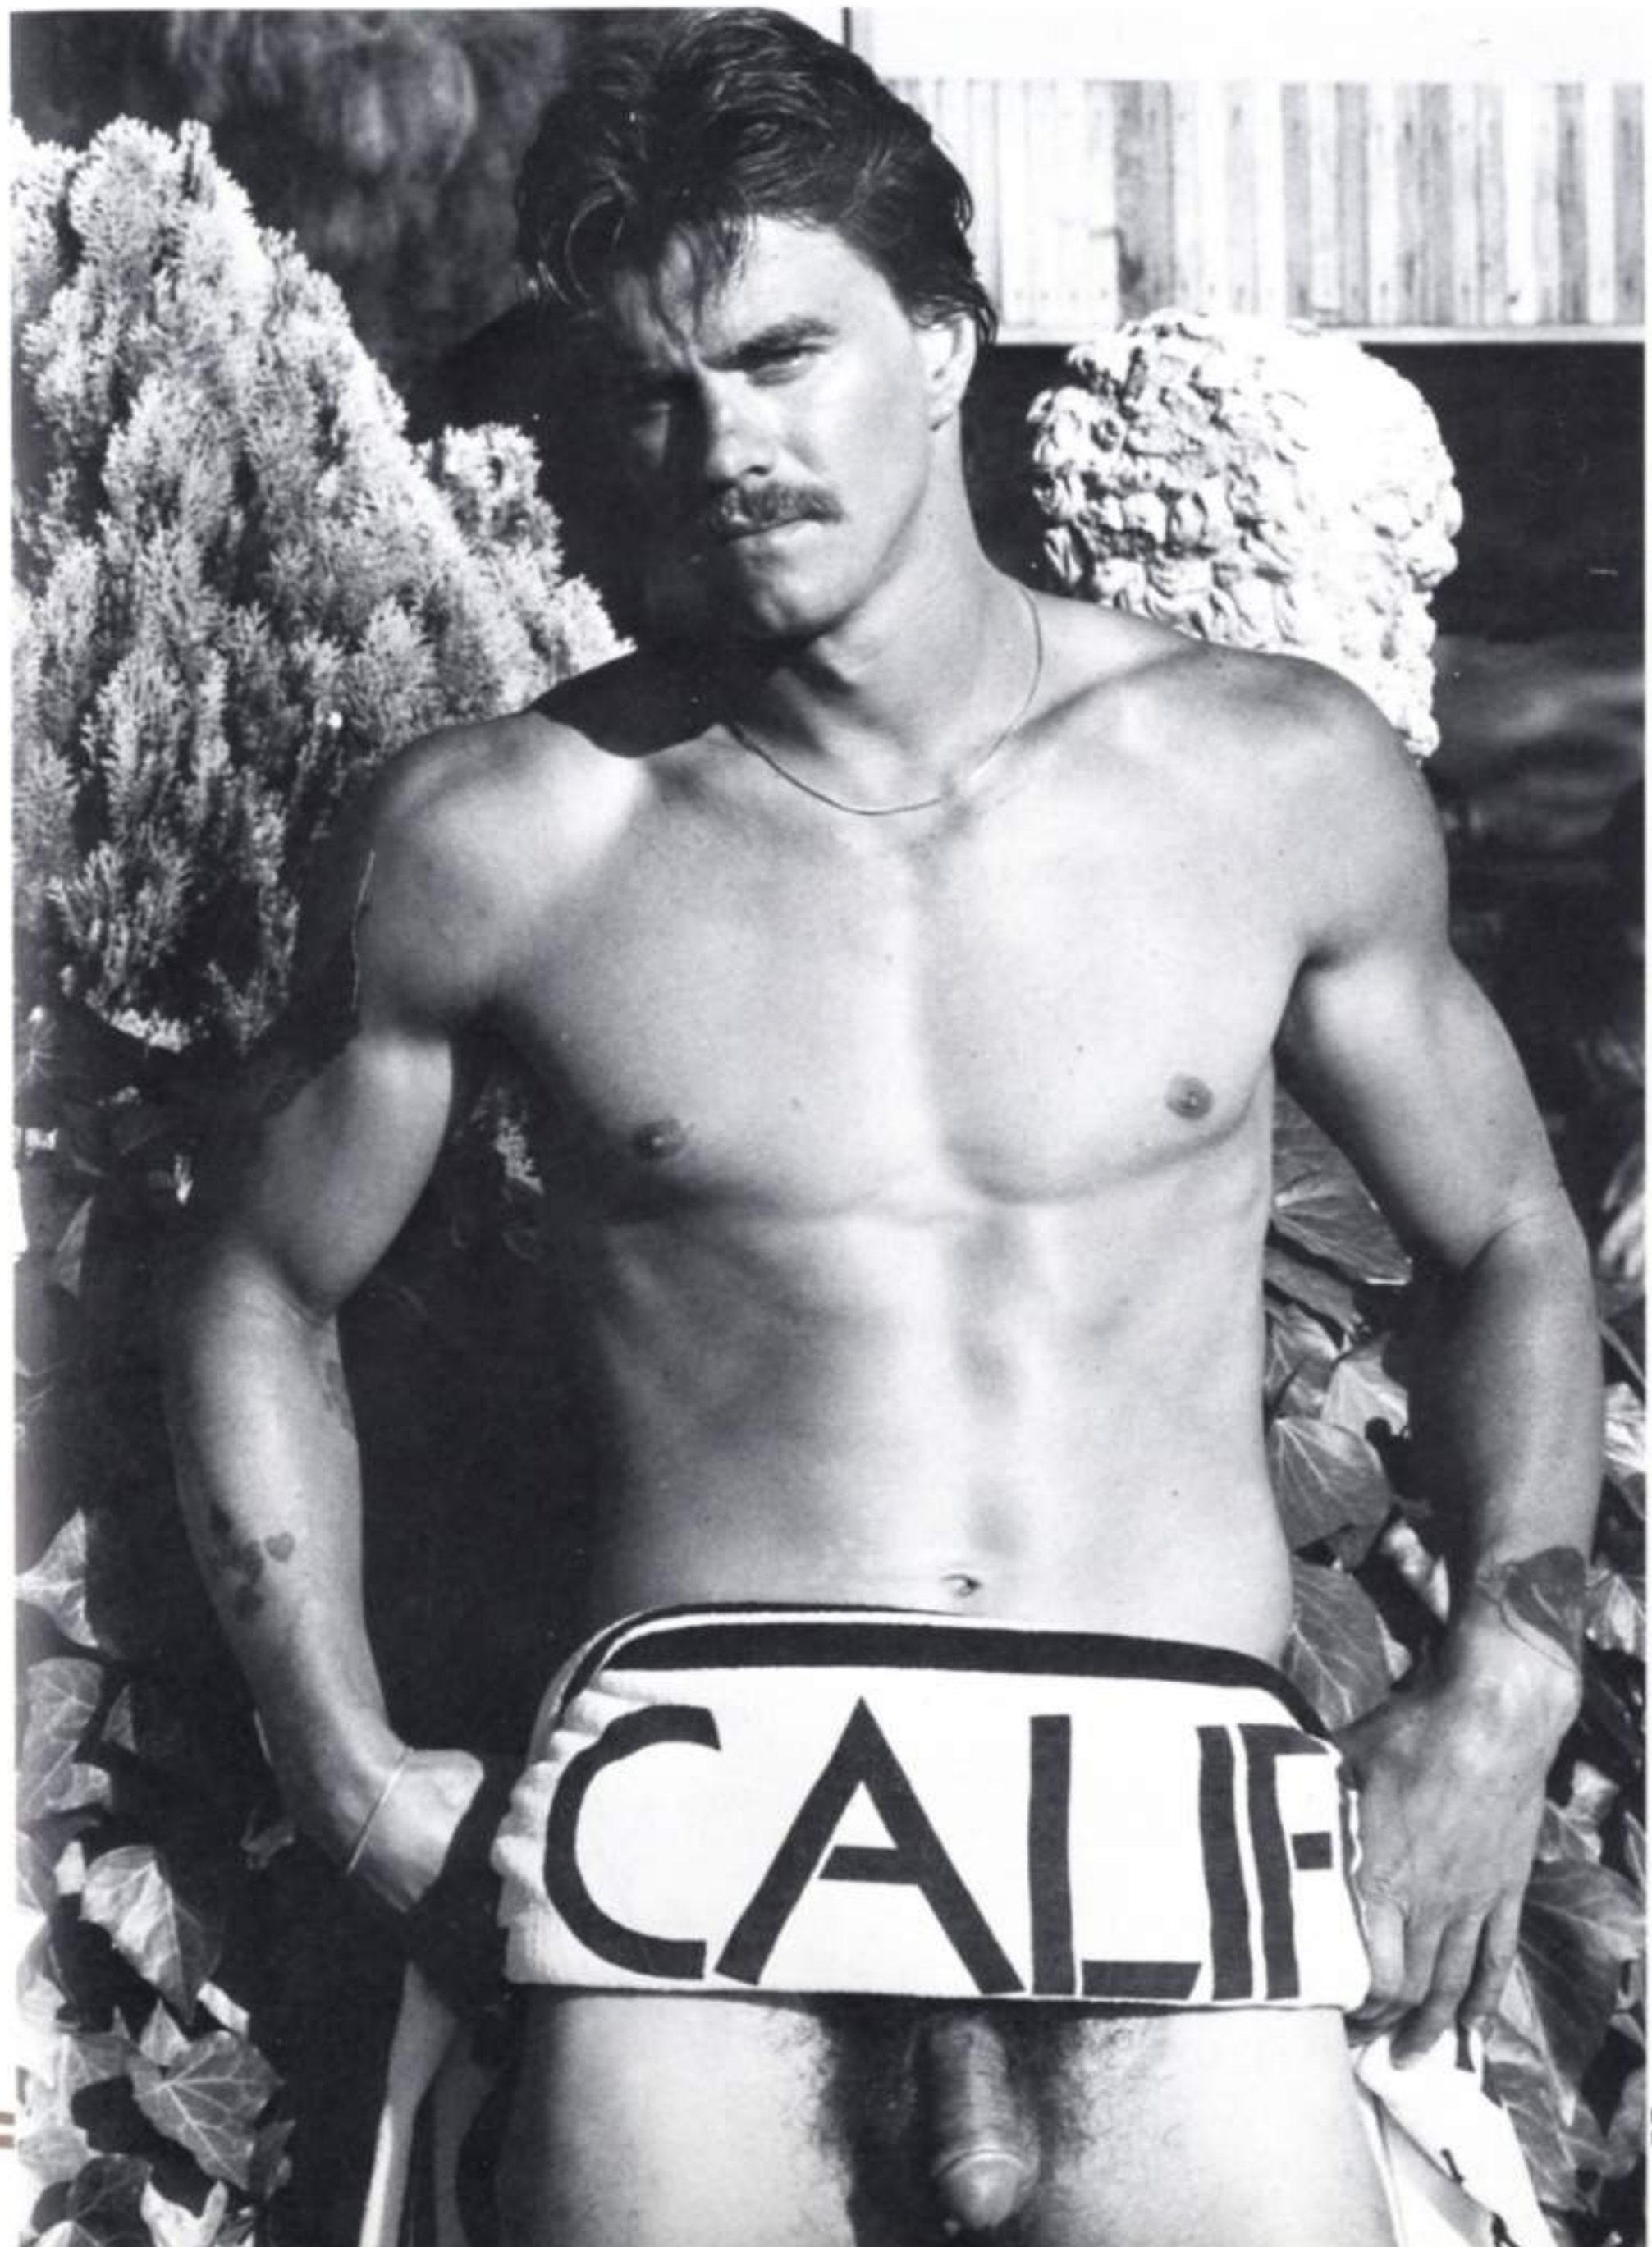
He clowns around, but his dive is perfect and he enters the pool with hardly a splash.

Dusty swims fifty laps, and he's not even breathing heavily when he's done. He loves the feeling of gliding freely through the water with faultless liquid motion.

Cock O' The Walk



Dusty makes his home at the California Hotel, which caters to nudists. Nobody gives a second thought to his nakedness, though his body is much admired.

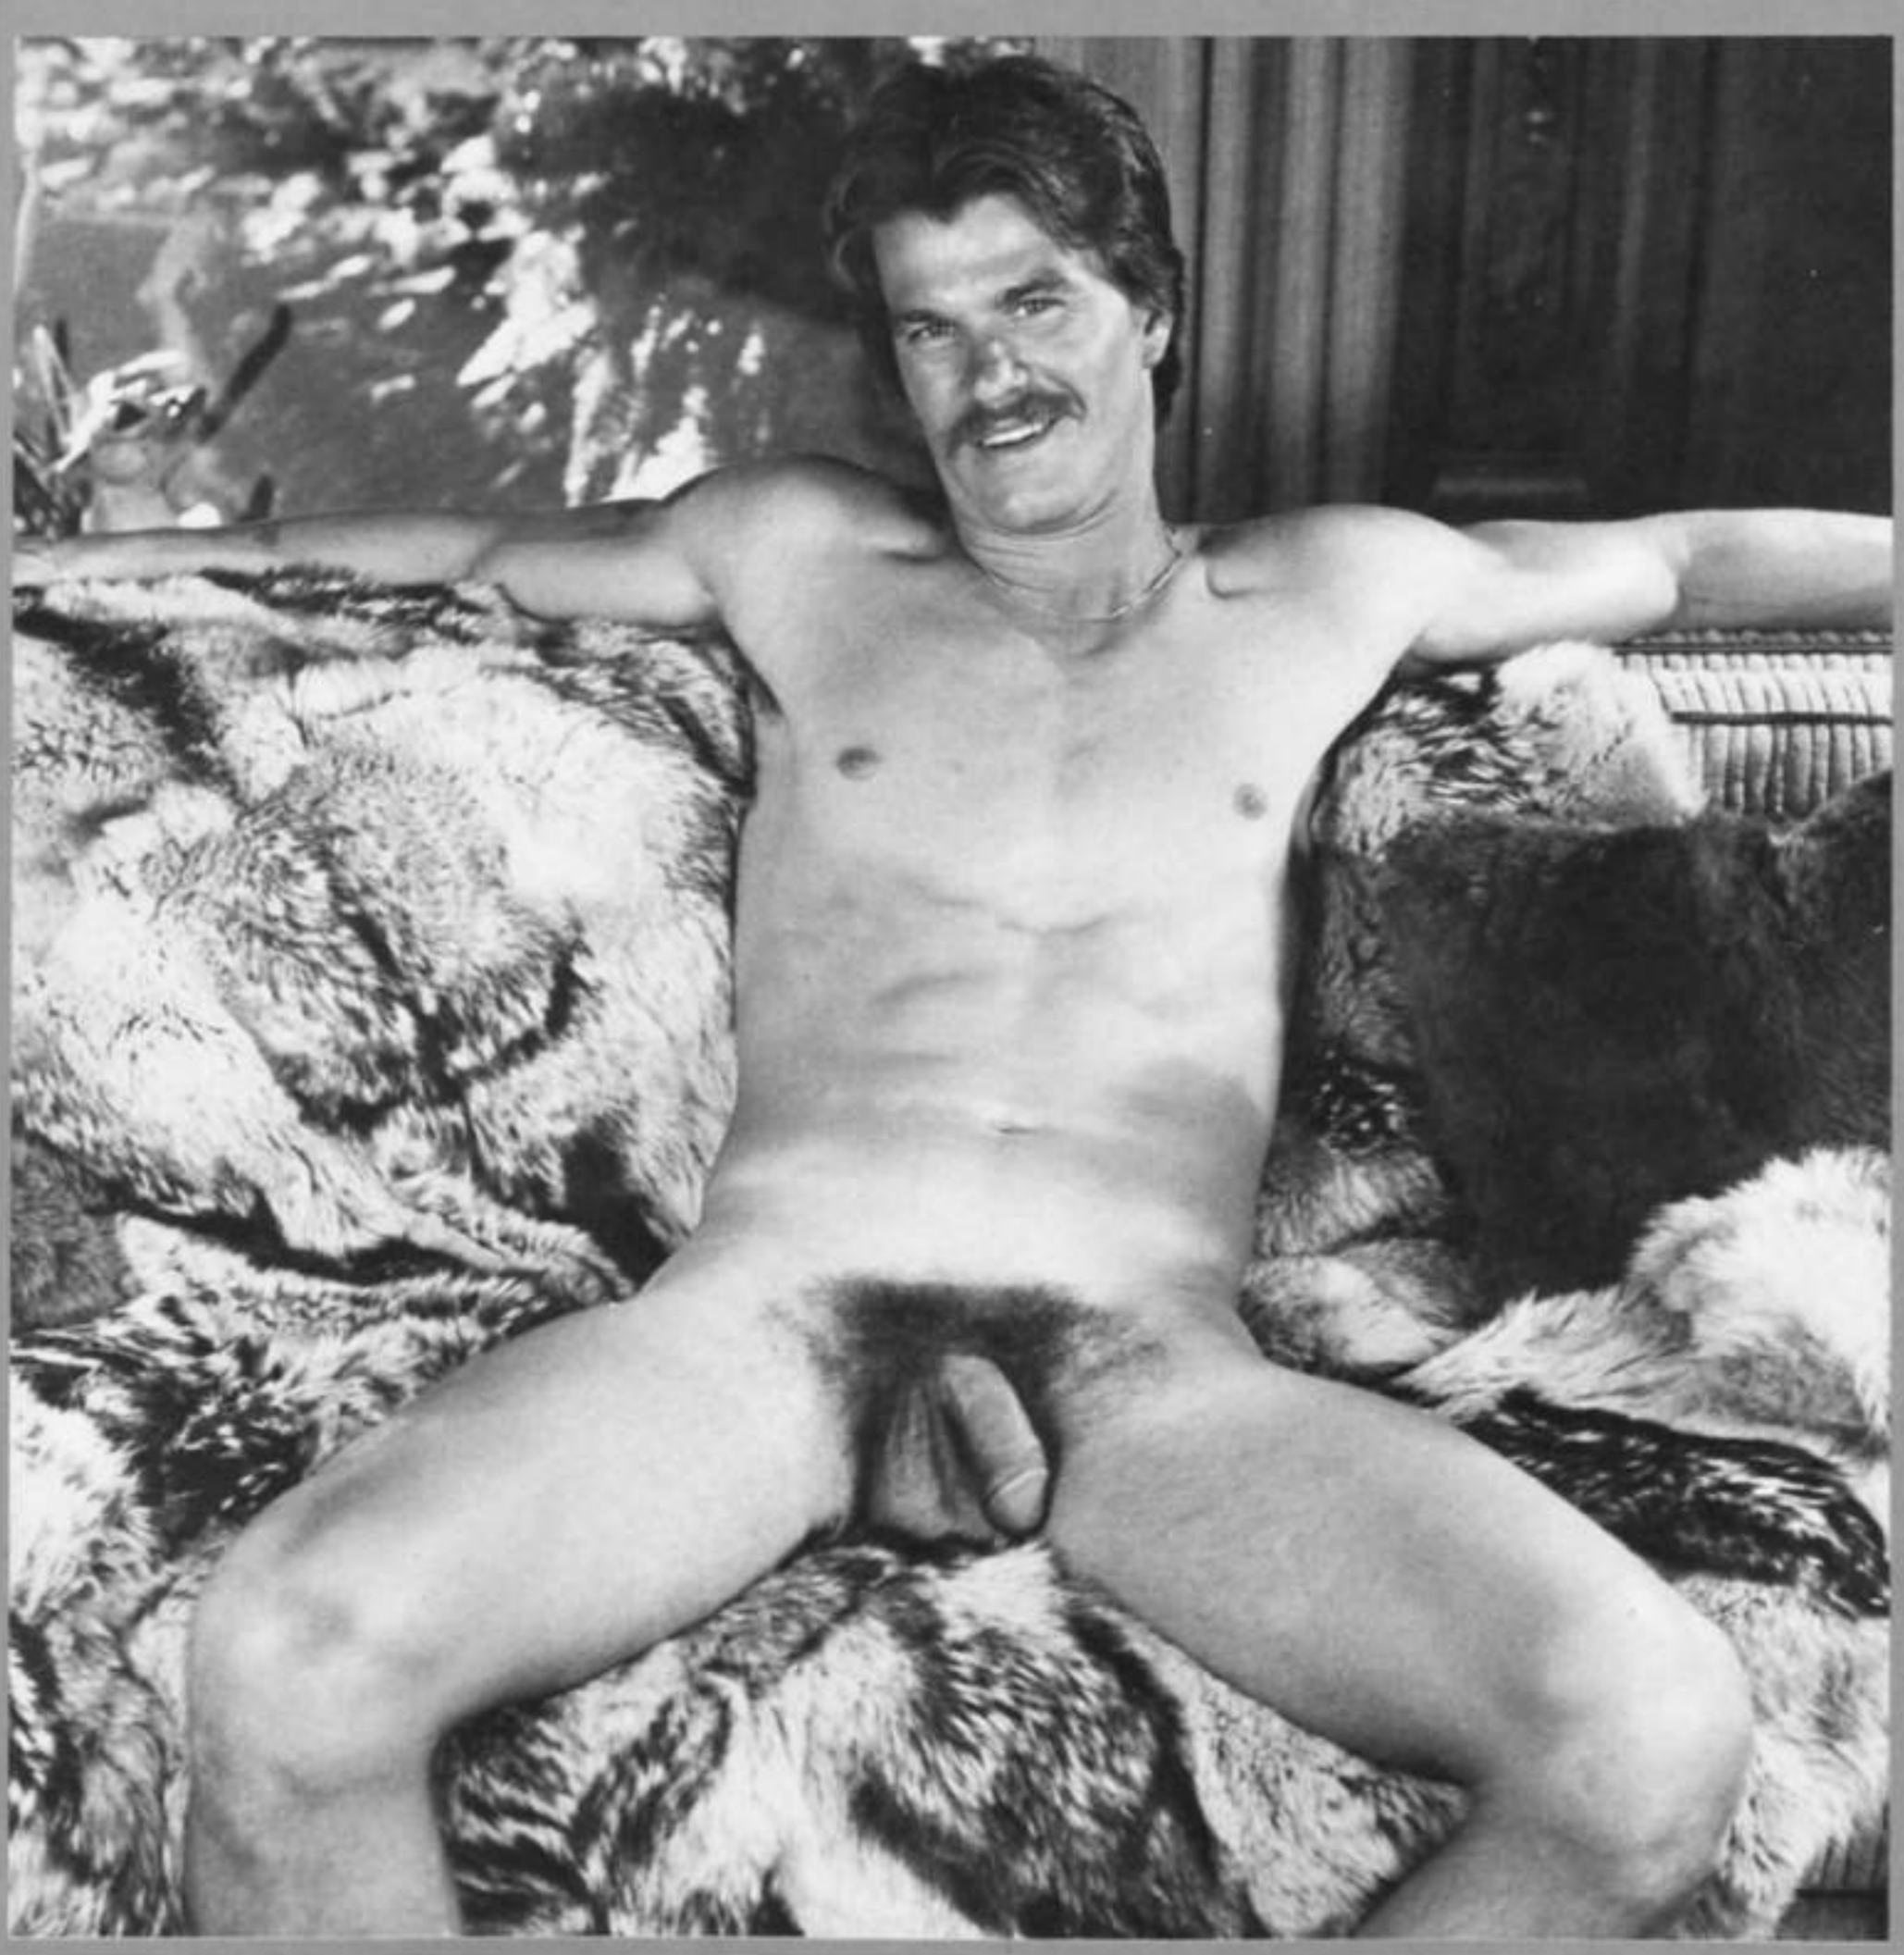


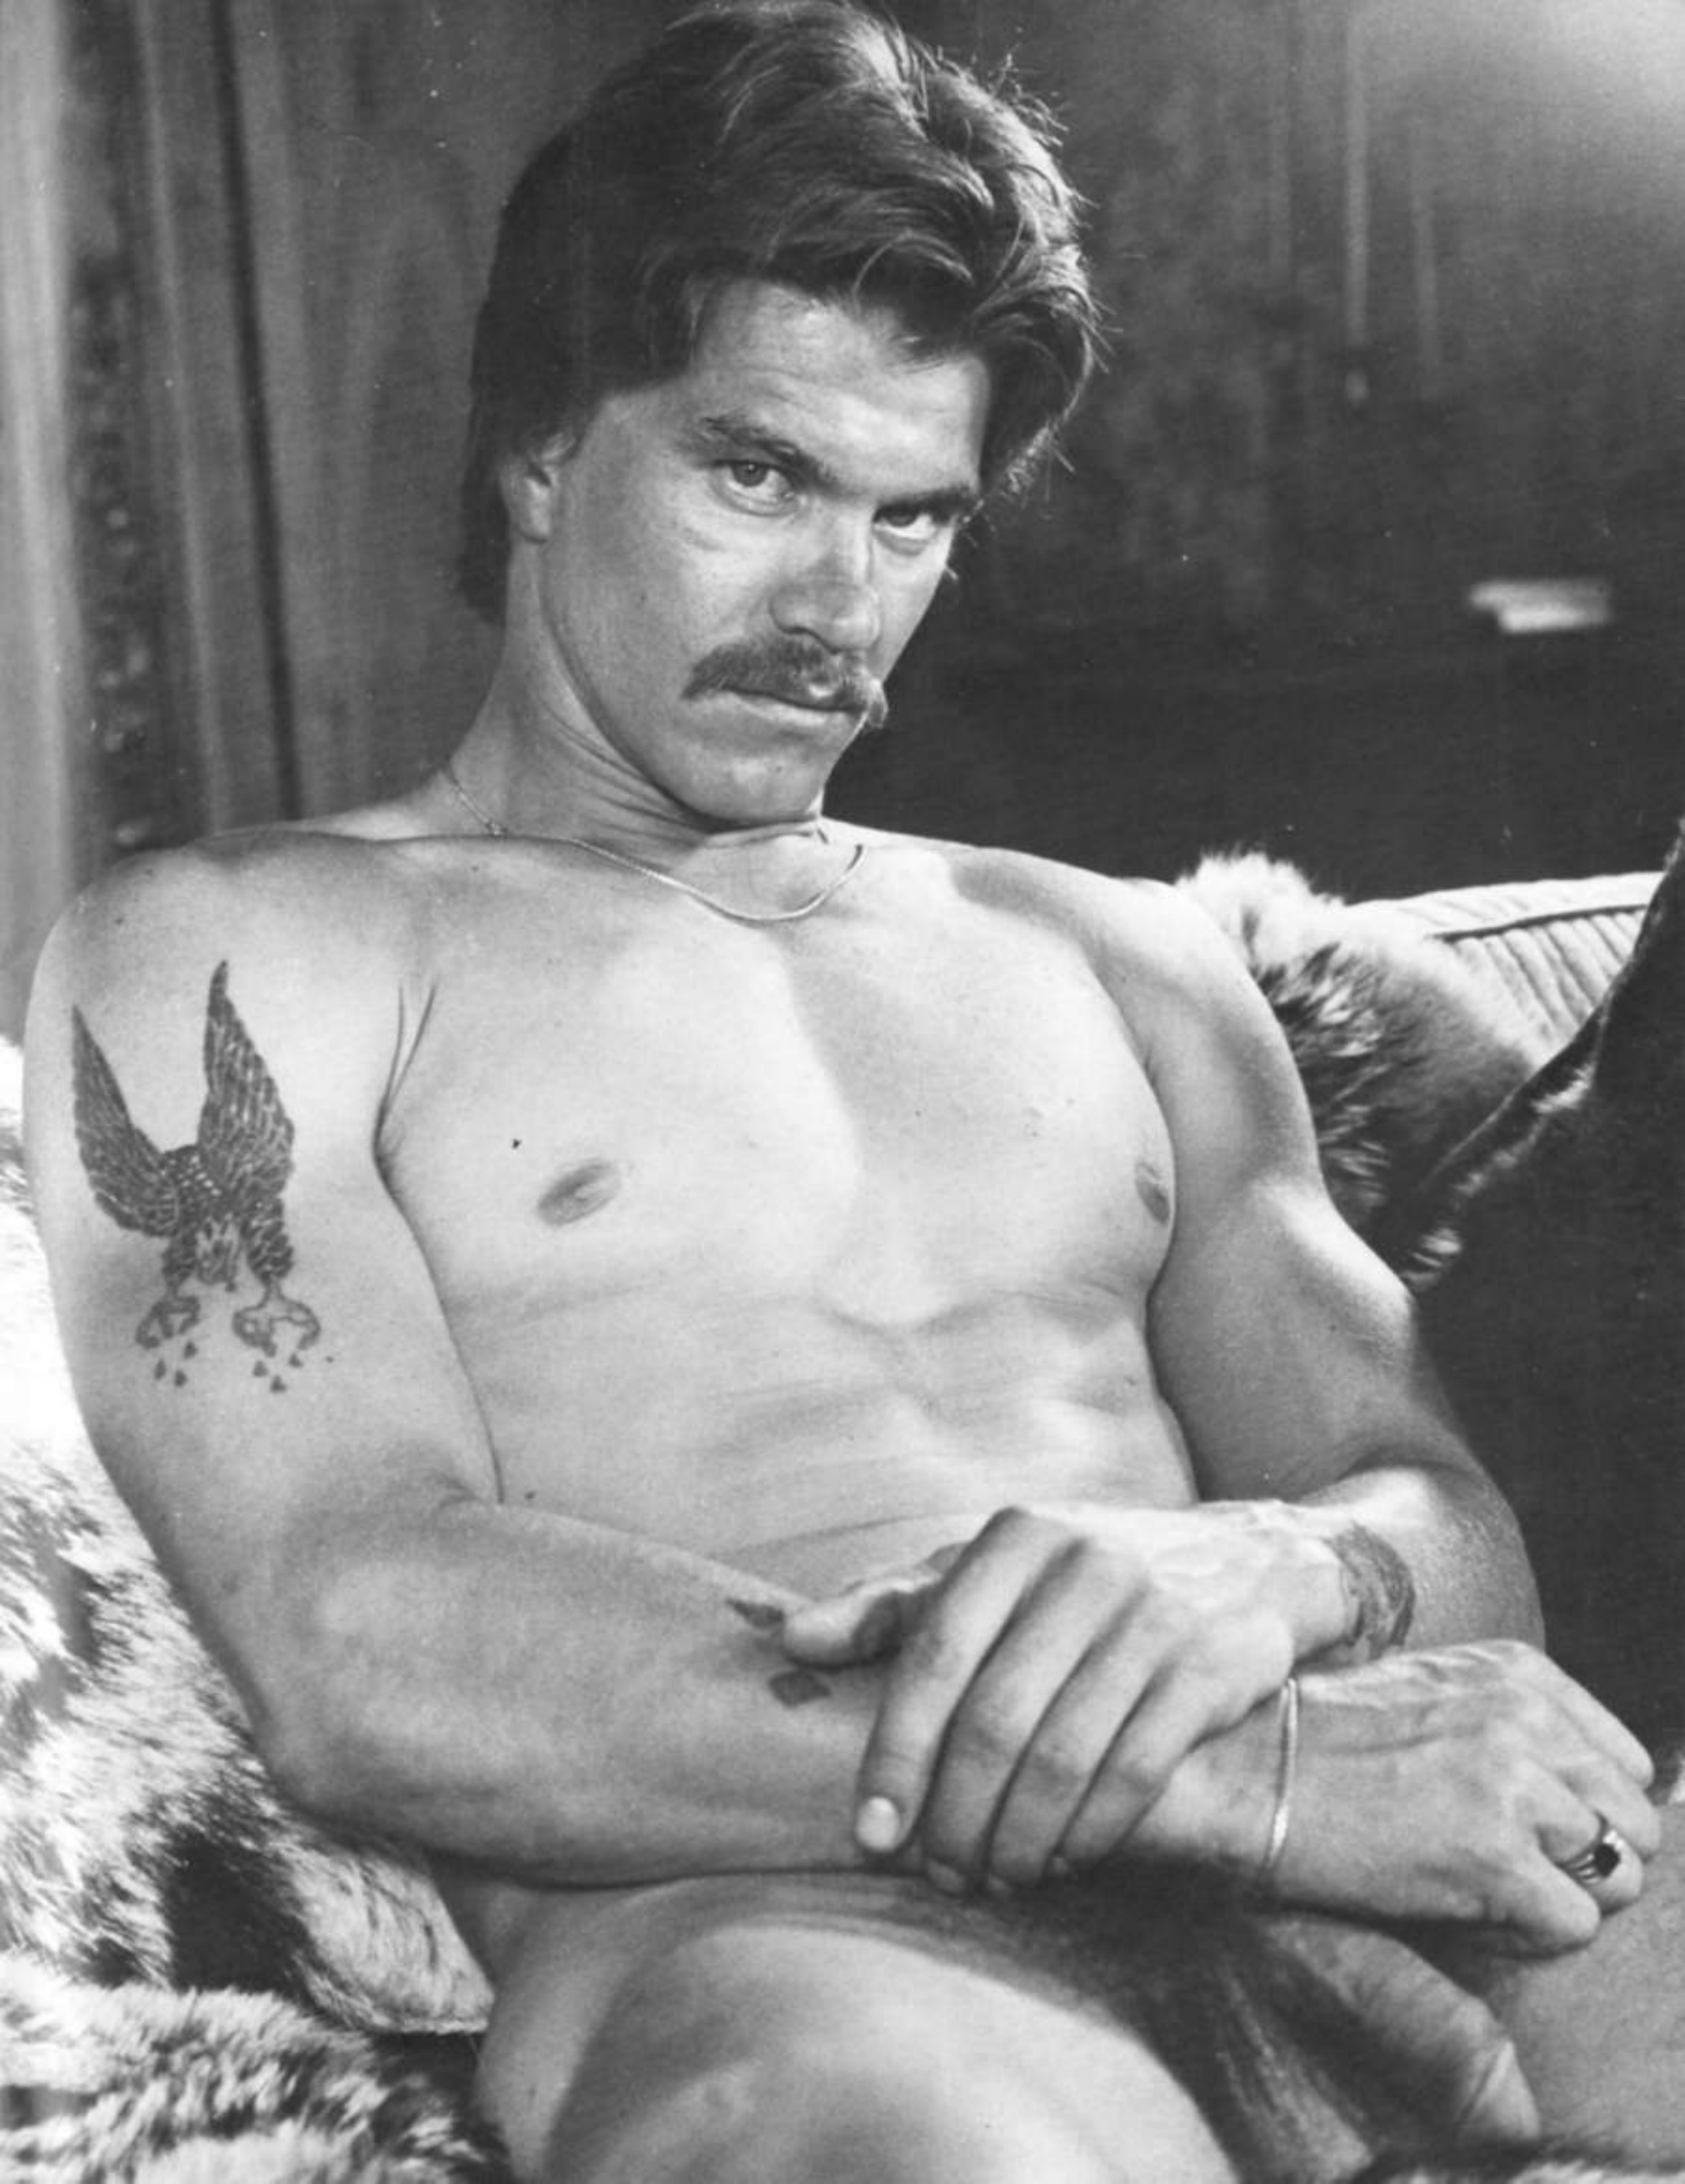
His hair — head, lip and crotch — dries quickly in the hot sun.

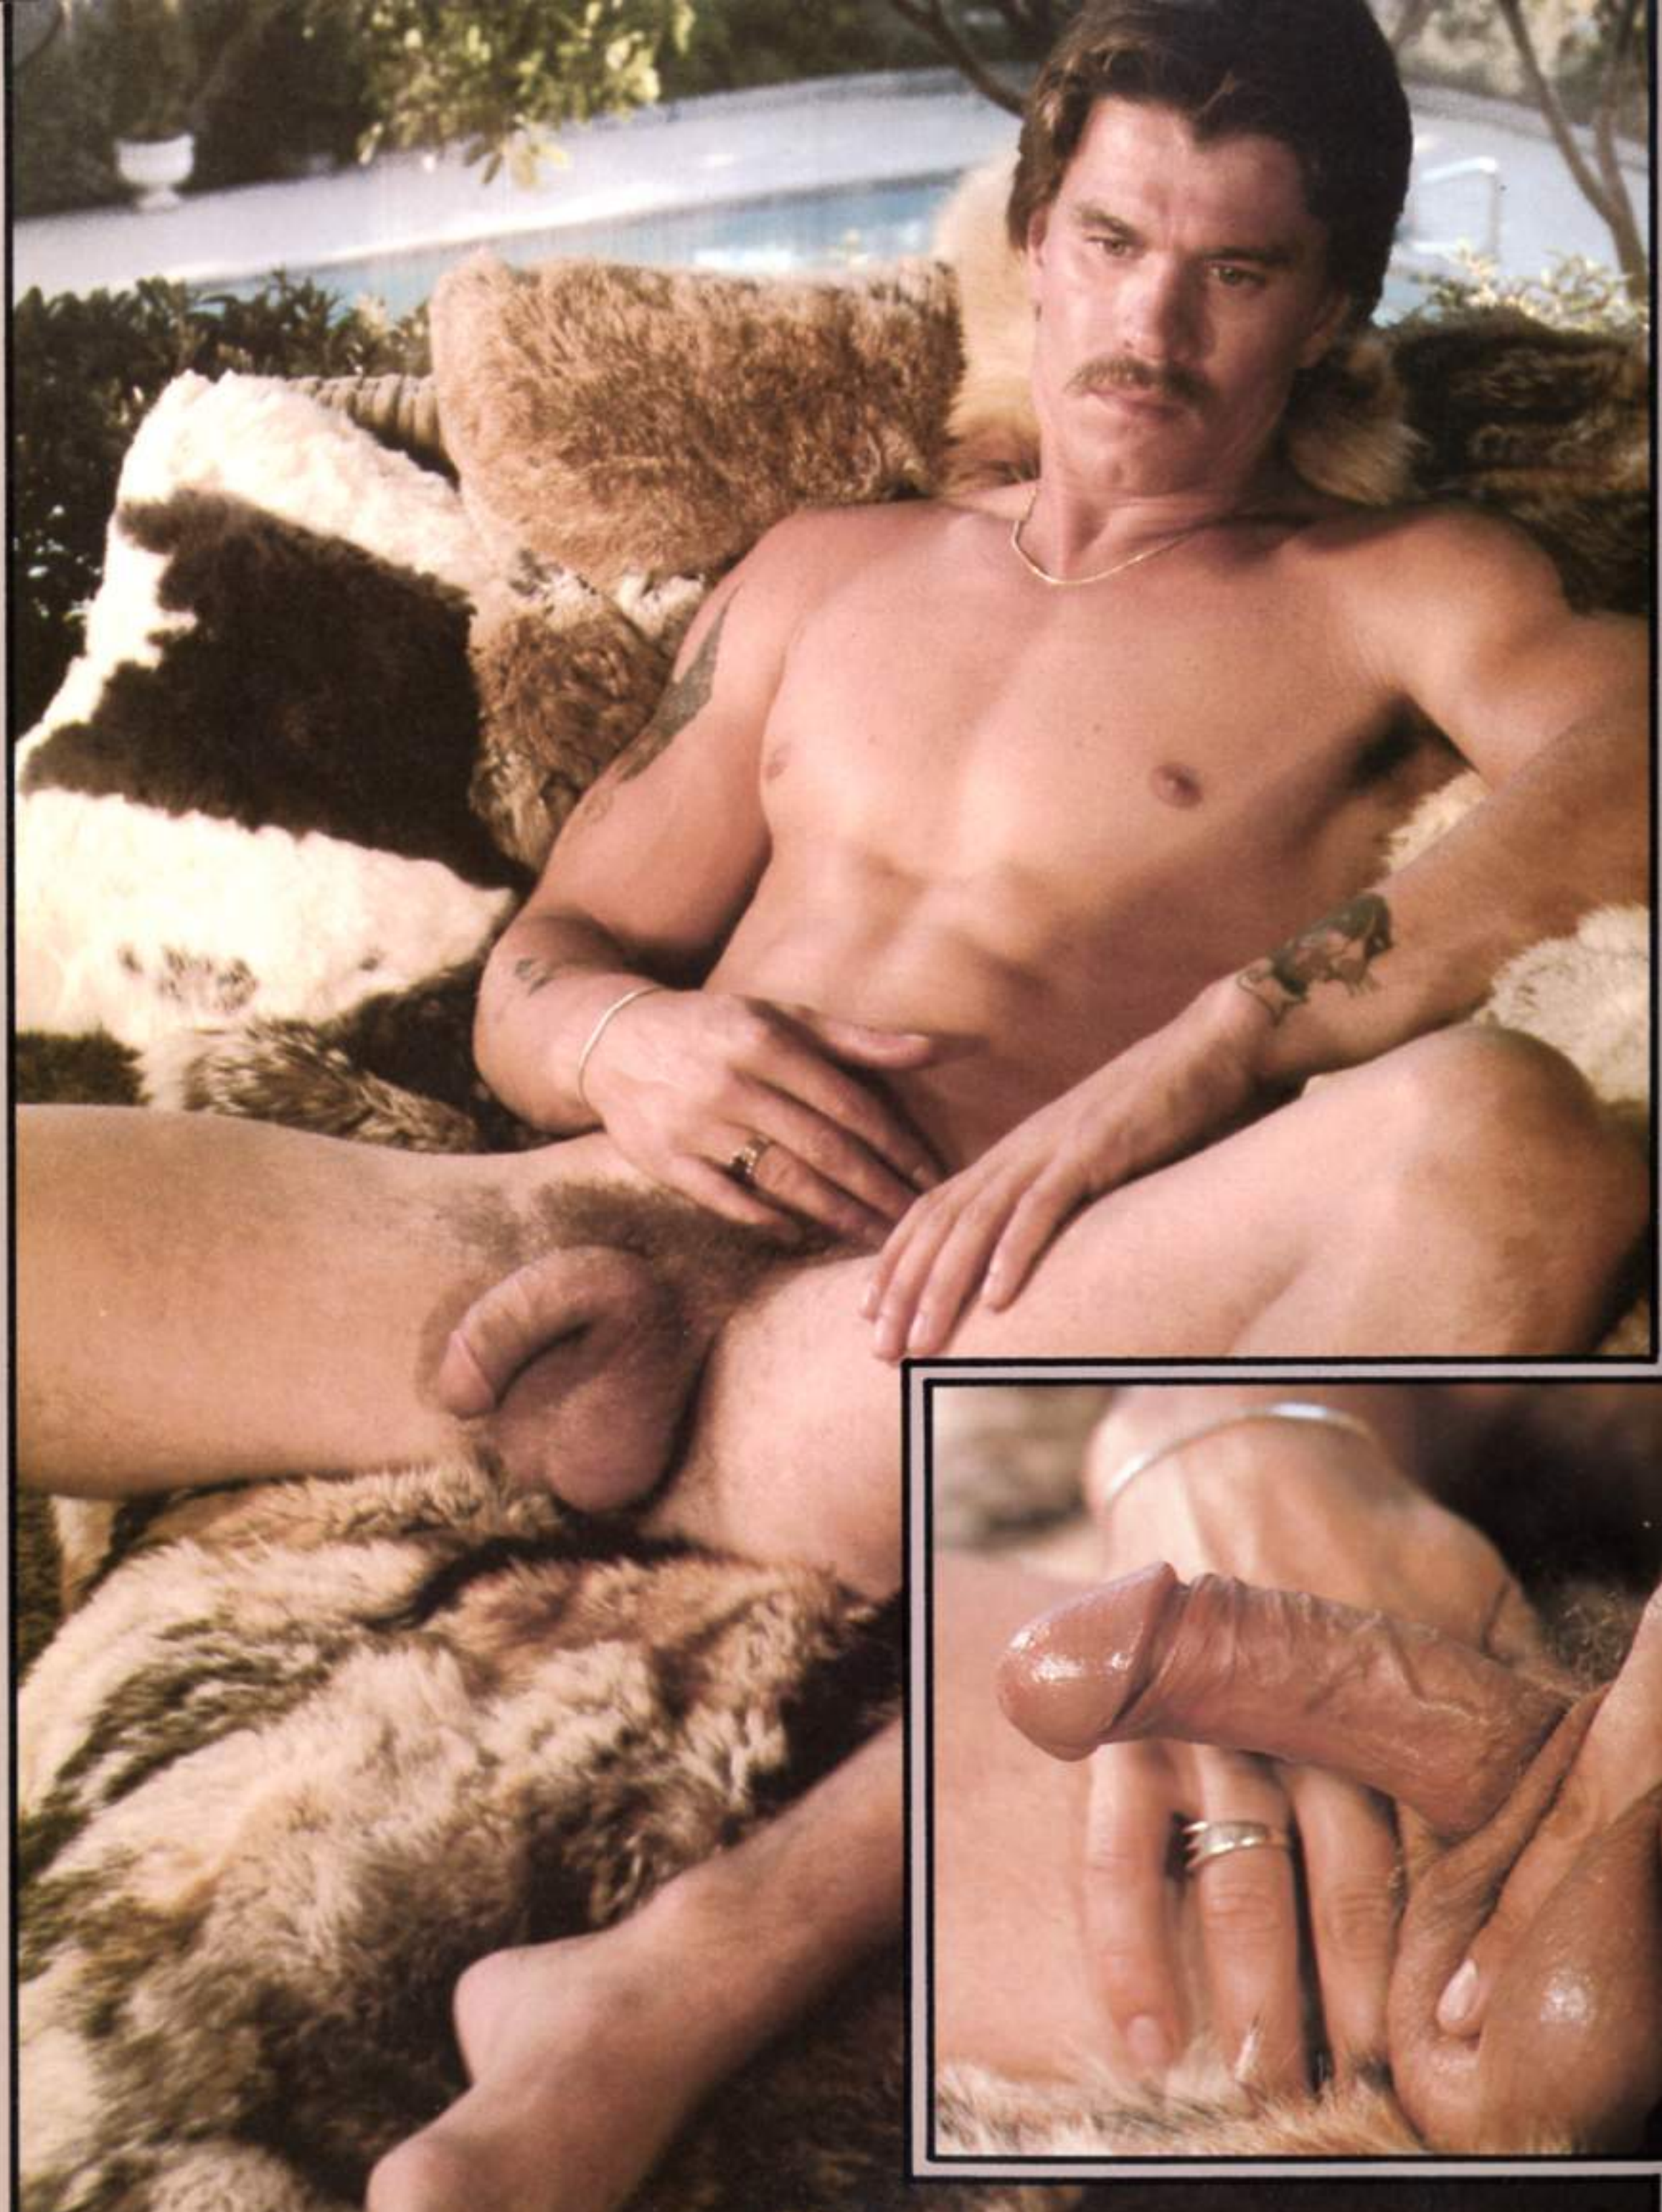
The sun's rays permeate Dusty's skin and bones, filling him with a glowing heat. Like most Californians, he's a sun worshipper who loves to do anything in the outdoors. He's an expert surfer and sailor as well as an experienced backpacker and marathon runner.

Laid Back Lush

Inside his apartment, Dusty luxuriates on his soft, fox fur-covered couch. He loves to be surrounded by rich opulence.







Wallowing in the deep pile of the fur; Dusty closes his eyes as his hands wander to his ever-ready toy to play casual finger games.

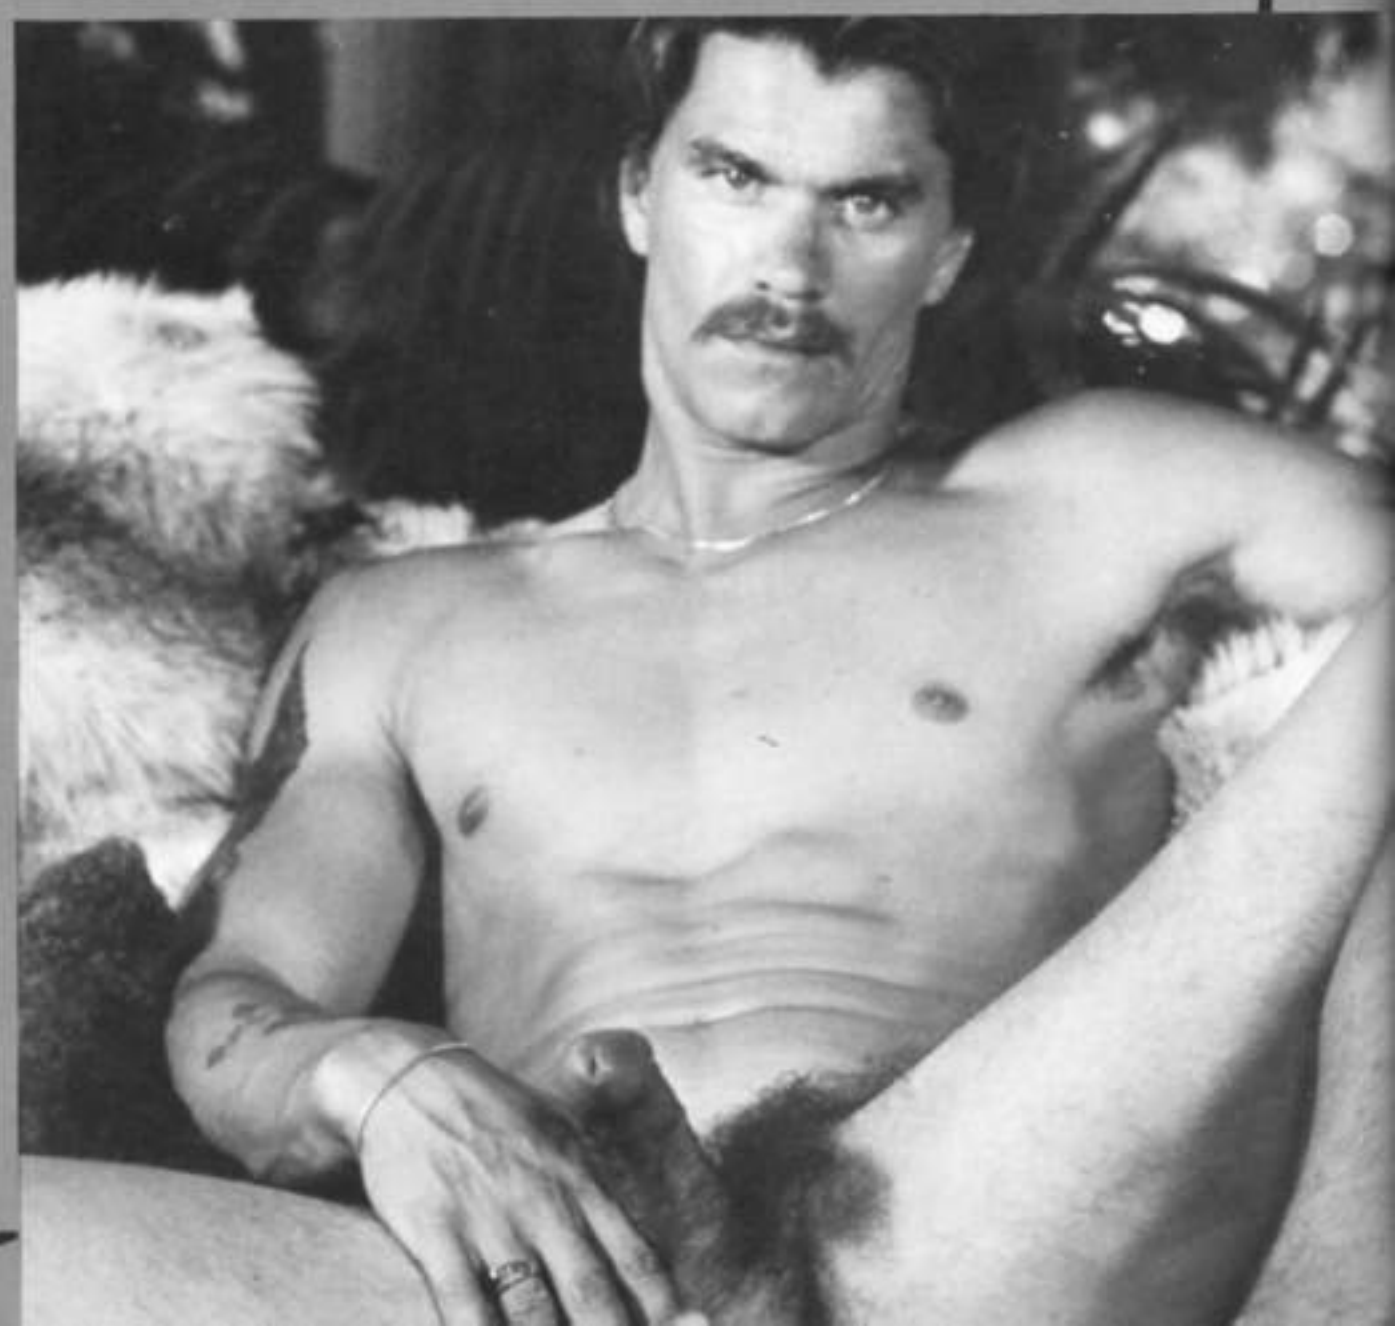
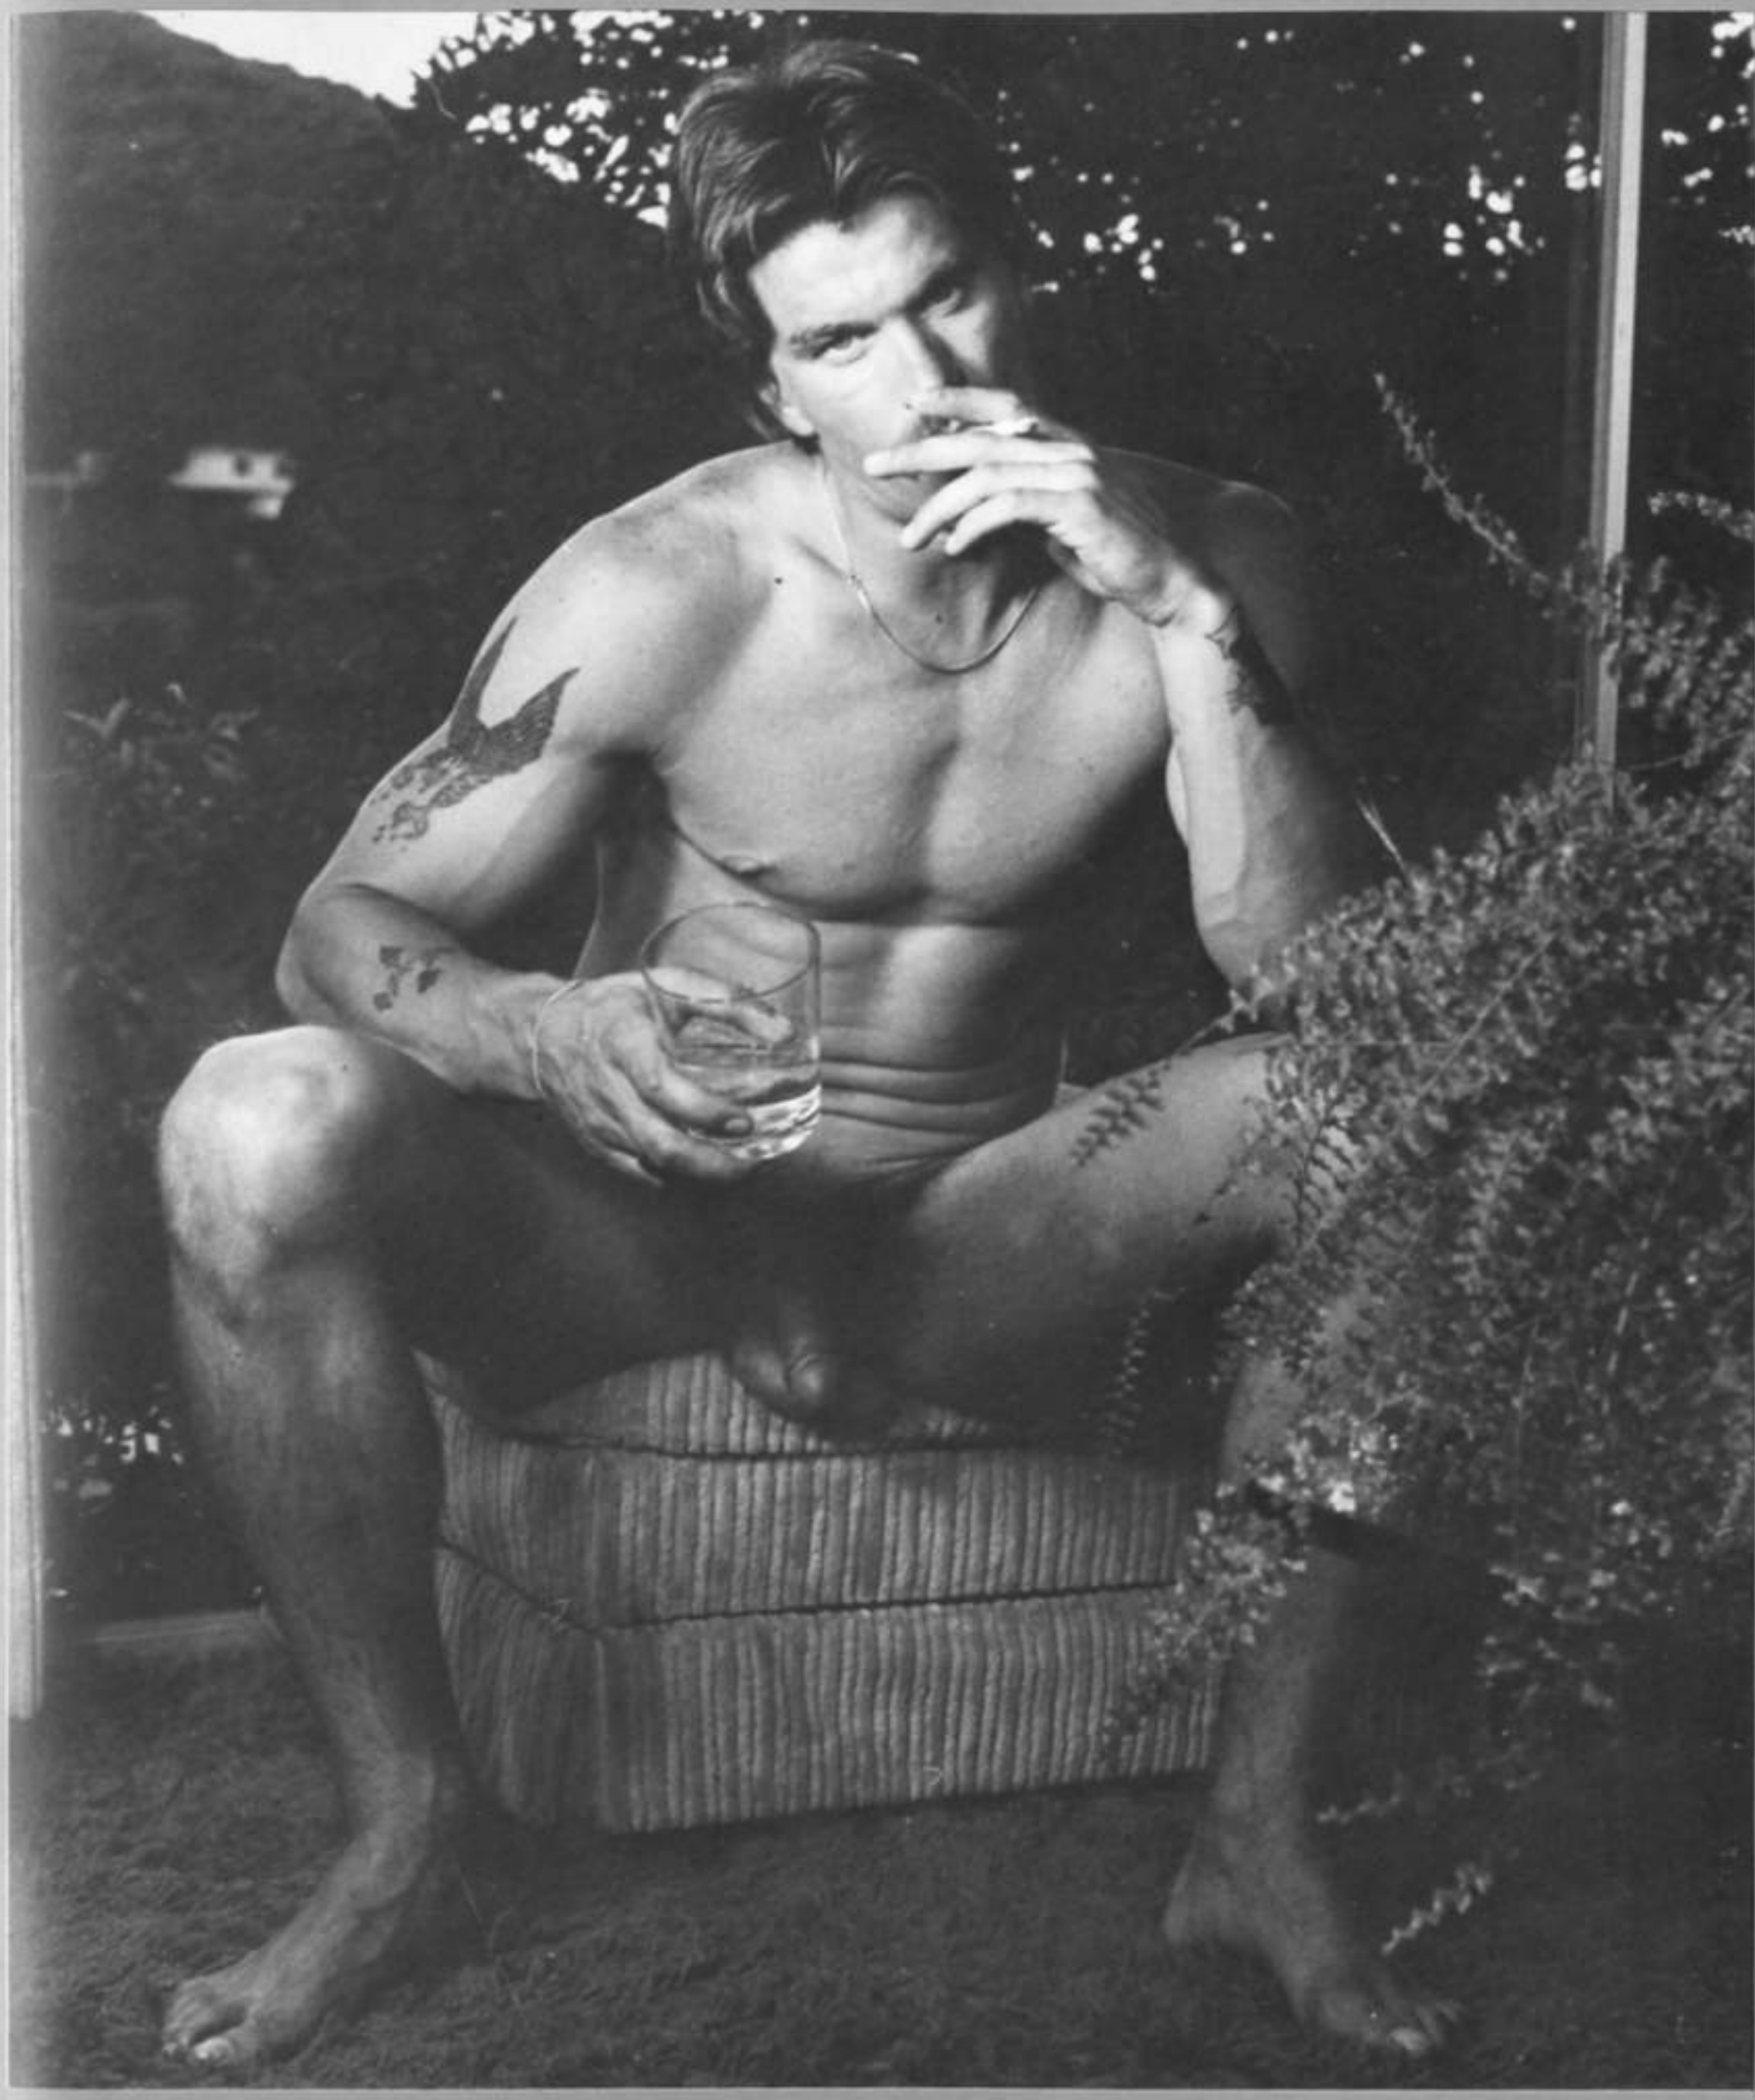
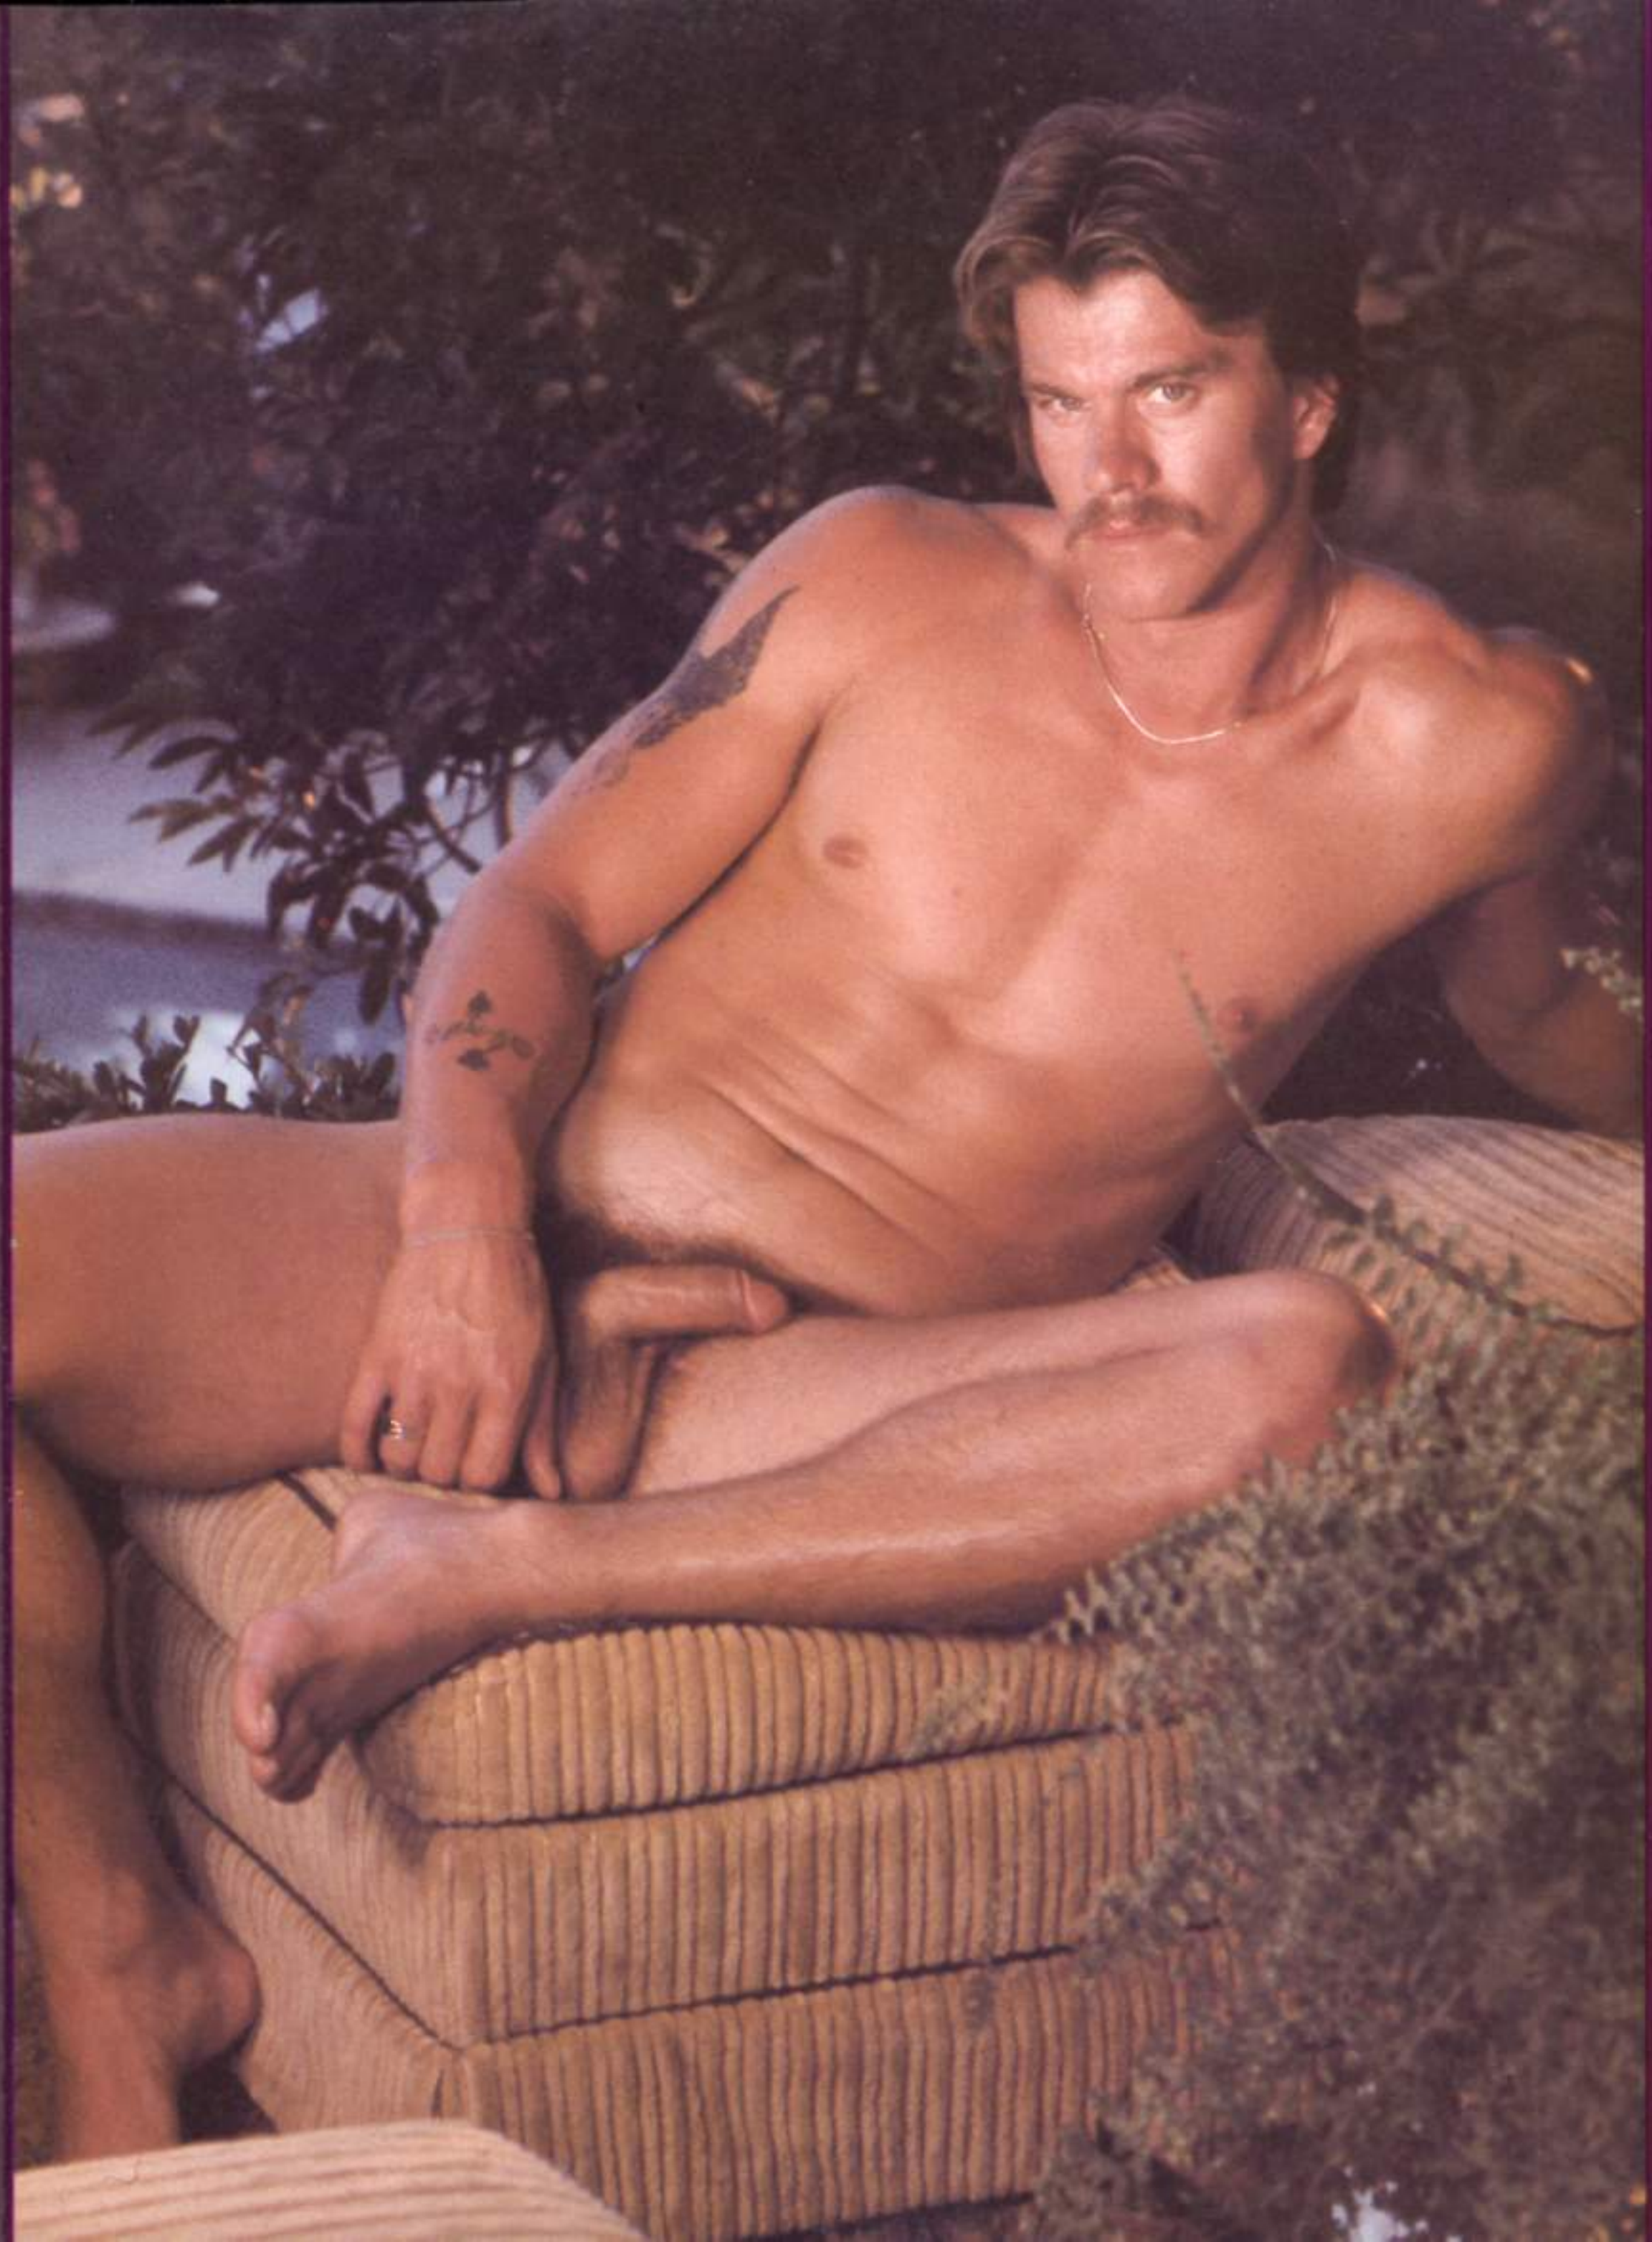
His cock grows huge and hard under his experienced hands. Dusty loves all bodily pleasures, and he has a healthy appetite for sex. A regular hot-blooded, American male, that's him.

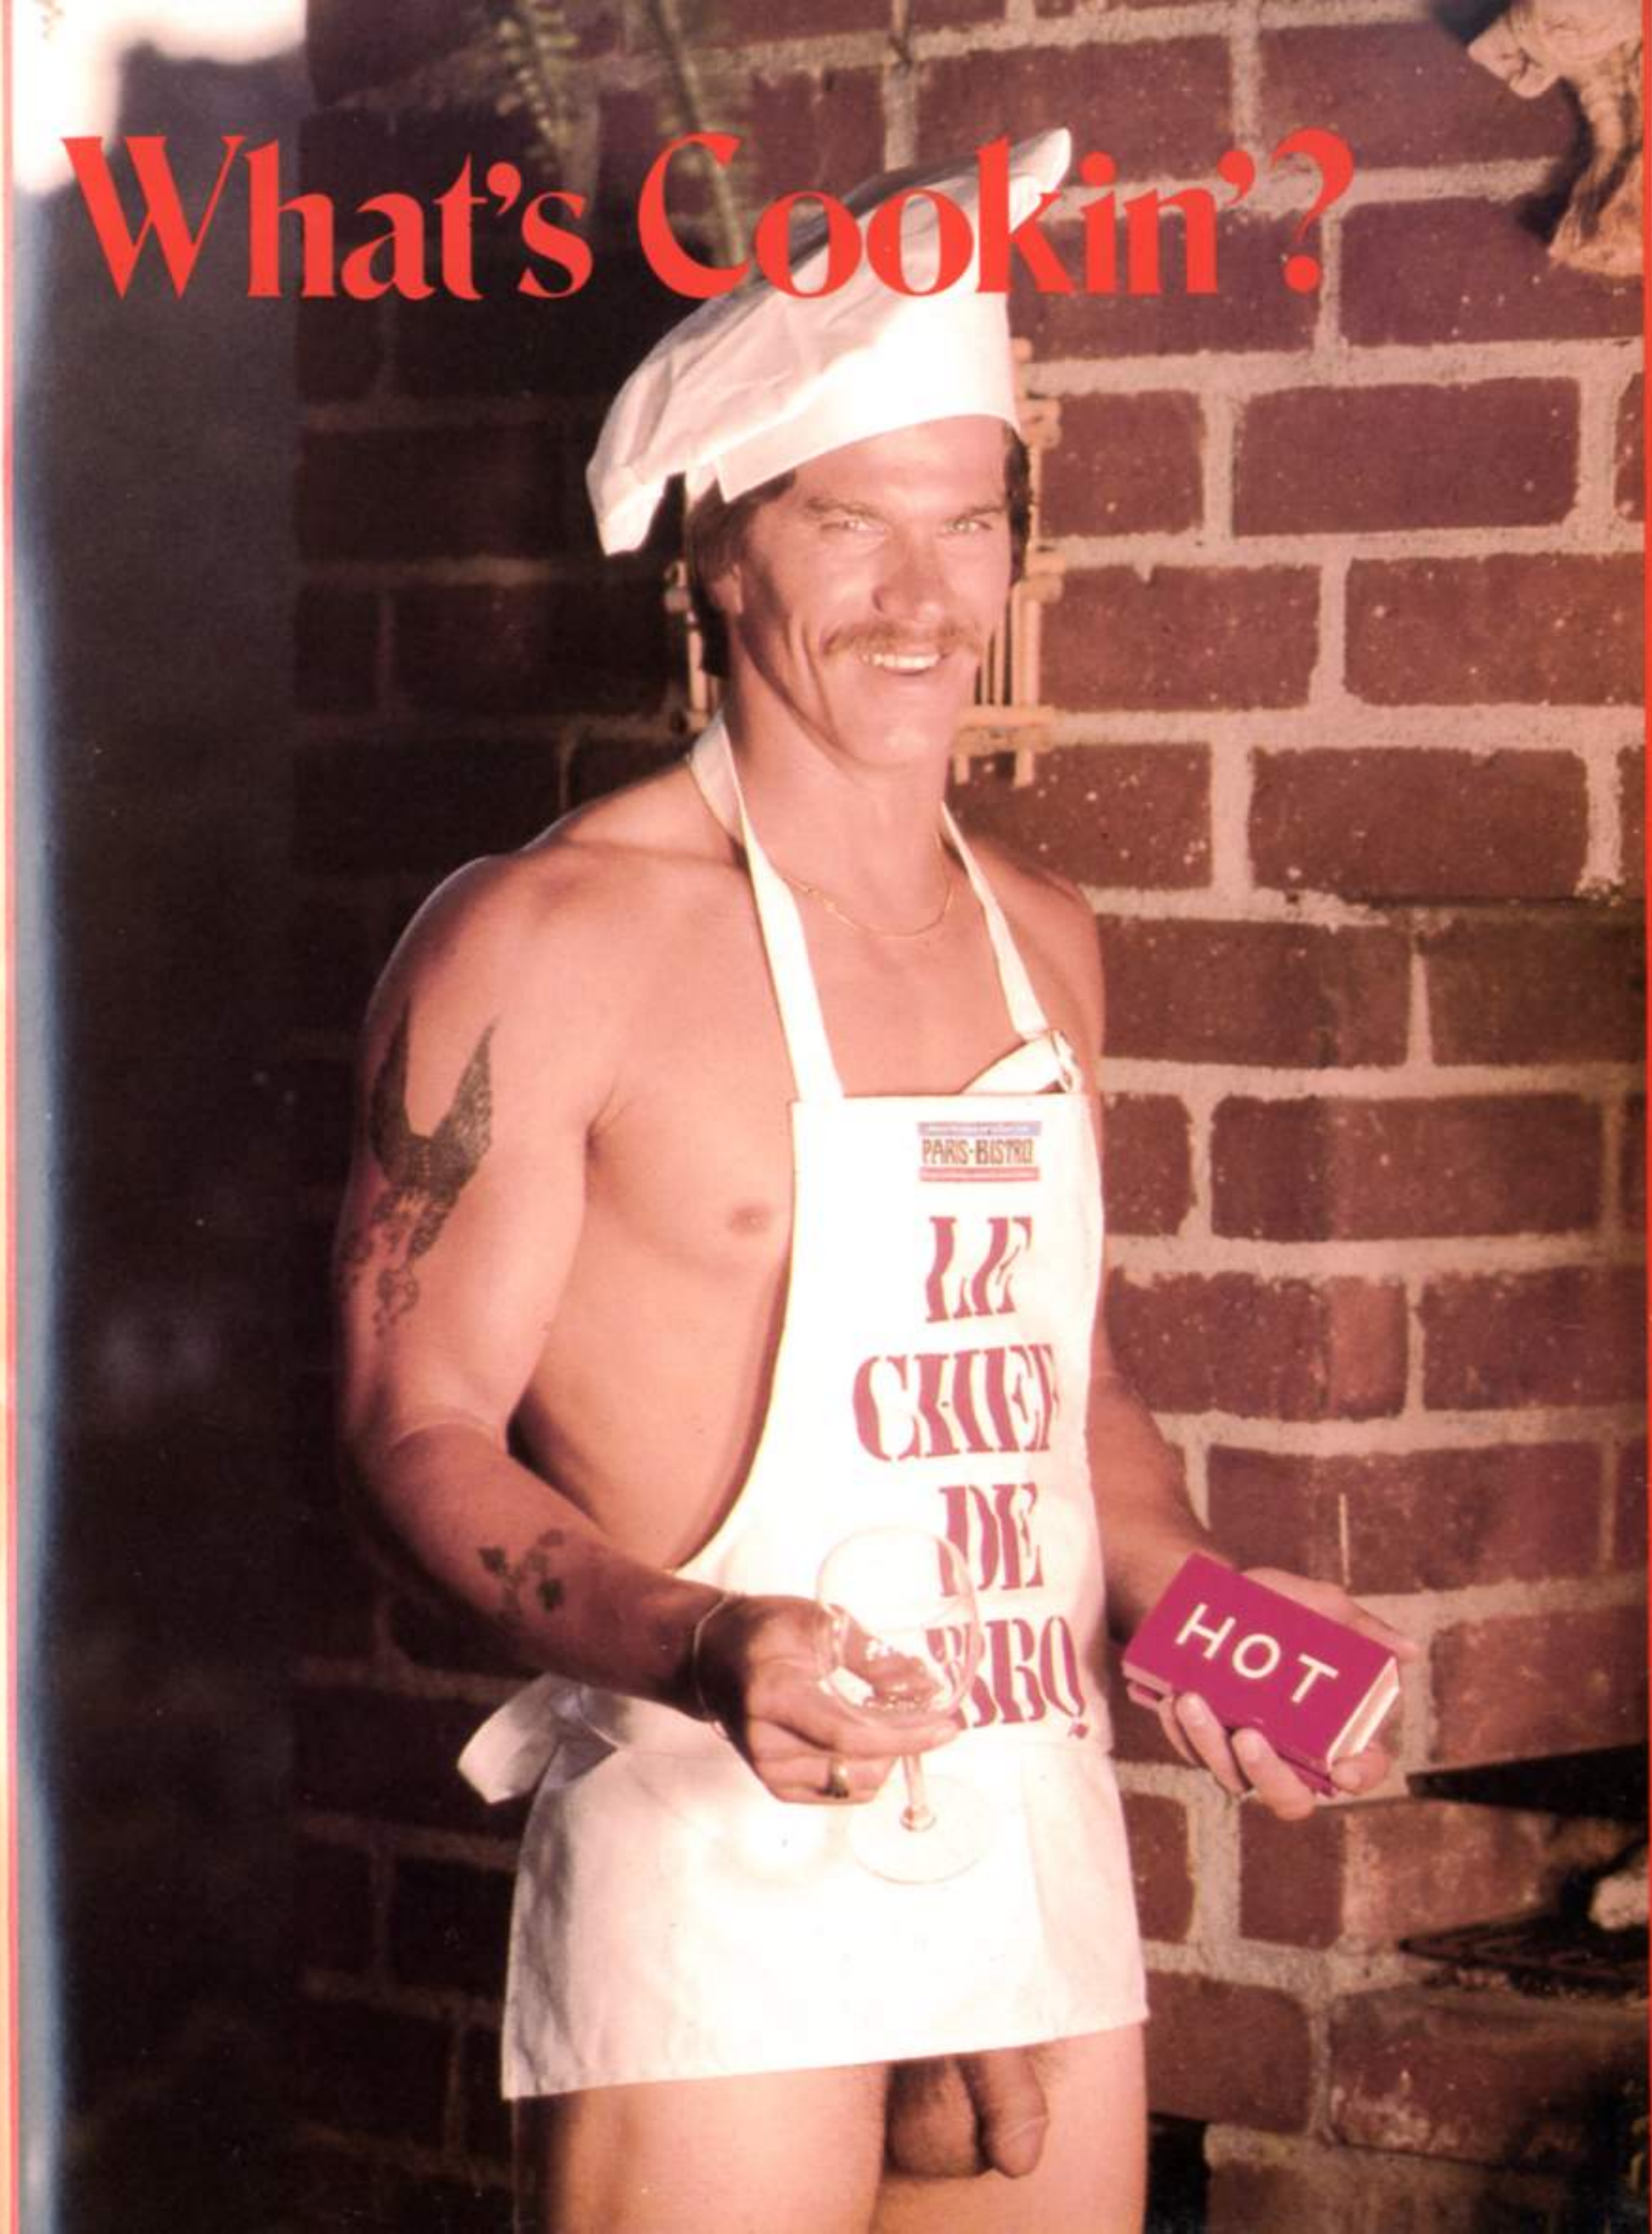


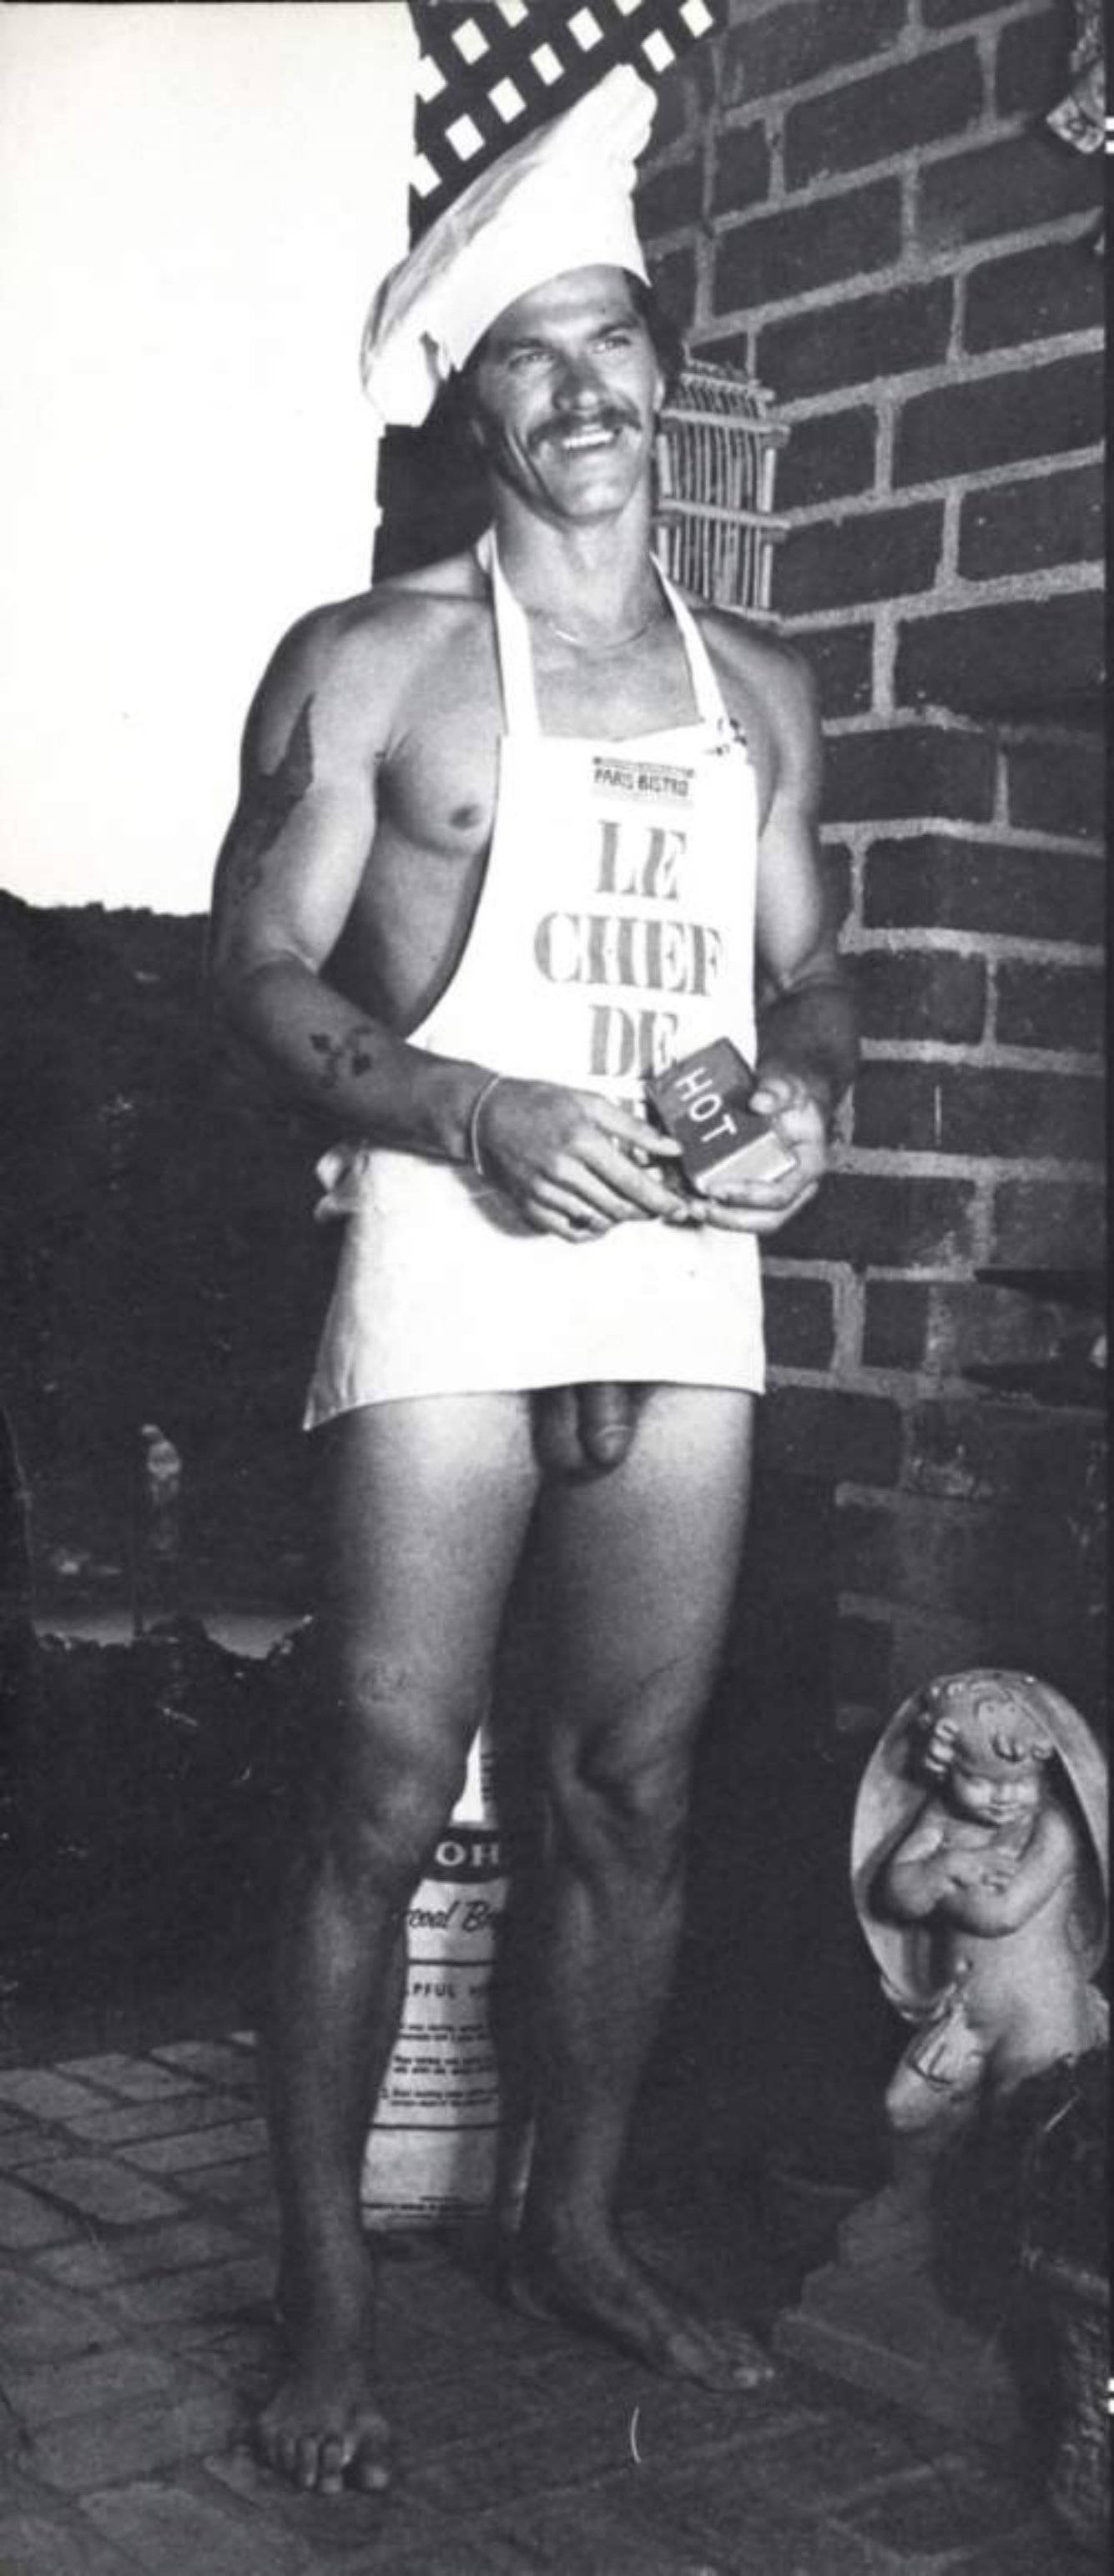


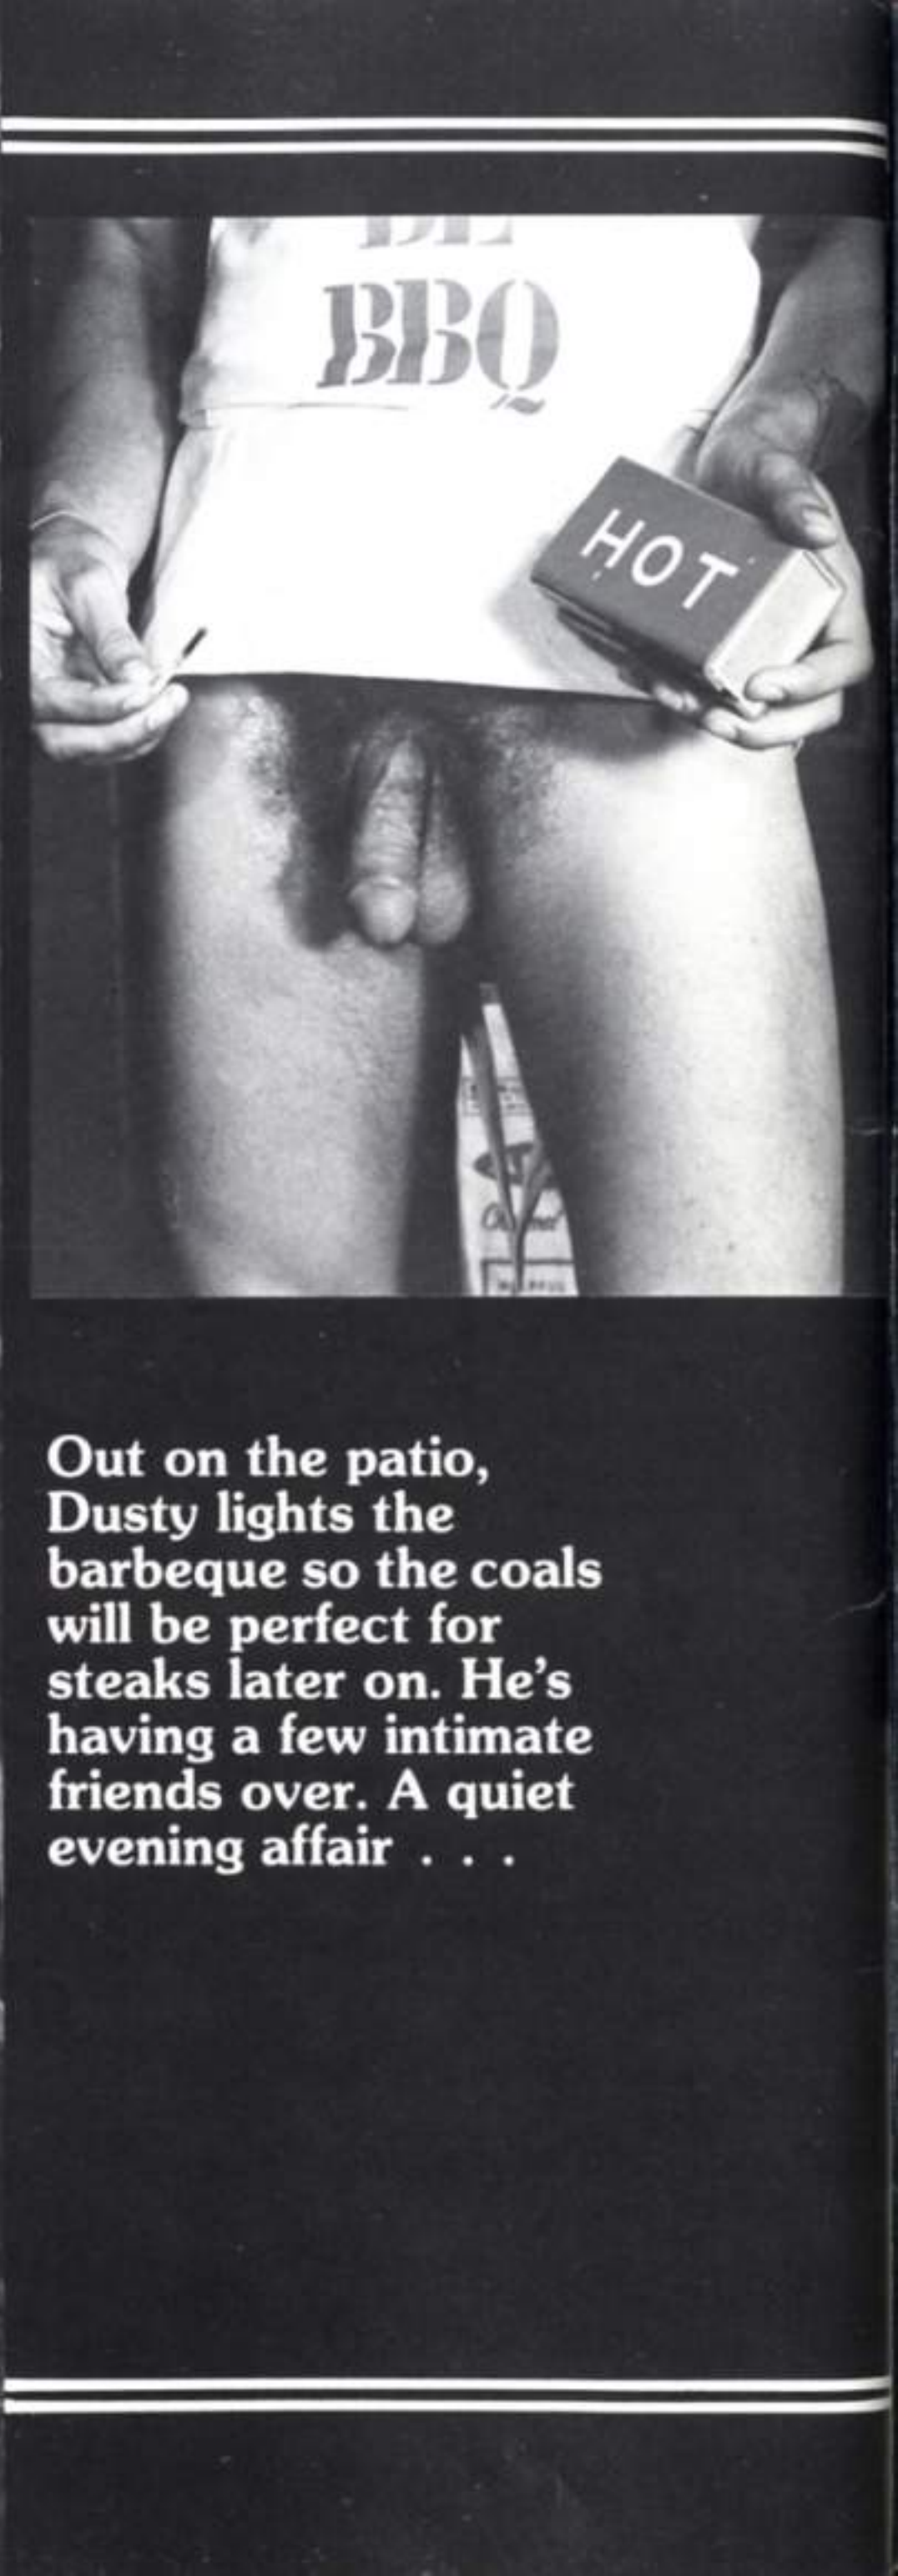
With a panarama of Canyon Country spread out behind him, Dusty relaxes with a cold drink and a soothing cigarette.



What's Cookin'?







Out on the patio, Dusty lights the barbeque so the coals will be perfect for steaks later on. He's having a few intimate friends over. A quiet evening affair . . .
